ELIGIBILITY AGREED ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the Endorsement Application, which has been processed as a Petition for Declaratory Order, herein referred to as the Petition, pursuant to 22 TEX. ADMIN. CODE §217.5(f) & §213.30, and supporting documents filed by KRISTINE ELLEN PALMER, hereinafter referred to as PETITIONER, requesting a determination of eligibility for licensure in compliance with Sections 301.252, 301.257 and 301.260, Texas Occupations Code, and the Board's Rules at 22 TEX. ADMIN. CODE §217.5(f) and §213.30, together with any documents and information gathered by staff and Petitioner's Certification contained herein.

Information received by the Board produced evidence that Petitioner may be ineligible for licensure pursuant to Sections 301.452(b)(8) & (12) and 301.453, Texas Occupations Code.

Petitioner waived notice and hearing and agreed to the entry of this Eligibility Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on April 16, 2019.

FINDINGS OF FACT

1. On or about July 27, 2018, Petitioner submitted the Petition requesting a determination of eligibility for licensure.
2. Petitioner received a Baccalaureate Degree in Nursing from Bellarmine College, Louisville, KY, on May 1, 1997.
3. On or about October 29, 2014, Petitioner was Denied licensure by the Board of Nursing. A copy of the October 29, 2014, denial letter is attached and incorporated by reference as part of this Order.

4. On or about March 13, 2019, Petitioner presented to Jim Womack, Ph.D., OF Balance, Forensic & General Psychological Services, Inc., Fort Worth, Texas, for psychological testing, and an interview. As a result, Dr. Womack was able to offer the following Conclusion and Recommendation:

Dr. Womack stated that Petitioner is capable of conforming to the requirements of the Nursing Board and the Board Rules. In Dr. Womack's professional opinion, Petitioner has no mental disease or defect impairing her ability to think rationally; however, the question remains as to whether or not she can continue her apparent abstinence from abusing alcohol. Petitioner is not likely to repeat criminal conduct reflected in her record. Petitioner is not a danger to the public. Within the last five years there is no evidence she has become intoxicated and operated a motor vehicle; that she has performed any nursing duties under the influence of alcohol; or that she has consumed alcohol prior to her performing nursing duties.

5. Petitioner completed the Petition and answered Yes to the question which reads as follows: *"Has any licensing authority refused to issue you a license or ever revoked, annulled, cancelled, accepted surrender of, suspended, placed on probation, refused to renew a professional license, certificate or multi-state privilege held by you now or previously, or ever fined, censured, reprimanded or otherwise disciplined you?"*
6. On October 10, 1997, Petitioner was issued PROBATION by the Kentucky Board of Nursing. A copy of the October 10, 1997, Agreed Order is attached and incorporated by reference as part of this Order.
7. On August 20, 1999, Petitioner satisfied all terms and conditions as set forth in the Agreed Order issued on October 10, 1997, by the Kentucky Board of Nursing.
8. On April 23, 2013, Petitioner was issued a SUSPENSION by the Montana Board of Nursing. A copy of the April 23, 2013, Summary Suspension Order is attached and incorporated by reference as part of this Order.
9. On October 23, 2013, Petitioner was issued a VOLUNTARY SURRENDER by the Montana Board of Nursing. A copy of the October 23, 2013, Stipulations and Final Order is attached and incorporated by reference as part of this Order.
10. On July 15, 2014, Petitioner was issued a VOLUNTARY SURRENDER by the Kentucky Board of Nursing. A copy of the July 15, 2014, Agreed Order for Voluntary Surrender is attached and incorporated by reference as part of this Order.

