§ BOARD OF NURSING

ORDER OF TEMPORARY SUSPENSION

TO: RHONDA GRAHAM
755 CR 407
BAY CITY, TEXAS 77414

A public meeting of the Texas Board of Nursing was held on April 8, 2019 at 333 Guadalupe, Room 3-460, Austin, Texas, in which the Temporary Suspension of Permanent Vocational Nurse License Number 130035, issued to RHONDA DIANE GRAHAM was considered pursuant to Section 301.4551, TEXAS OCCUPATIONS CODE. Staff of the Texas Board of Nursing appeared and presented evidence and information concerning the conduct of RHONDA DIANE GRAHAM and whether her continued practice as a nurse would constitute a continuing and imminent threat to the public welfare.

After review and due consideration of the evidence and information presented, the Board finds that the following charge is substantiated:

On or about February 25, 2019, Respondent failed to comply with the Agreed Order issued to her on October 25, 2018, by the Texas Board of Nursing. On or about February 25, 2019, Respondent produced a specimen for a random drug screen, which resulted positive for Hydrocodone 1395 ng/ml, Methodone 363 ng/ml, and Methadone Metabolite (EDDP) 229 ng/ml. Noncompliance is the result of Respondent's failure to comply with Stipulation Seven (VII), Subsection (A), of the Agreed Order, which reads:

(A). While under the term of this Order, RESPONDENT SHALL abstain from the use of alcohol, nalbuphine, propofol and all controlled substances, except as prescribed by a licensed practitioner for a legitimate purpose.

The Texas Board of Nursing further finds that, given the nature of the charges concerning her fitness to practice, the continued practice of nursing by RHONDA DIANE GRAHAM constitutes a continuing and imminent threat to public welfare and that the temporary suspension of Permanent Vocational Nurse License Number 130035, is justified pursuant to Section 301.4551, TEXAS OCCUPATIONS CODE.

NOW, THEREFORE, IT IS ORDERED that Permanent Vocational Nurse License Number 130035, issued to RHONDA DIANE GRAHAM, to practice nursing in the State of Texas be, and the same is/are, hereby SUSPENDED IMMEDIATELY in accordance with Section 301.4551, TEXAS OCCUPATIONS CODE.

IT IS FURTHER ORDERED that a probable cause hearing be conducted in accordance with Section 301.455(c) not later than seventeen (17) days following the date of the entry of this order, and a final hearing on the matter be conducted in accordance with 301.455(d) not later than the 61st day following the date of the entry of this order.

Further, a Board representative may appear at the RESPONDENT'S place of employment at any time during the probation period and require RESPONDENT to produce a specimen for screening.

Consequences of Positive or Missed Screens. Any positive result for which RESPONDENT does not have a valid prescription or refusal to submit to a drug or alcohol screen may subject RESPONDENT to further disciplinary action, including TEMPORARY SUSPENSION pursuant to Section 301.4551, Texas Occupations Code, or REVOCATION of Respondent's license(s) and nurse licensure compact privileges, if any, to practice nursing in the State of Texas. Further, failure to report for a drug screen, excessive dilute specimens, or failure to call in for a drug screen may be considered the same as a positive result or refusal to submit to a drug or alcohol screen.

RESPONDENT SHALL CAUSE the therapist to submit written reports, on forms provided by the Board, as to the RESPONDENT'S progress in therapy, rehabilitation and capability to safely practice nursing. The report must indicate whether or not the RESPONDENT'S stability is sufficient to provide direct patient care safely. If therapy is recommended by the counselor for an additional period of time, the reports shall then be submitted to the Board at the end of each three (3) month quarterly period in which the RESPONDENT is working as a nurse under the terms of this Order, for the remainder of the term of the Order, or until RESPONDENT is dismissed from therapy, whichever is earlier.

IX. SUBSEQUENT CRIMINAL PROCEEDINGS

IT IS FURTHER AGREED, should the RESPONDENT'S conduct, as outlined in the findings of fact of this Agreed Order, result in subsequent judicial action, including a deferred disposition, RESPONDENT may be subject to further disciplinary action, up to, and including, revocation of RESPONDENT'S license(s) to practice nursing in the State of Texas.

