

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of	§	AGREED ORDER
Vocational Nurse License Number 305093	§	
issued to DANIEL GALINDO	§	
	§	

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of DANIEL GALINDO, Vocational Nurse License Number 305093, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(1),(3)&(10) Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on January 6, 2020.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Kilgore College-Longview Cen, Longview, Texas, on December 9, 2011. Respondent was licensed to practice vocational nursing in the State of Texas on January 17, 2012.
5. Respondent's nursing employment history is unknown.

6. On or about October 31, 2019, Respondent entered a plea of Guilty to POSS CS PG1<1G, a State Jail Felony offense committed on January 12, 2018, in the 188th District Court of Law of Gregg County, Texas, under Cause No. 47602-A. As a result of the plea, the proceedings against Respondent were deferred without entering an adjudication of guilt, and Respondent was placed on probation for a period of five (5) years, and ordered to pay a fine and court costs.
7. On or about October 23, 2019, Respondent entered a plea of Guilty to POSS CS PG1>200G<400G, a 1st Degree Felony offense committed on October 4, 2018, in the 241st District Court of Smith County, Texas, under Cause No. 241-1110-19. As a result of the plea, the proceedings against Respondent were deferred without entering an adjudication of guilt, and Respondent was placed on probation for a period of six (6) years and ordered to pay a fine and court costs.
8. In response to Findings of Fact Numbers Six (6) and Seven (7), Respondent states he has been struggling with drug addiction for the last 3 years. He tried to stop using on his own, but always relapsed. His addiction has caused his life great harm, including isolation from his family and friends, but also legal issues that he is currently working on. At the end of 2016, he started on a pre-trial at Harrison County for evading arrest, then close to completing the program of the pre-trial, he relapsed and refused to take a mandatory drug test which revoked his pretrial and he was placed on deferred probation. At that point he decided to stop working as a nurse until he dealt with his addiction and tried to recover, but he failed time and time again because of the lack of support system and his refusal for letting go of people, places, and things. In January of 2018, he was stopped by a state trooper and they found a syringe in his vehicle with meth in it and he has been indicted for a felony in Gregg County and even though this was bottom for him he continued to use. Then October of 2018, he was going to help a friend in Smith County and was stopped at a rest area. The friend's car was searched and they were both charged with possession. This last charge caused his probation in Harrison County to be revoked.
9. Formal Charges were filed on December 4, 2019.