11. After considering the action taken by the Kentucky, and Montana Boards of Nursing, along with Petitioner's subsequent conduct, the Executive Director is satisfied that Petitioner should be able to meet the requirements of the Nursing Practice Act, the Board's Rules and Regulations, and generally accepted standards of nursing practice.
12. The safety of patients and the public requires that all persons licensed to practice nursing be fit, sober, and able to consistently practice nursing in autonomous roles under demanding and stressful conditions.
13. The Executive Director considered evidence of Petitioner's past behavior in light of the factors set out in 22 TEX. ADMIN. CODE §213.27 and determined that Petitioner currently demonstrates the criteria required for licensure.
14. The Executive Director considered evidence of Petitioner's substance use disorder, and subsequent rehabilitation as provided in 22 TEX. ADMIN. CODE §213.29 and in accordance with 22 TEX. ADMIN. CODE §213.33.
15. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of Petitioner's disclosures.
16. Petitioner has been advised by the Board that any information found to be incomplete, incorrect or misleading to the Board or a subsequent discovery of a basis of ineligibility will be considered by the Board and may result in an ultimate determination of ineligibility or the later revocation of a license obtained through fraud or deceit.
17. Petitioner shall immediately notify the Board of any fact or event that could constitute a ground of ineligibility for licensure under Section 301.452(b), Texas Occupations Code.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. On or about July 27, 2018, Petitioner submitted the Petition requesting a determination of eligibility for licensure in compliance with Sections 301.252, 301.257, and 301.260, Texas Occupations Code, and the Board's Rules at 22 TEX. ADMIN. CODE §217.5(f) and §213.30.
3. Petitioner's history reflects conduct which may constitute grounds for denial of a license under Section 301.452(b)(8) & (12), Texas Occupations Code.
4. The Board may probate the denial of a license under conditions for a specified term pursuant to Section 301.453, Texas Occupations Code.

5. The Board may license an individual who has a history of substance use disorder after consideration of the criteria set out in 22 TEX. ADMIN. CODE §213.29 if the Board determines the individual does not pose a direct threat to the health and safety of patients or the public.
6. The Board may license an individual upon evaluation of the factors in 22 TEX. ADMIN. CODE §213.27, and pursuant to 22 TEX. ADMIN. CODE §213.33, if the Board is satisfied that the individual is able to consistently conform her conduct to the requirements of the Nursing Practice Act, the Board's Rules and Regulations, and generally accepted standards of nursing practice.
7. This Order is conditioned upon the accuracy and completeness of Petitioner's disclosures. Any subsequently discovered discrepancies will result in investigation and possible disciplinary action, up to revocation of Petitioner's license(s).

V.

DRUG AND ALCOHOL RELATED REQUIREMENTS

- A. While under the terms of this Order, PETITIONER SHALL **abstain from the use of alcohol, nalbuphine, propofol and all controlled substances**, except as prescribed by a licensed practitioner for a legitimate purpose. If prescribed, PETITIONER SHALL CAUSE the licensed practitioner to submit a written report identifying the medication, dosage and the date the medication was prescribed. The report shall be submitted directly to the office of the Board by the prescribing practitioner, within ten (10) days of the date of the prescription. In the event that the prescriptions for controlled substances are required for periods of two (2) weeks or longer, the Board may require and PETITIONER SHALL submit to a pain management and/or chemical dependency evaluation by a Board approved evaluator. The performing evaluator must submit a written report meeting the Board's requirements to the Board's office within thirty (30) days from the Board's request.
- B. While working as a nurse under the terms of this Order, PETITIONER SHALL **submit to random periodic screens for alcohol, nalbuphine, propofol and all controlled substances**. Further, failure to report for a drug screen, excessive dilute specimens, or failure to call in for a drug screen may be considered the same as a positive result or refusal to submit to a drug or alcohol screen.

Dear Kristine Ellen Palmer:

Your Temporary License/Endorsement Application and the supporting information related to your potential ineligibility for licensure under the Nursing Practice Act and the Board's Rules and Regulations Relating to Nurse Education, Licensure and Practice was considered by the Executive Director of the Board on October 7, 2014, pursuant to the Occupations Code §§301.257, 301.452, and 301.453. You have been found to be ineligible for licensure as a nurse in the State of Texas based upon the grounds discussed below.

Our records indicate the following:

- * On or about October 10, 1997, you were issued an Agreed Order by the Kentucky Board of Nursing, granting you permission to sit for the nursing exam followed by eighteen (18) months probation. The disciplinary action was taken as a result of your criminal history. During the August 19 - 20, 1999, regular meeting it was determined that the restrictions should be removed from your license.
- * On or about April 23, 2013, you were issued a Notice of Proposed Board Action, Summary Suspension and Opportunity for Hearing, by the Montana Board of Nursing, suspending your nursing license pending further investigation of allegations. The investigation was opened after the Board received a complaint from one of your treating psychiatrists who questioned whether you were adhering to your monitoring requirements, and requested the Board investigate your current status regarding work safety and treatment.
- * On or about October 23, 2013, you were issued a Stipulation and Final Order by the Montana Board of Nursing, accepting the surrender of your nursing license.