X. FURTHER COMPLAINTS

If, during the period of probation, an additional allegation, accusation, or petition is reported or filed against RESPONDENT'S license(s), the probationary period shall not expire and shall automatically be extended until the allegation, accusation, or petition has been acted upon by the Board.

XI. RESTORATION OF UNENCUMBERED LICENSE(S)

Upon full compliance with the terms of this Agreed Order, all encumbrances will be removed from RESPONDENT'S license(s) to practice nursing in the State of Texas and, subject to meeting all existing eligibility requirements in Texas Occupations Code Chapter 304, Article III, RESPONDENT may be eligible for nurse licensure compact privileges if any.

In the Matter of	§	AGREED

issued to RHONDA DIANE GRAHAM	§	ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of RHONDA DIANE GRAHAM, Vocational Nurse License Number 130035, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(1)&(10), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on November 20, 2015.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Alvin Community College, Alvin, Texas, on May 17, 1990. Respondent was licensed to practice vocational nursing in the State of Texas on November 28, 1990.
5. Respondent's nursing employment history is unknown.

6. On or about September 18, 1990, Respondent was issued the sanction of PROBATION by the Board of Vocational Nurse Examiners for the State of Texas. A copy of the Findings of Fact, Conclusions of Law, and Agreed Order dated September 18, 1990, is attached and incorporated, by reference, as part of this Order.
7. On or about August 9, 2005, Respondent was issued the sanction of SUSPEND/PROBATE by the Board of Nurse Examiners for the State of Texas. A copy of the Findings of Fact, Conclusions of Law, and Agreed Order dated August 9, 2005, is attached and incorporated, by reference, as part of this Order.
8. On or about August 19, 2014, while employed with Matagorda House, Bay City, Texas, Respondent failed to comply with the Order of SUSPEND/PROBATE, issued to her on August 9, 2005, by the Texas Board of Nursing. Non-compliance is the result of Respondent's failure to comply with Stipulation Number Six (6) of the Order which states, in pertinent part:

(6) RESPONDENT SHALL CAUSE each present employer in vocational nursing to submit the Notification of Employment form, which is provided to the Respondent by the Board, to the Board's office within ten (10) days of receipt of this Order.
9. On or about November 19, 2014, February 19, 2015, May 19, 2015, while employed with Matagorda House, Bay City, Texas, Respondent failed to comply with the Order of SUSPEND/PROBATE, issued to her on August 9, 2005, by the Texas Board of Nursing. Non-compliance is the result of Respondent's failure to comply with Stipulation Number Nine (9) of the Order which states, in pertinent part:

(9) RESPONDENT SHALL CAUSE each employer to submit, on forms provided to the Respondent by the Board, periodic reports as to RESPONDENT'S capability to practice vocational nursing.
10. In response to Findings of Fact Numbers Eight (8) and Nine (9), Respondent states she informed her DON about her order, and her DON in return informed her that she was familiar with Board Orders. Respondent gave copy of the Board Order to DON and assumed that DON would comply with the requirements of employers and submit periodic reports concerning Respondent's practice of nursing. Respondent relied on the DON's statements and trusted that the DON will keep her promises. Again, it comes as a shock to Respondent to find out that these reports were not submitted to the Board as promised. She accepts responsibility for her part in not following up with the DON to ensure that all necessary provision of the Board Order. This was not an intentional disregard but an unintentional omission that resulted from misplaced trust in the DON.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555 , the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.12(11)(B).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(1)&(10), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 130035, heretofore issued to RHONDA DIANE GRAHAM, including revocation of Respondent's license(s) to practice nursing in the State of Texas.

BEFORE THE BOARD OF NURSE EXAMINERS
FOR THE STATE OF TEXAS

In the Matter of Vocational Nurse License Number 130035 § AGREED
issued to RHONDA DIANE GRAHAM § ORDER

On this day the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, considered the matter of RHONDA DIANE GRAHAM, Vocational Nurse License Number 130035, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 302.402(a)(10), Texas Occupations Code. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order offered on May 6, 2005, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Alvin Community College, Alvin, Texas, on May 17, 1990. Respondent was licensed to practice vocational nursing in the State of Texas on November 28, 1990.
5. Respondent's complete vocational nursing employment history is unknown.

