In the Matter of  
Vocational Nurse License Number 200929  
issued to YOLANDA PEREZ

§  
§  
§  
§

AGREED ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of YOLANDA PEREZ, Vocational Nurse License Number 200929, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on February 15, 2019.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Lee College, Baytown, Texas, on August 17, 2005. Respondent was licensed to practice vocational nursing in the State of Texas on October 11, 2005.
5. Respondent's nursing employment history includes:

10/2005

Unknown

Respondent's nursing employment history continued:

11/2005 – 03/2010	LVN	Silver Springs Nursing and Rehab Center – Houston, Texas
04/2010 – 02/2012	LVN	Supplemental Healthcare Agency – Houston, Texas
04/2010 – 11/2012	LVN	Northwoods Urology Associates – Kingwood, Texas
11/2012 – 10/2018	LVN	Kindred Rehabilitation Hospital Northeast Hospital Humble, Texas
11/2018 – Present	Unknown	

6. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse with Kindred Rehabilitation Hospital Northeast Hospital, and had been in that position for five (5) years and eleven (11) months.
7. On or about October 1, 2018 and October 2, 2018, while employed as a Licensed Vocational Nurse with Kindred Rehabilitation Hospital - Northeast Houston, Humble, Texas, Respondent failed to assess Patient Medical Record Number IS00003721 as ordered. Subsequently, the bed alarm had been disconnected and the patient was found on the floor by another staff member. Respondent's conduct exposed the patient unnecessarily to a risk of harm in that significant changes in the patient's status may have gone undetected and prevented a timely intervention.
8. On or about October 1, 2018 and October 2, 2018, while employed as a Licensed Vocational Nurse with Kindred Rehabilitation Hospital - Northeast Houston, Humble, Texas, Respondent falsely documented she performed assessments in the medical record of Patient Medical Record Number IS00003721 that were not conducted. Respondent's conduct resulted in an inaccurate medical record and was likely to injure the patient in that subsequent care givers would rely on her documentation for further care.

9. In response to Findings of Fact Numbers Seven (7) and Eight (8), Respondent states at 02:50 it was reported by a Certified Nurse Assistant (CNA) that the patient was on the floor. After the patient was taken to the Emergency Room via ambulance, Respondent and the Charge Nurse checked the equipment wondering why the bed alarm did not sound. Respondent states it was in place but was not plugged in. Respondent apologizes that she did not check to see herself if the bed alarm was plugged in and that she only checked that it was in place. Additionally, Respondent states she did not actively go in patient's room, but while taking care of other patient's needs, she would glance in the room, and hear patient snoring. She noted/documentated the patient was conformably asleep and showed no signs or symptoms of pain.
