BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of § AGREED  
Registered Nurse License Number 733659 §  
issued to TONI CHRISTIAN HOLT § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of TONI CHRISTIAN HOLT, Registered Nurse License Number 733659, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on May 19, 2014.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from El Centro College, Dallas, Texas on December 15, 2005. Respondent was licensed to practice professional nursing in the State of Texas on September 14, 2006.
5. Respondent's nursing employment history includes:

9/2006 - 1/2007	RN	Veteran's Administration Hospital Dallas, Texas
-----------------	----	--

Respondent's nursing employment history continued:

1/2007 - 1/2008	RN	Select Specialty Hospital Dallas, Texas
2/2008 - 3/2009	RN	Enterprise Staffing Agency Dallas, Texas
3/2009 - 7/2009	RN	The Medical Center of Arlington Arlington, Texas
3/2009 - 2011	RN	Vitas Hospice Care Dallas, Texas
3/2012 - 5/2013	RN	Millwood Hospital Dallas, Texas
6/2013 - Present	Unknown	

6. On or about July 31, 2006, Respondent was issued an ORDER OF CONDITIONAL ELIGIBILITY by the Texas Board of Nursing. A copy of the Findings of Fact, Conclusions of Law and Order of Conditional Eligibility, dated July 31, 2006, is attached and incorporated by reference as part of this Order.
7. On or about November 8, 2011, Respondent's license to practice professional nursing in the State of Texas was issued the sanction of a WARNING WITH STIPULATIONS through an Agreed Order by the Board. A copy of the Agreed Order, including the Findings of Fact, Conclusions of Law, and Order dated November 8, 2011, is attached and incorporated by reference as part of this Order.
8. At the time of the initial incident, Respondent was employed as a RN with Millwood Hospital, Arlington, Texas, and had been in that position for one (1) year and one (1) month.
9. On or about April 27, 2013, while working as a RN at Millwood Hospital, Arlington, Texas, Respondent failed to immediately call Emergency Medical Services (EMS) when she found Patient Medical Record Number 000063694 unresponsive. In addition, she failed to contact the physician in a timely manner when she determined the patient's blood sugar level was seventeen (17) and the oxygen saturation level was seventy one percent (71%). Instead, Respondent administered Glucagon intravenously (IV), despite a facility policy disallowing the administration of IV medications, and without a physician's order. Respondent's conduct was likely to injure the patient from a delay in EMS interventions and from Glucagon being administered without a physician's expertise.

10. In response to Finding of Fact Number Nine (9), Respondent states that she found the patient unresponsive, called for a rapid response, retrieved the emergency medication kit, and then administered oxygen at 2.5 Liters and Glucagon intravenously. The patient began to arouse, her blood sugar increased to 30, and her oxygen saturation began to rise. Respondent states that she called for 911 assistance as soon as the patient failed to respond to the intended course of treatment. EMS arrived and transported the patient to the hospital. Respondent states that, later, the physician thanked her and congratulated her, and the director of nursing congratulated her for her actions, and said she may have saved the patient's life.

### CONCLUSIONS OF LAW

In the Matter of Registered Nurse           §       AGREED  
License Number 733659                       §  
issued to TONI CHRISTIAN HOLT           §       ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of TONI CHRISTIAN HOLT, Registered Nurse License Number 733659, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order offered on September 7, 2011, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from El Centro College, Dallas, Texas, on December 15, 2005. Respondent was licensed to practice professional nursing in the State of Texas on September 14, 2006.
5. Respondent's professional nursing employment history includes:

09/2006 - 01/2007	RN	Dallas Veterans Administration Hospital Dallas, Texas
-------------------	----	--

Respondent's professional nursing employment history continued:

01/2007 - 01/2008	RN	Select Specialty Hospital Dallas, Texas
02/2008 - 03/2009	RN	Enterprise Staffing Agency Dallas, Texas
03/2009 - 07/2009	RN	The Medical Center of Arlington Arlington, Texas
07/2009 - Present	Employment history unknown.	

