ADMIN. CODE §217.5(f) and §213.30, and supporting documents filed by JONATHAN ERIC BENNETT, hereinafter referred to as PETITIONER, requesting a determination of eligibility for licensure in compliance with Sections 301.252, 301.257, and 301.260, Texas Occupations Code, and the Board's Rules at 22 TEX. ADMIN. CODE §217.5(f) and §213.30, together with any documents and information gathered by staff and Petitioner's Certification contained herein.

Information received by the Board produced evidence that PETITIONER may be ineligible for licensure pursuant to Sections 301.452(b)(9)&(10) and 301.453, Texas Occupations Code.

PETITIONER waived notice and hearing, and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on June 19, 2017.

"Within the past five (5) years have you been addicted to and/or treated for the use of alcohol or any other drug?"

Petitioner successfully completed a Recovering Nurse Program contact after his initial treatment. Petitioner began using Opiates again in March 2014. Petitioner was fired from his job because of his drug diversion at work on February 4, 2016. Multi-disciplinary treatment team recommendations upon completion of inpatient relapse treatment are:

 8. Palmetto believes that Petitioner could be considered for return to the safe practice of nursing as soon as he has signed his monitoring contract and has the Board permission for return to duty.
5. The safety of patients and the public requires that all persons licensed to practice nursing be fit, sober, and able to consistently practice nursing in autonomous roles under demanding and stressful conditions.
6. Petitioner has sworn that, with the exception of matters disclosed in connection with the Petition, his past behavior conforms to the Board's professional character requirements at 22 TEX. ADMIN. CODE §213.27.

7. The Executive Director considered evidence of Petitioner's past behavior in light of the character factors set out in 22 TEX. ADMIN. CODE §213.27 and determined that Petitioner currently demonstrates the criteria required for good professional character.
8. The Executive Director considered evidence of Petitioner's substance use disorder, and subsequent rehabilitation as provided in 22 TEX. ADMIN. CODE §213.29 and in accordance with 22 TEX. ADMIN. CODE §213.33.

10. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of Petitioner's disclosures.
11. Petitioner has been advised by the Board that any information found to be incomplete, incorrect or misleading to the Board or a subsequent discovery of a basis of ineligibility will be considered by the Board and may result in an ultimate determination of ineligibility or the later revocation of a license obtained through fraud or deceit.
12. Petitioner shall immediately notify the Board of any fact or event that could constitute a ground of ineligibility for licensure under Section 301.452(b), Texas Occupations Code.

3. Petitioner's history reflects conduct which may constitute grounds for denial of a license under Section 301.452(b)(9)&(10), Texas Occupations Code.
4. The Board may probate the denial of a license under conditions for a specified term pursuant to Section 301.453, Texas Occupations Code.
5. The Board may license an individual who has a history of substance use disorder after consideration of the criteria set out in 22 TEX. ADMIN. CODE §213.29 if the Board determines the individual does not pose a direct threat to the health and safety of patients or the public.

6. The Board may license an individual with prior behaviors inconsistent with the Board's character requirements if, upon evaluation of the factors in 22 TEX. ADMIN. CODE §213.27, and pursuant to 22 TEX. ADMIN. CODE §213.33, the Board is satisfied that the individual is able to consistently conform his conduct to the requirements of the Nursing Practice Act, the Board's Rules and Regulations, and generally accepted standards of nursing practice.
7. The Board may, in its discretion, order a nurse to participate in a peer assistance program approved by the Board if the nurse would otherwise have been eligible for referral to peer assistance pursuant to Section 301.410, Texas Occupations Code.
8. This Order is conditioned upon the accuracy and completeness of Petitioner's disclosures. Any subsequently discovered discrepancies will result in investigation and possible disciplinary action, up to revocation of Petitioner's license(s).
