AGREED ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of ROBERT JOHNSON, Vocational Nurse License Number 225993, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on September 21, 2018.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Cisco College, Abilene, Texas, on December 11, 2008. Respondent was licensed to practice vocational nursing in the State of Texas on December 29, 2009.
5. Respondent's nursing employment history includes:

12/2009 – 5/2018

Charge Nurse

The Oaks of Radford Hills
Abilene, Texas

Respondent's nursing employment history continued:

6/2018 - Present

Unknown

6. At the time of the incident in Finding of Fact Number Seven (7), Respondent was employed as a Charge Nurse with The Oaks of Radford Hills, Abilene, Texas, and had been in that position for eight (8) years and three (3) months.
7. On or about March 18, 2018, while employed as a Charge Nurse with The Oaks of Radford Hills, Abilene, Texas, Respondent failed to fully assess and timely document the status of Resident RG during his 6 am to 6 pm shift when he sent a non-emergent notification to the physician regarding dry heaves, emesis, diarrhea, blood glucose, little food intake, and vital signs. In addition, Respondent failed to call the physician and the Director of Nursing (DON) when the resident complained of continued weakness, nausea with vomiting and dry heaves, and when he was unable to obtain a pulse oxygenation. The aforementioned resident was found at 8:20 pm with no pulse or respirations. Respondent's conduct resulted in an incomplete medical record, and was likely to injure the patient in that significant changes in the patient's status may have gone undetected and deprived the physician the opportunity to institute timely medical interventions.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states that the resident was having diarrhea that morning as he had the day before. Respondent relates he notified the DON of the diarrhea and his normal vital signs, and she told him to hold the resident's blood pressure (BP) and diabetic medication, and to monitor him. Respondent indicates that around 4:30 pm the resident was a little restless, and said his bottom hurt due to a pressure ulcer on his coccyx. Respondent explains that he repositioned him, obtained his blood sugar and vitals, which were within normal limits for this resident, but was unable to obtain an oxygen reading due to his disease process, and documented this. Respondent adds that this wasn't the first time he was unable to obtain an oxygen saturation reading, he had no signs of shortness of breath, so didn't feel the need to call the physician or DON. Respondent states that he would usually go back later to try to get the oxygen level and it would be fine, but due to attending to other residents, and pressure to clock out, he didn't return to attempt to get the oxygen level, but did pass it on to the oncoming nurse. Respondent indicates that when he left the resident around 5 pm he was comfortable and resting quietly with no signs of distress. Respondent explains that he documented what was appropriate, and if he missed anything, it was not on purpose.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.

2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11 (1)(A),(1)(B),(1)(D),(1)(M),(1)(P)&(2)(A) and 22 TEX. ADMIN. CODE §217.12 (1)(A),(1)(B)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b) (10)&(13), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 225993, heretofore issued to ROBERT JOHNSON.
5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
