§

AGREED ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of HEATH RYAN CHATMAN, a/k/a HEATH RYAN PERRY, Registered Nurse License Number 900611, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on October 23, 2019.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received an Associate Degree in Nursing from Tyler Jr College, Tyler, Texas, on May 1, 2016. Respondent was licensed to practice professional nursing in the State of Texas on June 14, 2016.
5. Respondent's nursing employment history includes:

6/2016 - 4/2017	Staff Nurse	Christus Mother Frances Tyler Tyler, Texas
-----------------	-------------	-----------------------------------------------

Respondent's nursing employment history continued:

5/2017 – 10/2018	Clinical Director of the Emergency Care Center	Christus Mother Frances Winnsboro Winnsboro, Texas
11/2018 - Present	Unknown	

6. On or about September 17, 2018, while employed as the Clinical Director of the Emergency Care Center with Christus Mother Frances Winnsboro, Winnsboro, Texas, with the mistaken belief that a doctor had given an oral order for Propofol, Respondent asked the pharmacy technician to withdraw a 100 cc bottle of Propofol, an anesthetic agent, from the pyxis without an order, and instructed another nurse to administer the medication to Patient Medical Record Number 100185977, who had just been intubated during a Code and was fighting the endotracheal tube. The patient's blood pressure dropped, and a nurse stopped the Propofol infusion. Additionally, Respondent failed to document the Propofol administration in the patient's medical record.
7. In response to Finding of Fact Number Six (6), Respondent states that he received a verbal order from the physician. Respondent states that he did not obtain, order, or administer Propofol without a physician's order. Respondent states that a recorder was present documenting during the Code and another nurse transcribed the notes into the medical record. Respondent states he has no knowledge as to why the other nurse failed to record the Propofol administration. Although Respondent denies the allegation, Respondent agrees to the entry of this order to avoid the expense and uncertainty of litigation, and to compromise and settlement of the allegations herein.
8. Formal Charges were filed on March 26, 2019.

5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