You are subject to denial of licensure for this conduct pursuant to the following subsections of the Occupations Code §301.452(b):

- ...(8) revocation, suspension, or denial of, or any other action relating to, the person's license to practice nursing in another jurisdiction; and
- ...(10) unprofessional or dishonorable conduct that, in the Board's opinion, is likely to deceive, defraud, or injure a patient or the public.

Further, pursuant to §301.452(c), the Board may refuse to admit a person to a licensing examination for a ground described under §301.452(b).

Further, the Board has adopted rules, located at 22 Tex. Admin. Code §213.28, that set forth the considerations and criteria for determining the effect of criminal offenses on the eligibility of a person to obtain a license. The Board may refuse to approve persons to take the licensure examination, may refuse to issue or renew a license or certificate of registration, or may refuse to issue a temporary permit to any individual that has been convicted of or received a deferred disposition for a felony, a misdemeanor involving moral turpitude, or engaged in conduct resulting in the revocation of probation. A review of your file indicates that you are ineligible for licensure based upon the factors set forth in §213.28.

The Board also requires petitioners to demonstrate their ability to consistently conform to the requirements of the Nursing Practice Act, the Board's Rules and Regulations, and generally accepted standards of nursing practice; to possess good professional character; and to pose no threat to the health and safety of patients and the public. The Board has adopted a rule, located at 22 Tex. Admin. Code §213.27, that sets forth the factors and disciplinary and eligibility policies and guidelines that must be used in evaluating good professional character in eligibility and disciplinary matters. Based upon the factors specified in §213.27, you have failed to provide sufficient evidence of good professional character required by §213.27. Further, based upon your criminal history, the Board's Disciplinary Guidelines for Criminal Conduct require the denial of your licensure.

The Board's rules, 22 Tex. Admin. Code §213.27 - §213.33, the Board's Disciplinary Sanction Policies, including the Board's Disciplinary Guidelines for Criminal Conduct, and the Occupations Code Chapter 53, are hereby incorporated by reference herein and may be located on the Board's website at www.bon.texas.gov.

Due to this denial, you have the right to a public hearing before an Administrative Law Judge with the State Office of Administrative Hearings. Should you decide to appeal the decision to deny you licensure, please submit a written request for a public hearing, to the attention of Kathy Hoffman, Office of General Counsel, 333 Guadalupe, Suite 3-460, Austin, Texas, 78701. Your written request to appeal this decision must be received in our office within sixty (60) days of the date of this letter. Further, if this office receives information regarding additional criminal conduct or behavior that has not been previously disclosed to or discovered by this office, please be advised that evidence of such additional criminal conduct or behavior may be used against you during the public hearing in this matter to show that you lack the good professional character and other requirements for licensure.

Sincerely,

Katherine A. Thomas, MN, RN, FAAN

KENTUCKY BOARD OF NURSING

AGREED ORDER
CASE #97-564

IN RE: KRISTINE ELLEN BONNIE PALMER RN APPLICANT/EXAMINATION

The Kentucky Board of Nursing, hereinafter referred to as the Board, having evidence Kristine Ellen Bonnie Palmer was in violation of KRS Chapter 314 and Kristine Ellen Bonnie Palmer, desiring to avoid the necessity of a formal hearing, do enter into this Agreed Order in lieu of proceeding with a formal administrative hearing.

The Board acknowledges receipt of three (3) letters of recommendation, including two (2) letters from Ms. Palmer's registered nurse program faculty members.

Kristine Ellen Bonnie Palmer, hereinafter referred to as Ms. Palmer, agrees and stipulates to the following facts and conditions for the limited purpose of this Agreed Order:

1. That on the application for licensure as a registered nurse by examination, signed and dated May 12, 1997, Ms. Palmer answered "Yes" to the question concerning whether she had ever been convicted of a misdemeanor or felony and reported a misdemeanor conviction for Disorderly Conduct in Jefferson County, Kentucky. Ms. Palmer represented initially to the Board that the Disorderly Conduct conviction was as a result of a loud party.

However, the misdemeanor offense of Disorderly Conduct on February 8, 1996 in Jefferson County, Kentucky was actually as a result of an arrest for Operating a Motor Vehicle Impaired 2nd offense within five years which was amended to Disorderly Conduct, and she was subsequently convicted of Contempt of Court on May 22, 1996 in Jefferson County, Kentucky for failure to pay the fine and court costs in a timely manner.

