Executive Director of the Board

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of	§	AGREED
Advanced Practice Nurse License Number AP118779,	§	
and Registered Nurse License Number 686982	§	
issued to PATRICK JAMES EVERETT	§	ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of PATRICK JAMES EVERETT, Advanced Practice Nurse License Number AP118779, and Registered Nurse License Number 686982, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(9),(10),(12)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on March 31, 2017.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing and agreed to the entry of this Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status. Respondent's license to practice as an advanced practice registered nurse in the State of Texas is in current status.
4. Respondent received a Baccalaureate Degree from University of Texas at Tyler, Tyler, Texas on May 11, 2002, and received a Master's Degree in Nursing from Texas Wesleyan University, Fort Worth, Texas, on December 4, 2009. Respondent was licensed to practice professional nursing in the State of Texas on June 25, 2002, and was licensed to practice advanced practice registered nursing in the role of Nurse Anesthetist in the State of Texas on February 25, 2010.

5. Respondent's nursing employment history includes:

2002 - 2007	ICU RN	East Texas Medical Center Tyler, Texas
2008 - 2009	Unknown	
2010 - 05/2016	CRNA	Christus Trinity Mother Frances Tyler, Texas
06/2016 - Present	Unknown	

6. At the time of the initial incident, Respondent was employed as a Certified Registered Nurse Anesthetist with Christus Trinity Mother Frances, Tyler, Texas, and had been in that position for six (6) years.
7. On or about May 4, 2016, through May 5, 2016, while employed as an Certified Registered Nurse Anesthetist with Christus Trinity Mother Frances, Tyler, Texas, Respondent lacked fitness to practice nursing in that he exhibited signs of impaired behavior while on duty, including: being significantly diaphoretic; going to the bathroom with a syringe multiple times for great lengths of time, which subsequently caused delays in the procedure room; struggling to complete paperwork efficiently; disengagement with staff; and pronounced sleepiness. Respondent's condition could have affected his ability to recognize subtle signs, symptoms or changes in patients' conditions, and could have affected his ability to make rational, accurate, and appropriate, assessments, judgements, and decisions regarding patient care, thereby placing the patients in potential danger.
8. On or about July 5, 2016, Respondent signed a Participation Agreement with the Texas Peer Assistant Program for Nurses (TPAPN). While participating in TPAPN, Respondent tested positive for Tramadol on or about July 1, 2016, and again on July 13, 2016; and tested positive for Ethyl Glucuronide (ETG) and Ethyl Sulfate (ETS) on or about October 13, 2016. In addition, Respondent's drug testing account was suspended, and as a result, he missed three (3) tests. Consequently, due to his noncompliance with drug testing, TPAPN closed his case and referred him to the Texas Board of Nursing. Respondent's condition could have affected his ability to recognize subtle signs, symptoms or changes in patients' conditions, and could have affected his ability to make rational, accurate, and appropriate, assessments, judgements, and decisions regarding patient care, thereby placing the patients in potential danger.
9. In response to Findings of Fact Numbers Seven (7) and Eight (8), Respondent fully accepts the actions that took place in May of 2016. Respondent also states he did relapse and had alcohol on October 12, 2016, and did have Tramadol back in July of 2016. He also states he

missed three tests due to lack of finances and transportation.

10. Respondent states October 13, 2016, as his last known date of sobriety.
11. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE § 217.11(1)(B) & (1)(T) and 22 TEX. ADMIN. CODE § 217.12(1)(A),(1)(B),(1)(E),(4),(5),(10)(A)&(11)(B).

5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
