License No. 201250158NP, 201242936RN) Reference No. 16-01643

The Oregon State Board of Nursing (Board) is the state agency responsible for licensing, regulating and disciplining certain health care providers, including Nurse Practitioners and Registered Nurses. Julie Demille (Licensee) was issued a Nurse Practitioner certificate and Registered Nurse license by the Board on September 12, 2012.

This matter was considered by the Board at its meeting on November 16, 2016.

On October 18, 2016, a Notice stating that the Board intended to suspend the Nurse Practitioner certificate and Registered Nurse license of Licensee was sent to her via certified and first-class mail to her address of record and her Attorney of record. The Notice alleged that Julie Demille failed to cooperate with the Board during the course of an investigation.

The Notice granted Licensee an opportunity for hearing if requested within twenty (20) days of the mailing of the Notice. No such request for hearing has been received by the Board. The Notice designated the Board's file on this matter as the record for purposes of default.

NOW THEREFORE, after consideration of its records and files related to this matter, the Board enters the following Order:

-I-

FINDINGS OF FACT

Based on the evidence submitted through the Notice and the agency file in this case, the Board finds the following:

1. Licensee was issued a Nurse Practitioner certificate and Registered Nurse license in the state of Oregon on September 12, 2012.
2. On or about April 18, 2016, Licensee was reported to the Board for failure to communicate information with a health care team, failure to provide accurate documentation of client care, and prescribing medication in an unsafe and unlawful manner. The Board opened an investigation into the matter.

3. On August 11, 2016, Board staff mailed a letter to Licensee's address of record requesting that she schedule an interview to discuss the allegations. Licensee was further instructed to send a written statement regarding the allegations and a current work history. Licensee contacted the Board by email noting representation by an Attorney, but failed to schedule an interview and did not provide any documents to the Board.
4. On October 10, 2016, after multiple email requests for an interview, a final request for an in-person interview of Licensee was provided to her Attorney, requesting the interview be scheduled by October 17, 2016. An interview was not scheduled, and no documents were provided to the Board.
5. On October 18, 2016, Board staff mailed a Notice of Proposed Suspension to Licensee via first-class and certified mail. The Notice granted Licensee twenty (20) days from the date of the mailing of the Notice to request a hearing. The Notice also designated that the agency file would be the record for purposes of default.
6. Licensee failed to respond to the Notice of Proposed Suspension within the required twenty (20) days. Consequently, Licensee's opportunity to request a hearing has expired and she is in default.

-II-

CONCLUSIONS OF LAW

1. That the Board has jurisdiction over the Licensee, Julie Demille, and over the subject matter of this proceeding.
2. That Licensee's failure to cooperate with the Board during the course of an investigation is grounds for disciplinary action pursuant to ORS 678.442(2)(f), OAR 851-063-0080(6) and OAR 851-063-0090(10)(a) and (c).
3. That Licensee defaulted on the Notice by not requesting a hearing within the allotted twenty (20) days and, as a result, pursuant to ORS 183.417(3), the Board may enter a Final Order by Default.

-III-

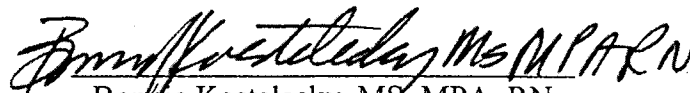

ORDER

Based on the foregoing Findings of Fact and Conclusions of Law, and the Board being fully advised in the premises, it is hereby:

ORDERED that the Nurse Practitioner certificate and Registered Nurse license of Julie Demille are SUSPENDED for a minimum of two weeks, commencing five business days from the date this Order is signed, and shall continue until such time as Julie Demille has fully cooperated with the Board's investigation. Should the Board reinstate the Nurse Practitioner certificate and Registered Nurse license of Julie Demille, she would be subject to whatever terms and conditions the Board may impose.