That in addition, Ms. Palmer failed to report a misdemeanor conviction for Operating a Motor Vehicle Under the Influence of Intoxicants 1st offense on March 23, 1992 in Jefferson County, Kentucky.

Ms. Palmer acknowledges such actions are in violation of KRS 314.091(1)(a) guilty of fraud or deceit in procuring or attempting to procure a nursing license; (b) conviction of a misdemeanor or felony; (d) acted in a manner inconsistent with the practice of nursing and (i) willfully or repeatedly violated any of the provisions of Kentucky Revised Statutes Chapter 314, including KRS 314.021(2) and KRS 314.073(6).

2. Ms. Palmer understands and agrees the above stipulated facts will be disclosed to the Board during the consideration of this Agreed Order. All parties understand these stipulations may not be used for any evidentiary purpose in the event this Agreed Order is not accepted by the Board. Should a hearing be

scheduled Ms. Palmer agrees no challenge to the impartiality of the hearing panel will be made because of the disclosure of the above stipulated facts, or any other facts the Board considers relevant, during the course of consideration of this Agreed Order by the Board.

3. Ms. Palmer understands she will be admitted to the National Council Licensure Examination (NCLEX) for registered nurse licensure and that a temporary work permit will be issued only upon approval of this Agreed Order by the Board and if all other requirements have been met.
4. If Ms. Palmer passes the NCLEX, she agrees that the registered nurse license will be issued on probated status for a period of eighteen (18) months of employment as a registered nurse.
5. Ms. Palmer understands the period of probation will not begin until she is employed as a registered nurse. If Ms. Palmer has not obtained employment as a nurse within two (2) years of this Order, the matter shall be considered by Board staff in accordance with Board guidelines for such cases. Ms. Palmer agrees to abide by the Board-directed determination.
6. While on probation, Ms. Palmer agrees to comply with the following terms:
 - a) If Ms. Palmer is employed in nursing or a related health care field, she will provide a copy of the Board's Order to the immediate nursing supervisor and prior to employment, the nursing supervisor will discuss the terms of the Order with a Board representative. Further, it is incumbent upon Ms. Palmer to notify the Board representative if there is a change of nursing supervisors.
 - b) Ms. Palmer agrees that during the period of probation, she will have semi-annual visits with a Board representative in the Kentucky Board of Nursing office or at a mutually agreed upon location.
 - c) During the period of probation, Ms. Palmer agrees to have quarterly written reports submitted to the Board by her employer(s) if employed in nursing or a health related field. Ms. Palmer understands that an employer report indicating unsafe practice shall constitute prima facie evidence of a violation of the terms of this Agreed Order.
 - d) During the period of probation, Ms. Palmer agrees to remain free of alcohol and unprescribed mood altering substances. All prescriptions for mood altering medication must be verified in writing to the Board within five (5) days by the prescribing practitioner.

- e) During the period of probation, Ms. Palmer agrees to submit to random body fluid samples for drug/alcohol testing as requested by her employer(s) and Board staff. All such testing shall be at Ms. Palmer's expense. Ms. Palmer understands that a GC/MS (gas chromatography/mass spectrometry) confirmed drug screen indicating the use of alcohol or any unprescribed mood altering substances shall constitute prima facie evidence of a violation of the terms of this Agreed Order.
 - f) During the period of probation, Ms. Palmer agrees she may not be employed by a nurse registry, temporary nurse employment agency, or home health agency to provide direct patient care.
 - g) During the period of probation, Ms. Palmer shall immediately notify the Board of any change of name, address, employment, arrest and/or pending criminal charges.
 - h) Ms. Palmer agrees to provide evidence of successful completion of thirty (30) Board approved contact hours of continuing education on legal and ethical issues in nursing and thirty (30) contact hours on substance abuse within one (1) year of the date of issuance of the license. The sixty (60) contact hours are to be over and above any other continuing education required for reinstatement or renewal of the registered nurse license.
 - i) Ms. Palmer agrees to pay a civil penalty of four hundred fifty dollars (\$450) to the Board within one (1) year of the date of issuance of the license.
7. Ms. Palmer understands that failure to comply with any requirement as stated in this Agreed Order will result in the scheduling of a hearing to consider further action on the registered nurse license.
8. Submission of fraudulent documents or reports or misrepresentation of facts relating to the terms and conditions stated herein shall constitute a violation of the terms of probation and this Agreed Order.
9. Ms. Palmer understands that removal of the license from probation will depend upon satisfactory review of all relevant data and compliance with all terms of probation as stated in this Agreed Order. BEFORE THE BOARD OF NURSING
DEPARTMENT OF LABOR AND INDUSTRY
STATE OF MONTANA

