Consequences of Positive or Missed Screens. Any positive result for which RESPONDENT does not have a valid prescription or refusal to submit to a drug or alcohol screen may subject RESPONDENT to further disciplinary action, including TEMPORARY SUSPENSION pursuant to Section 301.4551, Texas Occupations Code, or REVOCATION of Respondent's license(s) and nurse licensure compact privileges, if any, to practice nursing in the State of Texas. Further, failure to report for a drug screen, excessive dilute specimens, or failure to call in for a drug screen may be considered the same as a positive result or refusal to submit to a drug or alcohol screen.

RESPONDENT SHALL CAUSE the therapist to submit written reports, on forms provided by the Board, as to the RESPONDENT'S progress in therapy, rehabilitation and capability to safely practice nursing. The report must indicate whether or not the RESPONDENT'S stability is sufficient to provide direct patient care safely. For the first three (3) month quarterly period RESPONDENT works as a nurse under the terms of this Order, reports are to be submitted to the Board each and every month. If therapy is recommended by the counselor for an additional period of time, the reports shall then be submitted to the Board at the end of each three (3) month quarterly period in which the RESPONDENT is working as a nurse under the terms of this Order, for the remainder of the term of the Order, or until RESPONDENT is dismissed from therapy, whichever is earlier.

As a result of the conviction, Petitioner was sentenced to confinement in the Bexar County Jail for a period of six (6) months; however, the imposition of sentence of confinement was suspended, and Petitioner was placed on probation for a period of one (1) year. Additionally, Petitioner was ordered to pay a fine and court costs. Petitioner was released from probation on May 1, 2008.
