issued to JULIANNE VENISE JEFFERSON § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of JULIANNE VENISE JEFFERSON, Vocational Nurse License Number 140192, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. 6. At the time of the incident, Respondent was employed as a Licensed Vocational Nurse with At Home Healthcare, Tyler, Texas, and had been in that position for seven (7) months.
7. On or about March 27, 2017, through April 6, 2017, while employed as a Licensed Vocational Nurse with At Home Healthcare, Tyler, Texas, and assigned to provide private duty nursing, Respondent falsified patient care documentation in the medical record of Patient E.V., documenting that she provided care to the patient at the patient's home, when the patient was in Cook Children's Medical Center, Fort Worth, Texas. Additionally, Respondent falsified the signatures of the patient's caregivers to confirm the visits. Respondent's conduct resulted in an inaccurate medical record and was likely to defraud and deceive the facility of money paid to the Respondent for hours not actually worked. In addition, Respondent's conduct was likely to injure the patient in that subsequent care givers would rely on her documentation for further care.
8. In response to Finding of Fact Number Seven (7), Respondent states she does not recall the exact dates the patient was hospitalized, but she believes either the agency may have the incorrect dates or she may have mistakenly written the wrong dates on her paper work. Respondent states she did not work when the patient was in the hospital, and she documented care when she saw the patient. Respondent states she always obtained a signature from the family after completing her shift.
