In the Matter of

issued to LOANNE TRAN

AGREED ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of LOANNE TRAN, Registered Nurse License Number 597362, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on March 11, 2019.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received a Baccalaureate Degree in Nursing from University of Western Ontario, London, Canada, on May 1, 1993. Respondent was licensed to practice professional nursing in the State of Texas on September 22, 1993.
5. Respondent's nursing employment history includes:

05/1993 – 03/2018

RN

Memorial Hermann Prevention
and Recovery Center
Houston, Texas

6. At the time of the initial incident, Respondent was employed as a Registered Nurse with Memorial Hermann Prevention and Recovery Center, Houston, Texas, and had been in that position for twenty-four (24) years and ten (10) months.
7. On or about October 31, 2014, while employed as a Registered Nurse with Memorial Hermann Health System - Prevention and Recovery Center, Houston, Texas, Respondent violated the privacy and confidentiality of Patient S. D. in that she accessed medical records without authorization and shared confidential medical information with the patient's employer. Respondent's conduct exposed the patient unnecessarily to a risk of harm from disclosure of her confidential medical information without her written authorization and constitutes a violation of The Health Insurance Portability and Accountability Act (HIPAA)
8. In response to Finding of Fact Number Seven (7), Respondent states, as part of any follow up, she always checked for a signed consent before meeting the individuals or making phone calls. Respondent states the step of checking for a signed consent is part of following Memorial Hermann established guidelines for HIPAA (The Health Insurance Portability and Accountability Act) rules, as well as state and federal regulations. Respondent states during her tenure at Prevention and Recovery Center, as part of the leadership team, she did not get involved in a patient case without a request for assistance so she is "perplexed" as to how she could have called Ms. S.D.'s employer to release information without her consent and the information is not even related to her treatment.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(A)&(1)(E) and 22 TEX. ADMIN. CODE §217.12(1)(A)&(1)(B).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 597362, heretofore issued to LOANNE TRAN.
5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
