Executive Director of the Board

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Registered Nurse License Number 873069 §
issued to JARED FREDERICK HARRISON § ORDER

An investigation by the Texas Board of Nursing, hereinafter referred to as the Board, produced evidence indicating that JARED FREDERICK HARRISON, Registered Nurse License Number 873069, hereinafter referred to as Respondent, may be subject to discipline pursuant to Sections 301.452(b)(10)&(13) and 301.453, Texas Occupations Code.

An informal conference was conducted on June 6, 2017, in accordance with Section 301.464, Texas Occupations Code. Respondent appeared in person.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received a Baccalaureate Degree in Nursing from Texas Woman's University, Denton, Texas, on December 1, 2014. Respondent was licensed to practice professional nursing in the State of Texas on February 6, 2015.
5. Respondent's nursing employment history includes:

2/2015-6/2015	Unknown	
7/2015-9/2015	Registered Nurse	Plaza Medical Center Fort Worth, Texas

Respondent's nursing employment history continued:

10/2015-4/2016	Unknown	
5/2016-10/2016	Registered Nurse	Green Valley Healthcare and Rehabilitation North Richland Hills, Texas
11/2016-Present	Registered Nurse	Fresenius Kidney Care Fort Worth, Texas

6. On or about May 14, 2013, Respondent was issued an Agreed Eligibility Order by the Board. Respondent has not successfully completed the terms of this Order. A copy of the Agreed Eligibility Order, including the Findings of Fact, Conclusions of Law, and Order dated May 14, 2013, is attached and incorporated herein by reference as part of this Order.
7. At the time of the incident, Respondent was employed as a Registered Nurse at Green Valley Healthcare and Rehabilitation, North Richland Hills, Texas, and had been in that position for four (4) months.
8. On or about September 11, 2016, while employed as a Registered Nurse at Green Valley Healthcare and Rehabilitation, North Richland Hills, Texas, Respondent failed to intervene and notify the physician or nurse practitioner when he was unable to palpate a radial pulse on Resident PM, who was also weak, had been diagnosed with a urinary tract infection, and was unable to drink from a straw. Additionally, Respondent failed to assess the complete vital signs of the resident including blood pressure and oxygen saturation reading. Subsequently, the resident was sent to the hospital, where she was diagnosed with sepsis, hypoxemia, acute kidney injury, metabolic acidosis, hyponatremia, and hypotension; the resident expired the next morning. Respondent's conduct resulted in a delay in treatment for the resident that was needed to prevent further complications.
9. On or about September 11, 2016, while employed as a Registered Nurse at Green Valley Healthcare and Rehabilitation, North Richland Hills, Texas, Respondent failed to document any assessments or nursing interventions in the medical record of the aforementioned Resident PM. Respondent's conduct resulted in an incomplete medical record and was likely to injure the resident in that subsequent care givers would not have accurate and complete information on which to base their care decisions.
10. In response to the incidents in Findings of Fact Numbers Eight (8) and Nine (9), Respondent states that as he has reflected over this experience, he regrets that he failed to get his own set of vital signs and failed to recognize the signs and symptoms that the resident was in a critical condition. Respondent states that on the day in question, he was told at shift report that the resident was weak and unable to drink through a straw. Respondent states that he

assessed the resident and was unable to palpate a radial pulse, and the resident appeared very weary and weak. Respondent states that he asked another licenced vocational nurse to check on the resident while he went to administer medication to another resident, and the other nurse was unable to get an oxygen reading. Respondent states that the nurse went to get the supervising registered nurse, and they administered oxygen to the resident. Respondent states that he asked the certified nurse aides to go into the resident's room every thirty minutes to try to get her to drink some water. Respondent states that he assisted the resident with dinner and she ate some but complained of dizziness. Respondent states that evening, the resident's family requested to send her to the hospital. Respondent adds that he was not asked or told to inform the physician of anything, and was not given the impression that the resident was in a life-threatening situation.

