BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Registered Nurse License Number 743863 §
issued to AMANDA MARIE DICKSON § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of AMANDA MARIE DICKSON, Registered Nurse License Number 743863, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(1)&(10), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on May 18, 2018.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing and agreed to the entry of this Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received a Baccalaureate Degree in Nursing from the University of Texas-Medical Branch, Galveston, Texas, on April 20, 2007. Respondent was licensed to practice professional nursing in the State of Texas on July 3, 2007.
5. Respondent's nursing employment history includes:

08/2016 - Present Infusion RN Soleo Health
Houston, Texas

6. On or about May 9, 2017, Respondent was issued the sanction of a REPRIMAND WITH STIPULATIONS through an Agreed Order by the Board. A copy of the Findings of Fact, Conclusions of Law, and Agreed Order dated May 9, 2017 is attached and incorporated, by reference, as part of this Order.
7. At the time of the initial incident, Respondent was employed as an Infusion RN with Soleo Health, Houston, Texas, and had been in that position for approximately eleven (11) months.
8. On or about June 4, 2017 through December 31, 2017, while employed with Soleo Health, Houston, Texas, Respondent failed to comply with the Agreed Order issued to her on May 9, 2017, by the Texas Board of Nursing. Non-compliance is the result of Respondent's failure to comply with Section V, subsection B of the Terms of Order which reads, in pertinent part:

- B. While working as a nurse under the terms of this Order, RESPONDENT SHALL submit to random periodic screens for alcohol, tramadol, and controlled substances...

Consequences of Positive or Missed Screens. Any positive results for which RESPONDENT does not have a valid prescription or refusal to submit to a drug or alcohol screen may subject RESPONDENT to further disciplinary action, including TEMPORARY SUSPENSION pursuant to Section 301.4551, Texas Occupations Code, or REVOCATION of Respondent's license(s) and nurse licensure compact privileges, if any, to practice nursing in the State of Texas. Further, failure to report for a drug screen, excessive dilute specimens, or failure to call in for a drug screen may be considered the same as a positive result or refusal to submit to a drug or alcohol screen.

On or about June 4, 2017 through December 31, 2017, Respondent missed approximately twenty-six (26) check-ins.

9. On or about August 9, 2017 and November 9, 2017, while employed with Soleo Health, Houston, Texas, Respondent failed to comply with the Agreed Order issued to her on May 9, 2017, by the Texas Board of Nursing.  - C. While under the terms of this Order, RESPONDENT SHALL attend at least two (2) support group meetings each week, one of which must be for substance abuse and provided by Alcoholics Anonymous, Narcotics Anonymous, or another comparable recovery program that has been pre-approved by the Board. RESPONDENT SHALL provide acceptable

evidence of attendance. Acceptable evidence shall consist of a written record of at least: the date of each meeting; the name of each group attended; and the signature and printed name of the chairperson of each group attended by RESPONDENT. RESPONDENT SHALL submit the required evidence on the forms provided by the Board at the end of every three (3) month quarterly period. No duplications, copies, third party signatures, or any other substitutions will be accepted as evidence.

Non-compliance is the result of Respondent's failure to submit evidence of support group attendance for the periods of August 9, 2017 and November 9, 2017.

10. In response to Findings of Fact Number Eight (8), Respondent states she takes medications which sometimes have complications. Often, she intends to do something, and gets side tracked, thinking she has completed the task. This has caused issues with logging in. In response to Findings of Fact Number Nine (9), Respondent states she turned in the documents.
11. On March 28, 2018, Respondent completed a nursing jurisprudence and ethics course, which would have been a requirement of this Order.

2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.12(11)(B).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(1)&(10), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 743863, heretofore issued to AMANDA MARIE DICKSON, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.

If prescribed, RESPONDENT SHALL CAUSE the licensed practitioner to submit a written report identifying the medication, dosage and the date the medication was prescribed. The report shall be submitted directly to the office of the Board by the prescribing practitioner, within ten (10) days of the date of the prescription. In the event that prescriptions for controlled substances are required for periods of two (2) weeks or longer, the Board may require and RESPONDENT SHALL submit to a pain management and/or chemical dependency evaluation by a Board approved evaluator. The performing evaluator must submit a written report meeting the Board's requirements to the Board's office within thirty (30) days from the Board's request.

Executive Director of the Board

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Registered Nurse License Number 743863 §
issued to AMANDA MARIE DICKSON § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of AMANDA MARIE DICKSON, Registered Nurse License Number 743863, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(12), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on February 1, 2017.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing and agreed to the entry of this Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received a Baccalaureate in Nursing from the University of Texas Medical Branch, Galveston, Texas, on April 20, 2007. Respondent was licensed to practice professional nursing in the State of Texas on July 3, 2007.
5. Respondent's professional nursing employment history includes:

5/2007 - 12/2010	GN/RN	University of Texas Medical Branch Galveston, Texas
------------------	-------	---

Respondent's professional nursing employment history continued:

1/2011 - 7/2011	Unknown	
8/2011 - 2/2012	RN	Bayshore Medical Center, Pasadena, Texas
3/2012 - 6/2015	Unknown	
7/2015 - Present	Medical Assistant	Pasadena Health Center Pasadena, Texas

6. At the time of the incident, Respondent was employed as a Registered Nurse with Bayshore Medical Center, Pasadena, Texas, and had been in that position for five (5) months.
7. On or about September 17, 2010, Respondent was referred to the Texas Peer Assistance Program for Nurses (TPAPN) for voluntary participation based upon allegations of drug diversion from her workplace and a diagnosis of opiate abuse. Respondent began participation in TPAPN in September 2010, but was unable to complete the program, and was referred back to the Board on July 29, 2014. Respondent's conduct may indicate a lack of current fitness to practice nursing with reasonable skill and safety. Further, the use of Opiates by a Registered Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.
8. In response to Finding of Fact Number Seven (7), Respondent states she sought inpatient care in a drug rehabilitation facility followed by three (3) months of outpatient care. Respondent adds that she has remained clean for four (4) years. In that four (4) years she has remained in the care of a psychiatrist at the Gulf Coast Center, Galveston, Texas. Respondent states she has never missed an appointment and has been compliant with all care.
9. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.
10. Formal Charges were filed on March 18, 2016.
11. Formal Charges were mailed to Respondent on March 24, 2016.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555 , the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B)&(1)(T) and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B),(4)&(5).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)&(12), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 743863, heretofore issued to AMANDA MARIE DICKSON, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
