BEFORE THE TEXAS BOARD OF NURSING

issued to MICHAEL HARVEY GUERRA § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of MICHAEL HARVEY GUERRA, Registered Nurse License Number 730645, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(1),(9)&(10), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on August 28, 2017.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing and agreed to the entry of this Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received an Associate Degree in Nursing from Del Mar College, Corpus Christi, Texas, on May 14, 2004. Respondent was licensed to practice professional nursing in the State of Texas on July 6, 2006.
5. Respondent's nursing employment history includes:

| | | |

| 02/2012-Unknown | Staff Nurse | Care Regional Medical Center Aransas Pass, Texas |
|-----------------|-------------|---|

Respondent's employment history continued:

10/2015-Present

Home Therapies
Program Manger

Fresenius Kidney Care
Corpus Christi, Texas

6. On or about April 6, 2006, Respondent was issued the sanction of an ORDER OF CONDITIONAL ELIGIBILITY through an Order by the Board of Nurse Examiners for the State of Texas. A copy of the Findings of Fact, Conclusions of Law, and Agreed Order dated April 6, 2006, is attached and incorporated, by reference, as part of this Order.
7. On or about June 14, 2011, Respondent was issued the sanction of a SUSPEND/PROBATE through an Agreed Order by the Board. A copy of the Findings of Fact, Conclusions of Law, and Agreed Order dated June 14, 2011, is attached and incorporated, by reference, as part of this Order.
8. On or about September 10, 2013, Respondent was issued the sanction of an ENFORCED SUSPENSION through an Agreed Order by the Board. A copy of the Findings of Fact, Conclusions of Law, and Agreed Order dated September 10, 2013, is attached and incorporated, by reference, as part of this Order.
9. At the time of the initial incident, Respondent was employed as a Home Therapies Program Manager with Fresenius Kidney Care, Corpus Christi, Texas, and had been in that position for approximately two (2) years.
10. On or about December 28, 2015 through August 14, 2017, Respondent failed to comply with the Agreed Order issued to him on September 10, 2013, by the Texas Board of Nursing. Between December 28, 2015 and August 14, 2017, Respondent produced approximately seventeen (17) dilute specimens, which suggests attempts to avoid detection. Noncompliance is the result of Respondent's failure to comply with Stipulation Number Fifteen (15) of the order which reads, in pertinent part:

- (15) "RESPONDENT SHALL submit to random periodic screens for controlled substances, tramadol hydrochloride (Ultram), and alcohol. For the first three (3) month period, random screens shall be performed at least once per week. For the next three (3) month period, random screens shall be performed at least twice per month. For the next six (6) month period, random screens shall be performed at least once per month. For the remainder of the probation period, random screens shall be performed at least once every three (3) months. All random screens SHALL BE conducted through urinalysis. Screens obtained through urinalysis are the sole method accepted by the Board.

Any positive result for which the nurse does not have a valid prescription or refusal to submit to a drug or alcohol screen may subject the nurse to further

disciplinary action, including EMERGENCY SUSPENSION pursuant to Section 301.4551, Texas Occupations Code, or REVOCATION of Respondent's license(s) and nurse licensure compact privileges, if any, to practice nursing in the State of Texas. Further, failure to report for a drug screen, excessive dilute specimens, or failure to call in for a drug screen may be considered the same as a positive result or refusal to submit to a drug or alcohol screen."

11. On or about August 14, 2017, while employed with Fresenius Medical Care, Corpus Christi, Texas, Respondent engaged in the intemperate use of marijuana in that he produced a specimen for a drug screen which resulted positive for marijuana metabolite (THC). Possession of marijuana is prohibited by Chapter 481 of the Texas Health & Safety Code (Controlled Substance Act). The use of marijuana by a Registered Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decision regarding patient care, thereby placing the patient in potential danger.
12. On or about August 14, 2017, Respondent failed to comply with the Agreed Order issued to him on September 10, 2013, by the Texas Board of Nursing. On or about August 14, 2017, while employed with Fresenius Medical Care, Corpus Christi, Texas, Respondent produced urine specimens for a random drug screen that resulted positive for Marijuana Metabolite (THC). Noncompliance is the result of Respondent's failure to comply with Stipulation Number Fourteen (14) of the order which reads, in pertinent part:
 - (14) "RESPONDENT SHALL abstain from the consumption of alcohol, Nubain, Stadol, Dalgan, Ultram, or other synthetic opiates, and/or the use of controlled substances, except as prescribed by a licensed practitioner for a legitimate purpose. If prescribed, RESPONDENT SHALL CAUSE the licensed practitioner to submit a written report identifying the medication, dosage and the date the medication was prescribed. The report shall be submitted directly to the office of the Board by the prescribing practitioner, within ten (10) days of the date of the prescription. In the event that prescriptions for controlled substances are required for periods of two (2) weeks or longer, the Board may required the RESPONDENT SHALL submit to an evaluation by a Board approved physician specializing in Pain Management or Psychiatry. The performing evaluator will submit a written report to the Board's office, including results of the evaluation, clinical indications for the prescriptions, and recommendations for on-going treatment within thirty (30) days from the Board's request."
13. Respondent's last known date of sobriety is August 14, 2017, as indicated in Finding of Fact Number Eleven (11).

14. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555 , the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.12(11)(B).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(1),(9)&(10), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 730645, heretofore issued to MICHAEL HARVEY GUERRA, including revocation of Respondent's license(s) to practice nursing in the State of Texas.

6. On April 6, 2006, Respondent was issued an Order of Conditional Eligibility by the Texas Board of Nursing that required him to participate and successfully complete the Texas Peer Assistance Program for Nurses (TPAPN). A copy of the April 6, 2006, Order, Findings of Fact, and Conclusions of Law is attached and incorporated, by reference, as part of this Order.

He became aware that some of the items prepared in the past by that family member were “spiked” and didn't think until after the fact. Ironically, he was not intending to ingest THC. He is truly sorry for his actions. He hasn't been anything but sober, on or off duty, until this isolated error of judgment after several years of sobriety and countless meetings.
12. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

13. Formal Charges were filed on April 5, 2013.

Executive Director of the Board

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse § AGREED
License Number 730645 § ORDER
issued to MICHAEL HARVEY GUERRA §

On this day the Texas Board of Nursing, hereinafter referred to as the B. considered the matter of MICHAEL HARVEY GUERRA, Registered Nurse License Nu 730645, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(1)&(10), Texas Occupations Code. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order offered on April 20, 2011, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from Del Mar College, Corpus Christi, Texas, on May 14, 2004. Respondent was licensed to practice professional nursing in the State of Texas on July 6, 2006.
5. Respondent's professional nursing employment history is unknown.
6. On or about April 6, 2006, Respondent was issued an ORDER OF CONDITIONAL ELIGIBILITY, by the Board of Nurse Examiners for the State of Texas, Austin, Texas. A copy of the Findings of Fact, Conclusions of Law and Order is attached and incorporated, by reference, as part of this Order.

7. On or about February 20, 2009, Respondent became non-compliant with the Agreed Order issued to him by the Board of Nurse Examiners for the State of Texas on April 6, 2006. Non-compliance is the result of his failure to call the drug test line as required by the Texas Peer Assistance Program for Nurses (TPAPN). Stipulation number three (3) of the Agreed Order dated April 6, 2006 states:

"PETITIONER SHALL comply with all requirements of the TPAPN contact during its term."

8. In response to Finding of Fact Number Seven (7), Respondent states:

"1. [Respondent] faithfully maintained sobriety and has dutifully complied with the requirements of TPAPN and has been monitored by the Board for several years.

2. [Respondent] attempted to sign on at the TPAPN site and encountered difficulty electronically at least twice prior to the closing of the TPAPN case on August 4, 2009.

3. [Respondent] has successfully reported several hundred times via the TPAPN online and phone system and his failure to log on less than .033% over the years was not due to conscious indifference but due to an honest mistake. Also, the 2 pm deadline missed was due in part to the problem with logging on the TPAPN site and an unusually hectic assignment load.

4. Relief Sought: [Respondent] respectfully requests that the Board consider placing him back on the TPAPN program. The TPAPN program for [Respondent] would have terminated at or around March 2010 and he respectfully requests that he be given the opportunity to terminate the TPAPN program and demonstrate his lifelong commitment to sobriety which he has maintained and will continue to do so, for his nursing career and the remainder of his life."

9. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(1)&(10), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.12(9)&(11)(B).

4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 730645, heretofore issued to MICHAEL HARVEY GUERRA, including revocation of Respondent's license to practice professional nursing in the State of Texas.

FINDINGS OF FACT

1. On or about February 17, 2004, Petitioner submitted an Application for Initial Licensure by Examination requesting a determination of eligibility for licensure in compliance with Section 301.257 *et seq.*, Texas Occupations Code.
2. Petitioner waived representation, notice, administrative hearing, and judicial review.
3. Petitioner graduated with an Associate Degree in Nursing from Del Mar College, Corpus Christi, Texas, in May 2004.
4. Petitioner completed the Petition for Declaratory Order and answered "yes" to Question Number One (1), which reads as follows: *"Have you been arrested in any state, territory, or country, including expunged offenses and deferred adjudication with or without prejudice of guilt for anything other than a minor traffic violation?"* and Question Number Two (2), which reads as follows: *"Have you been convicted, adjudged guilty by a court, pled guilty or pled nolo contendere to any crime whether or not a sentence was imposed?"*
5. Petitioner disclosed the following criminal history, to wit:
 - A. On December 11, 1995, Petitioner was charged with the state jail felony offense of Criminal Mischief in the 28th District Court of Nueces County, Texas. Petitioner was granted a pretrial diversion agreement with proceedings being deferred for one (1) year and charges dismissed upon completion.
 - B. On February 19, 2001, Petitioner was arrested for the misdemeanor offense of Driving While License Suspended. On July 30, 2001, in the County Court at Law No. 2 of Nueces County, Texas, Petitioner was granted a motion to dismiss the charge as a plea bargain for the charges of Theft and Possession of Marijuana.
 - C. On July 30, 2001, Petitioner was charged with the misdemeanor offense of Theft in the County Court at Law No. 2 of Nueces County, Texas. Petitioner entered a plea of nolo contendere and proceedings were deferred without adjudication of guilt and Petitioner was sentenced to nine (9) months probation. On May 2, 2002, Petitioner was discharged from probation.
 - D. On July 30, 2001, Petitioner was charged with the misdemeanor offense of Possession of Marijuana in the County Court at Law No. 2 of Nueces County, Texas. Petitioner entered a plea of nolo contendere and proceedings were deferred without adjudication of guilt and Petitioner was sentenced to nine (9) months probation. On May 2, 2002, Petitioner was discharged from probation.
6. There is no evidence of any subsequent criminal conduct.

