## BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of	§	AGREED
Registered Nurse License Number 743582	§	
& Vocational Nurse License Number 193689	§	
issued to KATHLEEN ANN GADDY	§	ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of KATHLEEN ANN GADDY, Registered Nurse License Number 743582 and Vocational Nurse License Number 193689, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on May 31, 2018.

### FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Frank Phillips College, Borger, Texas, on May 18, 2004, and received a Baccalaureate Degree from West Texas A&M University, Canyon, Texas, on May 12, 2007. Respondent was licensed to practice vocational nursing in the State of Texas on June 17, 2004, and was licensed to practice professional nursing in the State of Texas on June 28, 2007.

5. Respondent's nursing employment history includes:

05/04-02/05	LVN	Country Club Nursing & Rehab Amarillo, Texas
03/05-04/06	Unknown	
05/06-10/06	LVN	Amarillo Nursing Center Amarillo, Texas
10/06-03/07	LVN	Northwest Texas Healthcare System Amarillo, Texas
04/07-08/16	RN	Golden Plains Community Hospital Borger, Texas
08/16-Present	RN	Caprock Nursing and Rehab Borger, Texas

6. At the time of the incident, Respondent was employed as a Nurse Manager with Golden Plains Community Hospital, Borger, Texas, and had been in that position for nine (9) years and four (4) months.
7. On or about August 17, 2016, while employed as Nurse Manager with Golden Plains Community Hospital, Borger, Texas, Respondent failed to notify the physician that Patient Medical record Number 20193889, was experiencing increased agitation and was trying to extubate herself, and instead administered propofol, via intravenous push (IVP), to the patient who was already receiving propofol via intravenous drip, without a physician's order for the additional IVP dose. Subsequently, the patient became unresponsive and had to be resuscitated. The Respondent failed to document the administration of propofol IVP in the patient's medication administration record and/or nurses notes. Respondent's conduct was likely to injure the patient in that the administration of propofol outside the parameters of the physician's order could result in the patient suffering from adverse reactions, created an incomplete medical record, and was likely to injure the patient in that subsequent care givers did not have accurate and complete information on which to base their decisions for further care.
8. In response to Finding of Fact Number Seven (7), Respondent admits she did administer propofol intravenous push to the patient. The patient was highly agitated and attempting to extubate herself. Respondent understands this does not mitigate her actions and she should have obtained the order from the physician immediately after the incident. Respondent states the patient successfully recovered. She acknowledges she should not have given any medication without a doctor's order and that her facility does not allow an ICU nurse to push propofol.

9. Formal Charges were filed on April 6, 2017.
10. Formal Charges were mailed to Respondent on April 11, 2017.

### CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B),(1)(C)(1)(D)&(1)(M) and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 743582 and Vocational Nurse License Number 193689, heretofore issued to KATHLEEN ANN GADDY, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