In the Matter of the Proposed Discipline of KRISTINE E. PALMER, Registered Nurse, License No. 47283.	Case No. 2012-NUR-LIC-1081 NOTICE OF PROPOSED BOARD ACTION, SUMMARY SUSPENSION, AND OPPORTUNITY FOR HEARING
---	---

TO: Kristine E. Palmer
4656 Orphans Lane
Shelbyville, KY 40065

On April 16, 2013, the Screening Panel of the Montana Board of Nursing (Screening Panel) considered information presented by the Montana Department of Labor and Industry (Department) and directed this *Notice of Proposed Board Action, Summary Suspension, and Opportunity for Hearing* (Summary Suspension Notice) be served upon Kristine E. Palmer.

SUMMARY SUSPENSION ORDER

Due to the nature and circumstances of the factual assertions set forth below, the Screening Panel finds that public health, safety, or welfare imperatively requires emergency action.

IT IS ORDERED that the Registered Nurse license of Kristine E. Palmer (Licensee) to practice in the state of Montana be **immediately and summarily suspended** for an indefinite period of time pending further investigative and disciplinary proceedings or other resolution of this matter.

ORIGINAL

Licensee shall return any and all documentation of licensure in person or by mail to the Board office within 24 hours of receiving this Summary Suspension Notice.

A. FACT ASSERTIONS

1. Licensee is licensed by the Montana Board of Nursing (Board) to practice as a Registered Nurse, holding Montana license no. 47283. The license expired on December 31, 2012, and the Board retains jurisdiction as provided by Mont. Code Ann. § 37-1-141 for two years after lapse.
2. The Board has subject matter jurisdiction and legal authority to bring this action under Mont. Code Ann. §§ 37-1-131, 37-1-136, 37-1-307, 37-1-309, and Title 37, chapter 8.
3. On August 17, 2012, the Department received a complaint from one of Licensee's treating psychiatrists who questioned whether she was adhering to monitoring, and requested the Board investigate Licensee's current status regarding her work safety and treatment.
4. The complaint stated that Licensee worked in a newborn intensive care unit (ICU) in Billings, MT.
5. Licensee failed to respond to the complaint.
6. On October 9, 2012, the Board's Screening Panel first reviewed the complaint. The Panel tabled the matter and requested an investigation by the Department for additional information.
7. By subpoena under the authority of Mont. Code Ann. § 37-1-307(1)(b), the Department obtained healthcare information pertaining to Licensee's treatment, which the Screening Panel reviewed on April 16, 2013 as part of the Department's report of investigation. In part, Licensee's healthcare information indicated a demonstrated mental illness, alcohol abuse, safety risks to patients due to Licensee's failure to appreciate the potential impact of her mental illness on her nursing practice, and the likelihood of Licensee practicing nursing without monitoring or psychiatric treatment.

8. Additionally, the investigation included information that Licensee presently works as a travel nurse in Texas.

9. The Screening Panel found reasonable cause to believe Licensee violated Title 37, chapter 1 of the Montana Code Annotated justifying disciplinary proceedings. The Screening Panel further directed that this formal Summary Suspension be served upon Licensee because public health, safety, and welfare imperatively require emergency action as a result of its finding that Licensee is unable to practice nursing with reasonable skill and safety and its concern that she could otherwise return to practice in Montana as a travel nurse.

B. CHARGE OF STATUTES, RULES, OR STANDARDS VIOLATED

The above facts establish reasonable cause to charge you with a violation of statutes, rules, or standards, as follows:

Mont. Code Ann. § 37-1-316. Unprofessional conduct. The following is unprofessional conduct for a licensee or license applicant governed by this part: . . .

(11) having a physical or mental disability that renders the licensee or license applicant unable to practice the profession or occupation with reasonable skill and safety.