6. On July 31, 2006, Respondent was issued an Order of Conditional Eligibility by the Board of Nurse Examiners for the State of Texas. A copy of the Findings of Fact, Conclusions of Law, and July 31, 2006, Conditional Order of Eligibility is attached and incorporated, by reference, as part of this Order.
7. At the time of the initial incident, Respondent was employed as a Registered Nurse with The Medical Center of Arlington, Arlington, Texas, and had been in this position for three (3) months.
8. On or about June 1, 2009 through June 14, 2009, while employed as a Registered Nurse with the Medical Center of Arlington, Arlington, Texas, Respondent withdrew Xanax, Phenergan, Tramadol, and Morphine from the Medication Dispensing System (Accudose) for patients, but failed to document, or accurately document the administration of the medication in the patients' Medication Administration Records and/or nurse's notes. Respondent's conduct was likely to injure the patients in that subsequent care givers would rely on her documentation to further medicate the patients which could result in an overdose.
9. On or about June 1, 2009 through June 22, 2009, while employed as a Registered Nurse with the Medical Center of Arlington, Arlington, Texas, Respondent withdrew Dilaudid, Xanax, Phenergan, Tramadol, and Morphine from the Medication Dispensing System (Accudose) for patients, but failed to follow the facility's policy and procedure for the wastage of any of the unused portions of the medications. Respondent's conduct was likely to deceive the hospital pharmacy and placed them in violation of Chapter 481 of the Texas Health and safety Code (controlled Substances Act).
10. On or about June 1, 2009 through June 22, 2009, while employed as a Registered Nurse with the Medical Center of Arlington, Arlington, Texas, Respondent misappropriated Dilaudid, Xanax, Phenergan, Tramadol, and Morphine belonging to the facility and patients thereof, or failed to take precautions to prevent such misappropriation. Respondent's conduct was likely to defraud the facility and patients of the cost of medications.

11. In response to Findings of Fact Numbers Eight (8) through Ten (10), Respondent states:  
"I deny all three formal charges and maintains that I voluntarily submitted to a drug screen when confronted by my employer and that such results were negative. I also maintain that I worked as the clinical coordinator at this facility and as such would sometimes be required to remove medications from the Accudose to assist other nurses. The other nurses were the primary care takers assigned to such patients and it was accordingly their responsibility to ensure such medications were properly documented and wasted. I believe that it is because of my role as clinical coordinator and the fact that I would assist other nurses by withdrawing medications that the applicable records suggest that I was deficient in my documentation and wastage or that I was misappropriating medications."
12. Formal Charges were filed on December 3, 2010.
13. Formal Charges were mailed to Respondent on December 6, 2010.

#### CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.11(1)(A),(B)&(D). and 22 TEX. ADMIN. CODE §217.12(1)(B),(4),(6)(G),(8),(10)(C),(10)(E)and(11)(B).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 733659, heretofore issued to TONI CHRISTIAN HOLT, including revocation of Respondent's license(s) to practice nursing in the State of Texas.

2. Petitioner waived representation, notice, administrative hearing, and judicial review.
3. Petitioner graduated with an Associate Degree in Nursing from El Centro College, Dallas, Texas, in December 2005.
4. Petitioner completed the Application for Licensure by Examination and answered "no" to Question Number One (1), which reads as follows: *"Have you been convicted, adjudged guilty by a court, pled guilty, no contest or nolo contendere to any crime in any state, territory or country, whether or not a sentence was imposed, including any pending criminal charges or unresolved arrests? This includes expunged offenses and deferred adjudication with or without prejudice of guilt."*

5. Petitioner failed to disclose the following criminal history, to wit:

On November 21, 1991, Petitioner was arrested for the misdemeanor offense of Carrying a Prohibited Weapon in Irving, Texas. In a written statement to the Board, Petitioner stated that she was ordered to pay a fine in the amount of twenty-five dollars (\$25.00).

6. There is no evidence of any subsequent criminal conduct.
7. In a written statement to the Board, Petitioner stated that she answered "no" to the criminal history question on her application because she does remember the judge telling her she may say that she has never been convicted of a crime.
8. Licensure of Petitioner poses no direct threat to the health and safety of patients or the public.
9. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of the information provided by Petitioner.

11. Petitioner has been advised that any information found to be incomplete, incorrect, or misleading will be considered and may result in an ultimate determination of ineligibility or the later revocation of a license obtained through misrepresentation.
12. On May 17, 2006, the Executive Director considered evidence of Petitioner's past behavior in light of the character factors set out in 22 Texas Administrative Code §213.27 and determined that Petitioner currently demonstrates the criteria required for good professional character.
