Respondent's failure to ensure that the patient's intravenous infusion of Dextrose 10% was connected and infusing while en route to the telemetry unit resulted in the patient's glucose level dropping to "35" and experiencing another hypoglycemic episode whereby the patient became non-responsive and incoherent. Patient Medical Record Number 00000-074-81-05 was subsequently transferred to the intensive care unit for stabilization.

In response to Findings of Fact Numbers Seven (7) and Eight (8), Respondent states that she provided nursing care to this patient in the Emergency Room for almost (8) hours and checked this patient's blood sugars every hour while Dextrose 10% was infusing. Just prior to transferring the patient to the Telemetry Unit, the patient's blood sugar was in the "60's." Respondent denies that she disconnected or delegated the discontinuation of the patient's intravenous fluids.

While utilizing her multi state compact privilege associated with her license to practice professional nursing in the State of Arizona and employed with Sierra Providence Health Network, El Paso, Texas, Respondent practiced professional nursing in the State of Texas while her Arizona license was in inactive status January 10, 2006 - December 13, 2006. **CIVIL PENALTY**  
**CONSENT AGREEMENT**  
**AND ORDER NO: 0512114**

A complaint charging Jeanette Nicole Sanchez ("Respondent") with violation of the Nurse Practice Act has been received by the Arizona State Board of Nursing ("Board"). In the interest of a prompt and speedy settlement of the above-captioned matter, consistent with the public interest, statutory requirements and the responsibilities of the Board, and pursuant to A.R.S. § 41-1092.07 (F) (5), the undersigned parties enter into this Consent Agreement as a final disposition of this matter:

Based on the evidence before it, the Board makes the following Findings of Fact and Conclusions of Law:

**FINDINGS OF FACT**

1. Jeanette Nicole Sanchez ("Respondent") holds Board issued professional nurse license no. RN126855.
2. The Board has authority pursuant to A.R.S. §§32-1606, 32-1663, and 32-1664 to impose disciplinary sanctions against the holders of nursing licenses for violations of the Nurse Practice Act, A.R.S. §§32-1601 to -1667.
3. From in or about July 2004 to in or about September 2005, Respondent was employed as a professional nurse at Thomason Hospital in El Paso, Texas. On or about July 26, 2005, Respondent transferred a patient with multiple medical problems and unstable blood sugars from the emergency department to the floor. The patient had a physician's order for an

infusion of dextrose 10%. Respondent transferred the patient to the floor without the dextrose infusing, contributing to the patient having a critically low blood sugar of 35, and later requiring a transfer to the Intensive Care Unit.

4. According to Respondent, she did not disconnect or delegate the disconnection of the dextrose to anyone, but failed to ensure the infusion was running prior to transferring the patient. Respondent accepted responsibility for her actions.

### **CONCLUSIONS OF LAW**

Pursuant to A.R.S. §§ 32-1606, 32-1663 and 32-1664, the Board has subject matter and personal jurisdiction in this matter.

The conduct and circumstances described in the Findings of Fact constitute violations of A.R.S. § 32-1663 (D), as defined in A.R.S. § 32-1601(16), (d) and (j); and A.A.C. R4-19-403(B), (1), (2) and (10).

The conduct and circumstances described in the Findings of Fact constitute sufficient cause pursuant to AR.S. § 32-1664(N) to revoke, suspend or take other disciplinary action against the license of Respondent to practice as a professional nurse in the State of Arizona.

Respondent admits the Board's Findings of Fact and Conclusions of Law.

In lieu of a formal hearing on these issues, Respondent agrees to issuance of the attached Order and waives all rights to a hearing, rehearing, appeal or judicial review relating to this Consent Agreement and Order.

Respondent understands that all investigative materials prepared or received by the Board concerning these violations and all notices and pleadings relating thereto may be retained in the Board's file concerning this matter.

Respondent understands that those admissions are conclusive evidence of a prior violation of the Nurse Practice Act and may be used for purposes of determining sanctions in any future disciplinary matter.

Respondent understands the right to consult legal counsel prior to entering into this Consent Agreement and such consultation has been either obtained or is waived.

Respondent understands that this Consent Agreement is effective upon its acceptance by the Board and by Respondent as evidenced by the respective signatures thereto. Respondent's signature obtained via facsimile shall have the same effect as an original signature. Once signed by the Respondent, the agreement cannot be withdrawn without the Board's approval or by stipulation between the Respondent and the Board's designee. The effective date of this Order is the date the Consent Agreement is signed by the Board and by Respondent. If the Consent Agreement is signed on different dates, the later date is the effective date.