C. STATEMENT OF RIGHTS AND PROCEDURES

1. You may request a hearing to determine whether your license should remain suspended pending further proceedings to contest these charges and present evidence and arguments on whether the suspension or revocation should be made permanent. To exercise your right to a hearing, you must send a written request within 20 days of your receipt of this Summary Suspension Notice, addressed as follows:

Becky Carter, Compliance Unit Supervisor
Business Standards Division
Department of Labor and Industry
301 South Park Avenue
PO Box 200513
Helena, Montana 59620-0513

2. Failure to request a hearing within 20 days of the receipt of this Notice constitutes a default and allows the Board to enter a Final Order of discipline against you on the basis of the facts available to it.

3. If you request a hearing within 20 days, the Commissioner of Labor and Industry will appoint an impartial hearings examiner to conduct the hearing. The hearings examiner will notify you and the Department of the time and place of the hearing. You have the right to appear in person or by or with counsel.

4. Procedural and substantive requirements governing this matter may be found at Montana Code Annotated Title 2, chapter 4, part 6; (Montana Administrative Procedure Act), Title 37, chapter 1, parts 1 and 3; and Title 37, chapter 8, including the right to a hearing before an impartial hearings examiner, the right to present evidence and testify and confront and cross-examine witnesses at the hearing, the right to be represented by legal counsel, the right to subpoena witnesses, and the right to request judicial review and appeal.

5. After a proposed decision of a hearing examiner, a default, or a stipulated agreement, the Board will issue a Final Order imposing one or any combination of the sanctions under rules adopted by the Board under Mont. Code Ann. § 37-1-136 and Mont. Code Ann. § 37-1-312(1) as follows:

- (a) revocation of the license;
- (b) suspension of the license for a fixed or indefinite term;
- (c) restriction or limitation of the practice;
- (d) satisfactory completion of a specific program of remedial education or treatment;
- (e) monitoring of the practice by a supervisor approved by the disciplining authority;
- (f) censure or reprimand, either public or private;
- (g) compliance with conditions of probation for a designated period of time;
- (h) payment of a fine not to exceed \$1,000 for each violation (deposited in the state general fund);

(i) denial of a license application;

(j) refund of costs and fees billed to and collected from a consumer.

6. You may request judicial review of a Final Order of the Board entered after consideration of a proposed decision of a hearing examiner by filing a petition in district court within 30 days of the issuance of a Final Order.

7. In lieu of a hearing, you may enter into a stipulated agreement resolving potential or pending charges that include one or more sanctions authorized by law.

**BEFORE THE BOARD OF NURSING
DEPARTMENT OF LABOR AND INDUSTRY
STATE OF MONTANA**

In the Matter of the Proposed Discipline of KRISTINE E. PALMER, Registered Nurse, License No. 47283.	Case No. 2012-NUR-LIC-1081 STIPULATION and FINAL ORDER
---	--

The Business Standards Division of the Department of Labor and Industry of the state of Montana (Department), by and through its legal counsel and Kristine E. Palmer (Licensee) stipulate and agree as follows:

1. Jurisdiction. Licensee is licensed as a registered nurse (RN) by the state of Montana Board of Nursing (Board), license no. 47283. The license expired December 31, 2012, and for disciplinary purposes, the Board retains jurisdiction in this matter for two years after the lapse of licensure, pursuant to Mont. Code Ann. § 37-1-141(9).

2. Waiver of Rights. Licensee has read and understands each term of the *Notice of Proposed Board Action, Summary Suspension, and Opportunity for Hearing* (Summary Suspension Notice) and this Stipulation, and understands the various rights provided, including the right to a hearing before an impartial hearings examiner, the right to present evidence and testify and confront and cross-examine witnesses at the hearing, the right to be represented by legal counsel, the right to subpoena witnesses, the right to request judicial review and appeal, and all other rights under Montana Code Annotated Title 2, chapter 4, part 6; (Montana Administrative Procedure Act), Title 37, chapters 1 and 8, and other applicable law. Licensee desires to avoid unnecessary expenditure of time and other valuable resources to resolve this matter. Therefore, Licensee voluntarily and knowingly waives the rights listed above and elects to resolve this matter on the terms and conditions of this Stipulation and acknowledges that no promise, other than those contained in this Stipulation, and no threat or improper assertion has

been made by the Board or Department or by any member, officer, agent or representative of the Board or Department to induce Licensee to enter into this Stipulation.

