BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of § AGREED  
Registered Nurse License Number 711797 §  
issued to SUSAN MARIE GIBSON § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of SUSAN MARIE GIBSON, Registered Nurse License Number 711797, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on June 4, 2018.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received a Certificate in nursing from North Orange County Regional Occupational Program (ROP), Anaheim, California, in 1996, and received an Associate Degree in nursing from Santa Ana College, Santa Ana, California on December 21, 2001. Respondent was licensed to practice professional nursing in the State of Texas on December 10, 2004.

5. Respondent's nursing employment history includes:

1995-Unknown	California LPN	West Anaheim Medical Center Anaheim, California
9/2002 - 9/2004	Registered Nurse	Children's Hospital of Orange County Orange, California
10/2004	Unknown	
11/2004 - 10/2017	Registered Nurse	Driscoll Children's Hospital Corpus Christi, Texas
11/2017 - Present	Unknown	

6. At the time of the initial incident, Respondent was employed as a Registered Nurse with Driscoll Children's Hospital, Corpus Christi, Texas, and had been in that position for nine (9) years.
7. On or about November 8, 2013, through November 9, 2013, while employed as a Registered Nurse by Driscoll Children's Hospital, Corpus Christi, Texas, Respondent failed to notify the physician when Patient Medical Record Number 288834, who was admitted for complications after a kidney biopsy, had no urine output for four (4) hours during her shift. The next shift notified the nephrologist and the patient required surgical intervention due to a clot blocking urine flow. Respondent's conduct delayed the onset of medical intervention that was needed to prevent further complications.
8. On or about December 22, 2015, through December 23, 2015, while employed as a Registered Nurse by Driscoll Children's Hospital, Corpus Christi, Texas, Respondent failed to assess and/or accurately and completely document the neurovascular status of Patient Medical Record Number 645083's lower extremities. Respondent's conduct deprived the patient of detection and timely intervention in the event the patient experienced complications from a cast to his bilateral lower extremities. In addition, Respondent's conduct was likely to injure the patient in that subsequent care givers would rely on her documentation to further care for the patient.
9. On or about June 12, 2016, through June 13, 2016, while employed as a Registered Nurse by Driscoll Children's Hospital, Corpus Christi, Texas, Respondent failed to notify Patient Medical Record Number 116754's physician when she was unable to obtain a blood pressure reading at 8:20pm, when the patient had blood pressures of 150/102 at 10:15pm and 153/92 at 11:25pm, nor when his blood pressure was unobtainable at 3:33am the following morning. Respondent's conduct was likely to injure the patient from complications of continued high blood pressure and deprived the physician of the opportunity to institute timely medical

interventions.