7. On July 30, 2004, Petitioner was seen by Antoinette R. Cicerello, Ph.D., Forensic Psychology Associate of Texas, Richardson, Texas, to undergo a forensic psychological evaluation to include a chemical dependency evaluation and polygraph examination. The results of the evaluation indicates that Petitioner currently meets the criteria for alcohol and marijuana abuse, with most recent use a few months ago. Due to Petitioner's current use and criminal conduct, Dr. Cicerello cannot recommend that Petitioner would consistently behave in accordance with the Board's Rules.

Dr. Cicerello recommends that Petitioner undergo intensive outpatient substance abuse treatment and show that he can maintain avoidance of criminal conduct for a substantial period of time, followed by a repeat forensic psychological evaluation with a chemical dependency component and polygraph examination.

8. To comply with the recommendation made by Dr. Cicerello, a letter was submitted to the Board by James E. Sandoval, MS, LCDC, The Council on Alcohol & Drug Abuse, Coastal Bend, Corpus Christi, Texas stating that on February 8, 2005, Petitioner successfully completed the Intensive Outpatient Access Drug & Alcohol Counseling Program. Mr. Sandoval stated that Petitioner was an asset to the group through consistent attendance, participation and a willingness to work with the staff and other clients in the pursuit of abstinence from all mood altering chemicals.
9. On October 5, 2005, Petitioner was seen by Troy Martinez, Psy.D., Corpus Christi, Texas, to undergo a forensic psychological evaluation to include a chemical dependency component and a polygraph examination. The results of the evaluation found no indications of clinically significant mood disturbances, personality dysfunction, or more severe forms of psychopathology. Petitioner's history is clear for poly-substance abuse, including alcohol, with a preference to marijuana; however, Petitioner indicated no use within the past twelve (12) months, with findings supported through a polygraph examination.

Dr. Martinez does not see any other meaningful mental health issues contributing to substance use. Further, general stress does not appear to be a significant precipitation trigger to his past substance abuse. Instead, past drug and alcohol abuse seems most clearly reflective of over-learned, socialized behavior. Despite Petitioner's abstinence over the past several months, Dr. Martinez would recommend community substance abuse treatment, random drug screening, and a referral to TPAPN for a reasonable period of time should the Board further consider his eligibility for licensure.

With Petitioner's willingness and ability to remain abstinent from substances of abuse, Dr. Martinez believes that Petitioner is capable of conducting himself in accordance with the requirements of Rules 213.27 - 213.29 at 22 TAC, consistently behaving in accordance with the minimal standards set by the Board's Rules 217.11 at 22 TAC, staying in accordance with generally accepted nursing standards and avoiding behaviors identified as constituting unprofessional misconduct.

10. Petitioner presented evidence of current fitness to practice professional nursing.
11. The Board received letters of support/recommendation for Petitioner from the following:
 - A letter of reference dated September 18, 2002, was submitted to the Board by Petitioner from Richard G. Campbell, Emergency Department, Spohn Hospital, Corpus Christi, Texas.
 - A letter of reference dated September 26, 2002, was submitted to the Board by Petitioner from Lyle T. Mathews, RN, Director of Emergency Services, Christus Spohn South Hospital, Corpus Christi, Texas.
 - A letter of reference dated October 1, 2002, was submitted to the Board by Petitioner from Mark E. Greenlee, MD, Spohn South Emergency Department, Corpus Christi, Texas.
 - A letter of reference dated December 19, 2003, was submitted to the Board by Petitioner from Theresa Morse, Assistant Professor, Del Mar College, Corpus Christi, Texas.
 - A letter of recommendation dated February 9, 2004, was submitted to the Board on behalf of Petitioner by Shari Stoops, MSN, RN, Del Mar College, Corpus Christi, Texas.
 - A letter of recommendation dated August 3, 2004, was submitted on behalf of Petitioner by J. Wally Fears, RN, CEN, Clinical Educator Emergency Services Department, Christus Spohn South Hospital, Corpus Christi, Texas.
 - A letter of reference dated August 3, 2004, was submitted on behalf of Petitioner by Mark S. Renner, RN, Christus Spohn South Hospital, Corpus Christi, Texas.