6. On September 18, 1990, the Board of Vocational Nurse Examiners for the State of Texas endorsed an Agreed Board Order allowing Respondent to write the examination for licensure, and upon obtaining a passing score, be issued a license to practice vocational nursing in the State of Texas. Furthermore, the Order suspended Respondent's licensure, stayed the suspension, and placed the licensure on probation for a period of three (3) years with stipulations. A copy of the September 18, 1990 Agreed Board Order is attached and incorporated, by reference, as part of this Order.
7. On or about November 20, 2002, Respondent was convicted of DRIVING WHILE INTOXICATED (a Class B misdemeanor offense committed on April 2, 2002), in the County Court at Law No. 2 of Brazoria County, Texas, under Cause No. 1217465. As a result of the conviction, Respondent was placed on probation for a period of twelve (12) months and ordered to pay a four hundred dollar (\$400) fine, along with assessed fees. Furthermore, Respondent was ordered to perform twenty-four (24) hours of Community Service Restitution.
8. On February 3, 2005 and March 5, 2005, Respondent underwent a forensic psychological evaluation with a chemical dependency component conducted by Rion N. Hart, Ph.D., Clinical and Consulting Psychology and Psychoanalysis, Houston, Texas. Dr. Hart reported that Respondent presented herself as an alert and oriented, anxious woman who expressed great concern that she might lose her vocational nursing license. Her cognitive functions were grossly intact and there was no evidence of significant impairment in her thought, speech or affect. During the initial interview, Respondent portrayed herself as functioning well; but in the follow-up interview, she admitted symptoms of major depression involving fatigue, compromised cognitive functions and dysphoria. Respondent also reported that at times, it was difficult to make it to work, which is one of the reasons that she does agency nursing. She acknowledged having been placed on Prozac 20mg by her physician sometime around the beginning of 2005, and stated that the 20mg was increased to 40mg during March of 2005. Respondent also indicated having been treated with medication for depression at some point in time during 1989, when she was in nursing school. Prior to that, during October and November 1985, she had voluntarily been hospitalized at the Austin State Hospital due to depression and substance abuse involving cocaine. Respondent further reported that during 1996, she fell in the shower and broke some vertebrae and her right shoulder, resulting in her being in a back brace for nine (9) months. She was out of work for approximately one year and then returned to work, although she experiences significant pain. She stated that when she is in pain, she takes prescribed narcotics and does not work during those times. She said that on the night of the DWI in question, she had taken two (2) Soma.
9. Dr. Hart concluded that Respondent's test results were consistent with a woman who is suffering from a major depression with significant anxiety and a dependent personality disorder. Although she is struggling to maintain adequate functioning, this is tenuous. She is attempting to remain responsible by limiting her work to agency nursing so that she does not work on those days that she is functioning at a very low level. She also reports

continuing pain from her back injury. Dr. Hart also concluded that given Respondent's history of substance abuse and her current level of emotional distress, it is quite likely that she is misusing or abusing her narcotic analgesics in an attempt to relieve her overall suffering. Fortunately, she has begun treatment with a psychiatrist who has started her on a regimen of antidepressants that should more appropriately and effectively address her affective distress. The extent to which she may be misusing her pain medication was not able to be determined with any reliable specificity. Close monitoring through frequent drug screens would help ensure this does not occur at a level that would compromise her care giving. She may also find it helpful to engage in some counseling or psychotherapy aimed at alleviating her depression and addressing any substance use problems. Dr. Hart further concluded that, provided that Respondent complies with her psychiatric treatment and monitoring, it appears that she should be able to consistently behave in accordance with the Board's Rules and generally accepted nursing standards.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 302.402(a)(10), Texas Occupations Code, and 22 TEX. ADMIN. CODE §239.11(29)(A)(iv).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 130035, heretofore issued to RHONDA DIANE GRAHAM, including revocation of Respondent's license to practice vocational nursing in the State of Texas.