3. Release. This Stipulation is a final compromise and settlement of this contested case proceeding. Licensee, his or her assigns, agents, and representatives, releases the Board, its members, officers, agents, or representatives from any and all liability, claim, and cause of action, whether now known or contemplated, including but not limited to, any claims under Montana Code Annotated Title 2, chapter 9, part 3 (Montana Tort Claims Act), as amended, or any claim arising under 42 U.S.C. § 1983, which now or in the future may be based upon, arise out of, or relate to any of the matters raised in this case, its processing, investigation, litigation, or from the negotiation or execution of this Stipulation.

4. Entire Agreement. This Stipulation contains the entire agreement of the parties. All prior discussions and writings are superseded by this Stipulation, and no discussion by the Board prior to the approval of this Stipulation may be used to interpret or modify it. Any modification requires a written amendment signed by both parties and final Board approval.

5. Severability. If a court or administrative tribunal declares any term or condition contained in this Stipulation to be unenforceable for any reason, the unenforceable term or condition shall be severed from the remainder of this Stipulation, and the remainder of this Stipulation shall be interpreted and enforced according to its original intent.

6. Reservation. This Stipulation does not restrict the Board from initiating disciplinary action concerning allegations of unprofessional conduct that occur after the date Licensee signs this Stipulation or concerning allegations of conduct not specifically mentioned in this Stipulation that are now known to the Board or yet to be discovered.

7. Stipulation Subject to Final Approval. This Stipulation is subject to final approval by the Board.

8. Renewed Right to Hearing -- Inadmissibility of Stipulation. If the Board considers and does not approve this Stipulation, it is withdrawn and may not be considered as evidence

for any purpose. Licensee will have a renewed 20 days from the date of the publicly noticed Board meeting to submit a written request for a hearing in this matter. Failure by Licensee to request a hearing constitutes a default and allows the Board to enter a Final Order of discipline against Licensee. If, instead, this case proceeds to hearing, Licensee will assert no claim that the Board was prejudiced by its review and discussion of this Stipulation or of any records relating to this Stipulation.

9. Entry of Final Order – Stipulated Facts & Violations: Licensee consents to the entry of a Final Order in this matter to the extent that is consistent with this Stipulation and has final approval by the Board. The following are the unconditionally admitted facts and violations that support the disciplinary sanctions specified below, hereby amending the Fact Assertions and Charge of Statutes, Rules, Or Standards Violated contained in the Summary Suspension Notice.

a. On August 17, 2012, the Department received a complaint from one of Licensee's treating psychiatrists in Montana who questioned whether she was adhering to monitoring, and requested the Board investigate Licensee's current status regarding her work safety and treatment.

b. The complaint stated that Licensee worked in a newborn intensive care unit (ICU) in Billings, MT.

c. Licensee failed to respond to the complaint.

d. On October 9, 2012, the Board's Screening Panel first reviewed the complaint. The Panel tabled the matter and requested an investigation by the Department for additional information.

e. By subpoena under the authority of Mont. Code Ann. § 37-1-307(1)(b), the Department obtained healthcare information pertaining to Licensee's treatment, which the Screening Panel reviewed on April 16, 2013 as part of the Department's report of investigation. In part, Licensee's healthcare information indicated a demonstrated mental disorder, alcohol

abuse, safety risks to patients due to Licensee's failure to appreciate the potential impact of her mental disorder on her nursing practice, and the likelihood of Licensee practicing nursing without monitoring or psychiatric treatment.

f. Additionally, the investigation included information that Licensee was working as a travel nurse in Texas.

g. The Screening Panel found reasonable cause to believe Licensee violated Title 37, chapter 1 of the Montana Code Annotated justifying disciplinary proceedings. The Screening Panel further directed that a formal Summary Suspension be served upon Licensee because public health, safety, and welfare imperatively require emergency action as a result of its finding that Licensee was unable to practice nursing with reasonable skill and safety and its concern that she could otherwise return to practice in Montana as a travel nurse.

h. The Department attempted to serve Licensee by certified mail with a copy of the Notice of Summary Suspension on April 25, 2013 at the address she provided to the Board. On June 11, 2013, the Department received the copy of the Summary Suspension Notice back from the United States Postal Service (USPS), marked "return to sender, unclaimed, unable to forward."

i. On June 12, 2013, the Department emailed a copy of the Summary Suspension Notice to Licensee at the email address she provided to the Board. The Department received notification that the email was delivered to Licensee's email address, but did not receive a "read receipt" confirmation that Licensee opened the email.