Executive Director of the Board

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
JARED FREDERICK HARRISON, §
PETITIONER for Eligibility for Licensure § ELIGIBILITY ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the Petition for Declaratory Order and supporting documents filed by JARED FREDERICK HARRISON, hereinafter referred to as PETITIONER, together with any documents and information gathered by staff and Petitioner's Certification contained herein.

Information received by the Board produced evidence that PETITIONER may be ineligible for licensure pursuant to Sections 301.452(b)(3)&(10) and 301.453, Texas Occupations Code.

PETITIONER waived representation by counsel, notice and hearing, and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on January 11, 2013, subject to ratification by the Board.

FINDINGS OF FACT

1. On or about April 27, 2012, PETITIONER submitted a Petition for Declaratory Order requesting a determination of eligibility for licensure in compliance with Sections 301.252, 301.253, 301.257 and 301.258, Texas Occupations Code, and the Board's Rules at 22 TEX. ADMIN. CODE §213.30.
2. Petitioner waived representation by counsel, informal proceedings, notice and hearing, and consented to the entry of this Order.
3. Petitioner was not enrolled in a professional nursing program at the time of this petition.

4. Petitioner completed the Petition for Declaratory Order and answered "yes" to the question which reads as follows: *"For any criminal offense, including those pending appeal, have you:*
- A. *been convicted of a misdemeanor?*
 - B. *been convicted of a felony?*
 - C. *pled nolo contendere, no contest, or guilty?*
 - D. *received deferred adjudication?*
 - E. *been placed on community supervision or court-ordered probation, whether or not adjudicated guilty?*
 - F. *been sentenced to serve jail or prison time? court-ordered confinement?*
 - G. *been granted pre-trial diversion?*
 - H. *been arrested or have any pending criminal charges?*
 - I. *been cited or charged with any violation of the law?*
 - J. *been subject of a court-martial; Article 15 violation; or received any form of military judgment/punishment/action?*
- (You may only exclude Class C misdemeanor traffic violations.)"*
5. Petitioner disclosed the following criminal history, to wit:
- A. On or about October 25, 2005, Petitioner was arrested by the Bedford Police Department, Bedford, Texas, for CRIMINAL MISCHIEF \geq \$1,500 BUT $<$ \$20K.

On or about March 2, 2006, Petitioner pled Guilty and was convicted of CRIMINAL MISCHIEF, a misdemeanor offense committed on October 25, 2005, in the County Court at Law of Tarrant County, Texas, under Cause No. 2005-42586. As a result of the conviction, Petitioner was ordered to pay damages.
 - B. On or about November 9, 2005, Petitioner was arrested by the River Oaks Police Department, River Oaks, Texas, for POSSESSION OF A CONTROLLED SUBSTANCE PG 3 \geq 28G $<$ 200G, a Third Degree felony offense.

On or about January 9, 2007, Petitioner pled Guilty to POSSESSION OF A CONTROLLED SUBSTANCE OF 28 GRAMS OR MORE, BUT LESS THAN 200 GRAMS, NAMELY: ALPRAZOLAM, a Third Degree felony offense, committed on November 9, 2005, in the 371st District Court of Tarrant County, Texas, under Cause No. 1000628D. As a result of the plea, the proceedings against Petitioner were deferred without entering an adjudication of guilt and Petitioner was placed on probation for a period of two (2) years. On or about May 8, 2008, Petitioner was discharged from probation.
6. In response to Finding of Fact Number Five (5), Section (B), Petitioner states he was sharing an apartment with his older brother who was on probation for DWI. An acquaintance of his offered Petitioner a large quantity of Xanax at an inexpensive price. At the time, Petitioner declined, but he later told his brother about the offer. After a few days, Petitioner succumbed

to his brother's pressure and he agreed to split the cost of the pills with him. Since it was Petitioner's acquaintance, Petitioner drove his car and his brother rode in the passenger seat. After purchasing the pills, Petitioner put them in his truck. On the way home a police officer pulled him over because of an expired inspection sticker. The police officer said that it appeared as though his brother was trying to hide something and asked to search the vehicle. He found the pills in the truck. Since his brother was on probation, Petitioner took responsibility for the pills.

