	§	

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of ANGSELEE LYZANDRA BIBB-SERRANO, Vocational Nurse License Number 202994, hereinafter referred to as Respondent.

6. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse (LVN) with Epic Health Services, Austin, Texas, and had been in that position for three (3) years and six (6) months.
7. On or about June 1, 2016, through January 30, 2019, while employed as a private duty Licensed Vocational Nurse (LVN) with Epic Health Services, Austin, Texas, Respondent violated the professional boundaries of the nurse/client relationship in that Respondent spent time with Patient EP and his family when she was not scheduled or assigned to care for the patient, invited the patient and his family to her home, and went on vacations with Patient EP and his family. Additionally, Respondent picked up medications from the pharmacy for Patient EP. Respondent's conduct was likely to injure the patient in that it could have resulted in confusion between the needs of the nurse and those of the patient, and may have caused delayed distress for the patient and the patient's family, which may not be recognized until harmful consequences occur.
