AGREED ORDER

Respondent's nursing employment history continued:

3/2017 – 12/2017	LVN/PRN	Building Hope Medical Staffing Coppell, Texas

7/2018 – Present	Unknown	

- 6. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse with Benbrook Nursing and Rehabilitation, Benbrook, Texas, and had been in that position for two (2) months.
- 7. On or about March 14, 2018, and April 18, 2018, while employed as a Licensed Vocational Nurse with Benbrook Nursing and Rehabilitation, Benbrook, Texas, Respondent administered Morphine Sulfate Solution to Resident BB in excess frequency and/or dosage of the physician's orders, in that the physician's orders were for 0.25ml every four (4) hours and Respondent documented administering 1ml to the resident on two (2) occasions. Respondent's conduct was likely to injure the patient in that the administration of medication in excess frequency and/or dosage of the physicians' orders could result in the patient suffering from adverse reactions. Additionally, Respondent's conduct placed the facility in violation of Chapter 481 (Controlled Substances Act) of the Texas Health and Safety Code.

On or about June 23, 2018, while employed as a Licensed Vocational Nurse with Benbrook Nursing and Rehabilitation, Benbrook, Texas, Respondent escorted a non-employee into residents' rooms without the residents' consent or facility approval. Furthermore, the incident was captured on video surveillance and Respondent told facility staff the non-employee was her friend. Respondent's conduct exposed the residents unnecessarily to a risk of harm from the unlawful use of and/or disclosure of their confidential medical information without their written authorization and placed the facility in violation of HIPAA (The Health Insurance Portability and Accountability Act).

- 9. In response to Finding of Fact Number Seven (7), Respondent denies the allegation and states she always checked the physician's orders before administering any medications. In regards to Finding of Fact Number Eight (8), Respondent states she allowed a close friend into the facility during her shift, but never escorted her friend into any residents' rooms. Respondent recalls one (1) occasion when she went into a resident's room and her friend followed her into the room. Respondent relates she immediately instructed her friend to exit the room and that she could not be in there. Respondent states she now realizes that having her friend visit her at the facility was a bad decision.
- 10. Formal Charges were filed on October 18, 2018.