7. There is no evidence of any subsequent criminal conduct.
8. On or about November 15, 2012, Petitioner was seen by Emily Fallis, Ph.D., to undergo a chemical dependency evaluation. Assessment results indicate Petitioner denied mental health problems and current substance abuse problems. He has a history of substance dependence with alcohol and marijuana. He apparently has had times of depression; however, these periods of negative mood likely are secondary to his substance abuse and his attempt to find meaning in life. Petitioner demonstrated evidence of substance dependence in remission. He does not appear in need of substance abuse treatment at this time. It is Dr. Fallis' opinion that Petitioner has a low risk of engaging in behaviors which the Board of Nursing had identified as constituting unprofessional conduct. Dr. Fallis opines that abusing substances as part of his duties as a nurse is quite unlikely. The opinion is based on general history, data generated during the evaluation and review of records. Petitioner is at low risk to behave at odds with the requirements of Rules 213.27 to 213.29 at 22 Texas Administrative Code (TAC), as well as the minimum standards set by the Board's Rules 217.11 at 22 TAC and generally accepted nursing standards.
9. The safety of patients and the public requires that all persons licensed to practice nursing be fit, sober, and able to consistently practice nursing in autonomous roles under demanding and stressful conditions.
10. Petitioner has sworn that, with the exception of matters disclosed in connection with the Petition for Declaratory Order, his past behavior conforms to the Board's professional character requirements at 22 TEX. ADMIN. CODE §213.27.
11. Petitioner presented no evidence of behavior which is inconsistent with good professional character.
12. The Executive Director considered evidence of Petitioner's past behavior in light of the character factors set out in 22 TEX. ADMIN. CODE §213.27 and determined that Petitioner currently demonstrates the criteria required for good professional character.
13. The Executive Director considered evidence of Petitioner's past criminal conduct in light of the considerations and criteria provided in 22 TEX. ADMIN. CODE §§213.28 & 213.33, and, if applicable, Chapter 53, Section 53.001 *et seq.*, Texas Occupations Code.

14. The Executive Director considered evidence of Petitioner's substance abuse/chemical dependency, and subsequent rehabilitation as provided in 22 TEX. ADMIN. CODE §213.29 and in accordance with 22 TEX. ADMIN. CODE §213.33.
15. Licensure of Petitioner poses no direct threat to the health and safety of patients or the public provided Petitioner complies with the stipulations outlined in this Order.
16. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of Petitioner's disclosures.
17. Petitioner has been advised by the Board that any information found to be incomplete, incorrect or misleading to the Board or a subsequent discovery of a basis of ineligibility will be considered by the Board and may result in an ultimate determination of ineligibility or the later revocation of a license obtained through fraud or deceit.
18. Petitioner shall immediately notify the Board of any fact or event that could constitute a ground of ineligibility for licensure under Section 301.452(b), Texas Occupations Code.

CONCLUSIONS OF LAW

1. The Board has jurisdiction over this matter pursuant to Sections 301.452 and 301.453, Texas Occupations Code.
2. On or about April 27, 2012, PETITIONER submitted a Petition for Declaratory Order requesting a determination of eligibility for licensure in compliance with Sections 301.252, 301.253, 301.257 and 301.258, Texas Occupations Code, and the Board's Rules at 22 TEX. ADMIN. CODE §213.30.
3. Petitioner's history reflects conduct which may constitute grounds for denial of a license under Section 301.452(b)(3)&(10), Texas Occupations Code.
4. The Board may probate the denial of a license under conditions for a specified term pursuant to Section 301.453, Texas Occupations Code.
5. The Board may license an individual who has been previously convicted, adjudged guilty by a court, pled guilty or pled nolo contendere to any crime whether or not a sentence was imposed upon consideration of the factors set out in 22 TEX. ADMIN. CODE §213.28 and evaluating the direct relationship to nursing according to 22 TEX. ADMIN. CODE §213.28 and, if applicable, Chapter 53, Section 53.001 *et seq.*, Texas Occupations Code.
6. The Board may license an individual who has a history of substance abuse and/or chemical dependency after consideration of the criteria set out in 22 TEX. ADMIN. CODE §213.29 if the Board determines the individual does not pose a direct threat to the health and safety of patients or the public.

