BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of § AGREED  
Vocational Nurse License Number 304848 §  
issued to LAUREN CACY BECKER § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of LAUREN CACY BECKER, Vocational Nurse License Number 304848, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on July 12, 2017.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Clarendon College, Clarendon, Texas, on December 1, 2011. Respondent was licensed to practice vocational nursing in the State of Texas on January 3, 2012.
5. Respondent's nursing employment history includes:
 

12/11 - 05/12	LVN	Childer's Place Amarillo, Texas
---------------	-----	------------------------------------

Respondent's nursing employment history continued:

05/12 - 05/15	LVN	Ussery-Roan Texas State Veterans Home Amarillo, Texas
05/15 - 06/16	LVN	Plum Creek Healthcare Center Amarillo, Texas
01/16 - 08/16	LVN ER TECH	Neighbors Emergency Center Amarillo, Texas
01/17 - 04/17	LVN	Texas Tech University Health Sciences Center Amarillo, Texas
04/17 - Present	Unknown	

6. At the time of the incident, Respondent was employed as a Licensed Vocational Nurse with Texas Tech University Health Sciences Center Correctional Managed Health Care, Amarillo, Texas, and assigned to the William P. Clements Jr Correctional facility, Amarillo, Texas, and had been in that position for two (2) months.
7. On or about April 19, 2017, while employed as a Licensed Vocational Nurse with Texas Tech University Health Sciences Center Correctional Managed Health Care, Amarillo, Texas, and assigned to the William P. Clements Jr Correctional facility, Amarillo, Texas, Respondent intentionally ran into the food tray slot with her knee hitting the hand of TDJC #1597497. Subsequently, surveillance camera captured the incident in question. Respondent's conduct was likely to cause emotional, physical, and/or psychological harm to the patient and could have interfered or disrupted this patient's treatment.
8. In response to Finding of Fact Number Seven (7), Respondent states on April 19, 2017, she did intentionally attempt to shut a door slot with her knee on Echo Pod in the Extended Cell Block (23-hour maximum security lock up). Respondent states she felt the action was warranted by the fact that Offender #1597497 had "jacked" the slot open and had his head, arm, and shoulder out of the cell. Respondent states she takes full responsibility for what she did, but it was a defensive reaction to secure the area in front of the cell E109 and make it safe to give the offender his medication. Respondent states she was forced to use her knee because her hands were holding the medication binder and the officer made no attempt to rectify the situation. Respondent states the only reason she reacted this way must have been out of fear that she would be assaulted by the offender. Respondent states she was not successful in closing the slot as the offender in question was bracing it open with his left arm and lunged his right arm out, grabbing her right thigh causing scrapes and bruising. Respondent states the allegation that the offender's hand could be hit by the slot is false as one hand was on her and the other was bracing the slot open. Respondent states looking back

she realizes now she should had just left the pod when she realized how unsafe the situation was at the time.