j. On June 13, 2013, the Department attempted to serve Licensee a copy of the Summary Suspension Notice by certified mail at a Texas address provided to the Department by Licensee's travel nurse agency. Additionally, the Department attempted to serve Licensee a copy of the Summary Suspension by regular mail at the address she provided to the Board.

k. Thereafter, Licensee contacted Department counsel, indicating that she received a copy of the Summary Suspension Notice by email. Licensee acknowledged that she failed to

respond to the complaint and did not previously receive the Summary Suspensions Notice because she had changed residences without updating her address with the Board.

l. Licensee further provided that she now permanently resides in Texas and no longer works as a travel nurse because of a recent offer for permanent employment as an RN. Licensee is seeking licensure in Texas and no longer intends to practice in Montana.

m. Licensee explained the period of time in which she required psychiatric treatment in Montana as approximately four weeks in which she experienced personal and financial stress. Presently, Licensee receives treatment in Texas.

n. Licensee's conduct of having a mental disability that rendered her unable to practice as an RN in Montana with reasonable skill and safety constitutes unprofessional conduct pursuant to Mont. Code Ann. § 37-1-316(11).

10. Stipulated Disciplinary Sanctions. Upon acceptance of this Stipulation by the Board, Licensee agrees to the following sanction:

a. As a result of Licensee's permanent relocation to Texas to practice nursing, the summary suspension against Licensee's RN license in Montana is hereby lifted because emergency action is no longer required to protect the public's health, welfare, and safety in Montana.

b. As a result of Licensee's intent to no longer practice nursing in Montana, Licensee agrees to surrender her RN license to practice in Montana.

d. Licensee shall return all documentation of licensure with the Board within twenty-four hours of receiving notice of entry of the Final Order in this matter.

e. The full Board shall review any future application Licensee submits to practice nursing in Montana.

11. Public Documents. The Summary Suspension Notice, this Stipulation, and a Final Order issued by the Board are public documents that the Department, at minimum, must

make publicly available on the Department's website and Professional databases, and may otherwise distribute to other interested persons or entities.

12. Complying with the Terms of the Stipulation. Licensee's failure to strictly abide by the terms of the Stipulation shall constitute a violation of the Final Order of the Board.

IN RE: KRISTINE ELLEN BONNIE PALMER

RN LICENSE # 1087488
(INVALIDATED 1/10/2014)

The Kentucky Board of Nursing, hereinafter referred to as the Board, has probable cause to believe that I have committed violations of KRS Chapter 314, including KRS 314.091(1)(b,d,f,h,i,j,l) and KRS 314.021(2). I acknowledge that I voluntarily surrendered my Montana nursing license due to alcohol abuse, convictions that I failed to report to the Kentucky Board of Nursing, and am now living in Texas and do not plan to practice in Kentucky. I understand that I have the right of hearing and appeal as authorized by statute. This right includes the right to be present with counsel, the right to subpoena and confront witnesses, and the right to appeal the decision as entered by the Board. I knowingly waive these rights by entering into this Agreed Order with the Board.

By signing this Agreed Order, I voluntarily surrender my nursing license/privilege to practice nursing for a period of at least two (2) years and I relinquish all right, title and privilege of practicing as a nurse in the Commonwealth of Kentucky until my license is reinstated.

I understand I must make a written request for a hearing if I wish the Board to consider reinstatement of my nursing license/privilege to practice nursing after the period of voluntary surrender and that the terms for reinstatement will be based on the established Board Guidelines for Reinstatement of a Voluntarily Surrendered License. I also understand that I will be required to pay a civil penalty of twelve hundred dollars (\$1200), in addition to any other monies due the Board, prior to application for reinstatement of the nursing license/privilege to practice nursing.

This Agreed Order shall be effective and binding on me and the Kentucky Board of Nursing immediately when signed by both parties, and shall be considered public information that can be disseminated according to the regulations of the Board, the Kentucky Open Records Act, and any other state or federal law as required.

I hereby release the Kentucky Board of Nursing, its members, employees, agents, and officers, jointly and severally, from any and all liability arising from the within matter.

All provisions and conditions of this Order shall carry over to any license or privilege to practice nursing in Kentucky that I receive, including pursuant to any multi-state nursing licensure compact with the Board.