7. The Board may license an individual with prior behaviors inconsistent with the Board's character requirements if, upon evaluation of the factors in 22 TEX. ADMIN. CODE §213.27, and pursuant to 22 TEX. ADMIN. CODE §213.33, the Board is satisfied that the individual is able to consistently conform conduct to the requirements of the Nursing Practice Act, the Board's Rules and Regulations, and generally accepted standards of nursing practice.
8. This Order is conditioned upon the accuracy and completeness of Petitioner's disclosures. Any subsequently discovered discrepancies will result in investigation and possible disciplinary action, up to revocation of Petitioner's license(s).

A Board representative may appear at the PETITIONER'S place of employment at any time during the stipulation period and require PETITIONER to produce a specimen for screening.

All screens shall be properly monitored and produced in accordance with the Board's policy on Random Drug Testing. A complete chain of custody shall be maintained for each specimen obtained and analyzed. PETITIONER SHALL be responsible for the costs of all random drug screening during the stipulation period.

Any positive result for which the nurse does not have a valid prescription or refusal to submit to a drug or alcohol screen may subject the nurse to further disciplinary action, including EMERGENCY SUSPENSION pursuant to Section 301.4551, Texas Occupations Code, or REVOCATION of Petitioner's license(s) and nurse licensure compact privileges, if any, to practice nursing in the State of Texas. Further, failure to report for a drug screen, excessive dilute specimens, or failure to call in for a drug screen may be considered the same as a positive result or refusal to submit to a drug or alcohol screen.

IT IS FURTHER AGREED, that upon full compliance with the terms of this Order, all encumbrances will be removed from PETITIONER'S license(s) to practice nursing in the State of Texas and PETITIONER shall be eligible for nurse licensure compact privileges, if any.

PETITIONER'S CERTIFICATION

I am the Petitioner in this matter. I have fully and truthfully disclosed all of my past conduct which could constitute grounds for licensure ineligibility, and I have caused a complete and accurate criminal history to be submitted to the Texas Board of Nursing from each jurisdiction in which I have been adjudged guilty by way of conviction or deferred order. I certify that my past behavior, except as disclosed in my application and/or petition, has been in conformity with the Board's character rule. I have provided the Board with complete and accurate documentation of my past conduct in violation of the penal law of any jurisdiction which was disposed of through any procedure short of conviction, such as: conditional discharge, deferred adjudication or dismissal. I have no criminal prosecution pending in any jurisdiction.

In connection with my application and/or petition, I acknowledge that I have read and I understand Sections 301.157(d), 301.252, 301.253, 301.257, 301.258, 301.260, 301.452, and 301.453, Texas Occupations Code, and Chapter 53, Section 53.001 *et seq.*, Texas Occupations Code, and 22 TEX. ADMIN. CODE §§213.27, 213.28, 213.29, and 213.30. I agree with all terms of this Order, including the Findings of Fact and Conclusions of Law and any stipulations as set out in this Order. I acknowledge that this Order is stipulated and I understand that I am not eligible to receive a Temporary Permit to practice nursing. I agree to inform the Board of any other fact or event that could constitute a ground for denial of licensure prior to accepting any license from the Texas Board of Nursing.

I understand that if I fail to comply with all terms and conditions of this Order, I will be subject to investigation and disciplinary sanction, including revocation of my license(s) to practice nursing in the State of Texas, as a consequence of my noncompliance.

I understand that I can be represented by an attorney in this matter. I waive representation, notice, administrative hearing, and judicial review of this Order and request that the Texas Board of Nursing ratify this Order.
