BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED ORDER
Vocational Nurse License Number 339251 §
issued to ANNISHAL CHILDRESS §
§

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of ANNISHAL CHILDRESS, Vocational Nurse License Number 339251, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on May 8, 2019.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Lee College, Baytown, Texas, on August 9, 2017. Respondent was licensed to practice vocational nursing in the State of Texas on September 12, 2017.
5. Respondent's nursing employment history includes:

9/2017 – 3/2018	Licensed Vocational Nurse	La Porte Healthcare La Porte, Texas
-----------------	---------------------------	--

Respondent's nursing employment history continued:

4/2018 – Present Unknown

6. At the time of the incident, Respondent was employed as a Licensed Vocational Nurse with La Porte Healthcare, La Porte, Texas, and had been in that position for seven (7) months.
7. On or about April 5, 2018, while employed as a Licensed Vocational Nurse with La Porte Health Care in La Porte, Texas, Respondent left her assignment while she was the only nurse on duty and caring for thirty- four (34) residents, and left the building with only one unlicensed staff member on the premises. Additionally, the building had no functioning fire alarms or call light system, and required a staff member to be on continuous fire watch. Respondent's conduct exposed the residents to a risk of harm from lack of nursing care and/or emergency interventions if needed.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states that the facility was under renovation and due to the non-functioning call-light system, the fire watch procedure was implemented. Respondent states that she was working with one nurse assistant. Respondent states that both she and the nursing assistant were waiting on the receiving nurse and nursing assistant to arrive to cover the morning shift. Respondent states that morning shift nurse called to let them know that she did not have a ride. Respondent stated that she offered to take the nurse from her home to the facility since it was only a six (6) minute ride one way. Respondent states that she was out of the facility for less than fifteen (15) minutes with no traffic. Respondent states that it would have been more unsafe for her and the nursing assistant to stay over one more shift, when no one would relieve herself and the nursing assistant. Respondent states that the oncoming nurse had no other way to get to work.
9. Formal Charges were filed on April 2, 2019.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B)&(1)(I) and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B),(4)&(12).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 339251, heretofore issued to ANNISHAL CHILDRESS.

5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
