On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the Endorsement Application, which has been processed as a Petition for Declaratory Order, herein referred to as the Petition, pursuant to 22 TEX. ADMIN. CODE §217.5(f) & §213.30, and supporting documents filed by TIFFANY SYEMONE COOPER, hereinafter referred to as Petitioner, requesting a determination of eligibility for licensure in compliance with Sections 301.252, 301.257 and 301.260, Texas Occupations Code, and the Board's Rules at 22 TEX. ADMIN. CODE §217.5(f) and §213.30, together with any documents and information gathered by staff and Petitioner's Certification contained herein.

Information received by the Board produced evidence that Petitioner may be ineligible for licensure pursuant to Sections 301.452(b)(8) and 301.453, Texas Occupations Code.

Petitioner waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on November 7, 2019.

FINDINGS OF FACT

1. On or about October 19, 2018, Petitioner submitted the Petition requesting a determination of eligibility for licensure.
2. Petitioner received a Certificate in Vocational Nursing from Louisiana State University, Louisiana, on December 1, 2014.
3. Petitioner completed the Petition and answered Yes to the question which reads as follows: *"Has any licensing authority refused to issue you a license or ever revoked, annulled, cancelled, accepted surrender of, suspended, placed on probation, refused to renew a*

professional license, certificate or multi-state privilege held by you now or previously, or ever fined, censured, reprimanded or otherwise disciplined you?"

4. On June 5, 2018, Petitioner was issued a Final Order by the Louisiana State Practical Nurse Examiners. A copy of the June 5, 2018, Final Order is attached and incorporated, by reference, as part of this Order.
5. After considering the action taken by the Louisiana State Practical Nurse Examiners, along with Petitioner's subsequent conduct, the Executive Director is satisfied that Petitioner should be able to meet the requirements of the Nursing Practice Act, the Board's Rules and Regulations, and generally accepted standards of nursing practice.
6. The Executive Director considered evidence of Petitioner's past behavior in light of the factors set out in 22 TEX. ADMIN. CODE §213.27 and determined that Petitioner currently demonstrates the criteria required for licensure.
7. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of Petitioner's disclosures.
8. Petitioner has been advised by the Board that any information found to be incomplete, incorrect or misleading to the Board or a subsequent discovery of a basis of ineligibility will be considered by the Board and may result in an ultimate determination of ineligibility or the later revocation of a license obtained through fraud or deceit.
9. Petitioner shall immediately notify the Board of any fact or event that could constitute a ground of ineligibility for licensure under Section 301.452(b), Texas Occupations Code.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. On or about October 19, 2018, Petitioner submitted the Petition requesting a determination of eligibility for licensure in compliance with Sections 301.252, 301.257, and 301.260, Texas Occupations Code, and the Board's Rules at 22 TEX. ADMIN. CODE §217.5(f) and §213.30.
3. Petitioner's history reflects conduct which may constitute grounds for denial of a license under Section 301.452(b)(8), Texas Occupations Code.
4. The Board may probate the denial of a license under conditions for a specified term pursuant to Section 301.453, Texas Occupations Code.

5. The Board may license an individual upon evaluation of the factors in 22 TEX. ADMIN. CODE §213.27, and pursuant to 22 TEX. ADMIN. CODE §213.33, if the Board is satisfied that the individual is able to consistently conform her conduct to the requirements of the Nursing Practice Act, the Board's Rules and Regulations, and generally accepted standards of nursing practice.
6. This Order is conditioned upon the accuracy and completeness of Petitioner's disclosures. Any subsequently discovered discrepancies will result in investigation and possible disciplinary action, up to revocation of Petitioner's license(s).
7. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.

CONSENT AGREEMENT/ORDER

The Louisiana State Board of Practical Nurse Examiners does hereby offer this consent agreement/order to **Tiffany Cooper, license #20150195** based on the following:

FINDINGS OF FACT

1. The board received a report from Claiborne Healthcare Center, indicating that during a routine check of the narcotic log, the DON observed that the respondent had given a PRN dose of Norco to a resident 30 minutes after the previous nurse had administered the medication. Further investigation revealed that on numerous occasions in April, the respondent gave narcotics every 4 hours when they were ordered every 6 hours. Also, she administered Norco to a resident (F. Nash) and the medication was not listed on the MAR. It was ordered in December of 2015; however, a telephone order was never written. Furthermore, the resident denies taking any Norco. The DON suspended the respondent from working until the allegations were addressed.
2. The board received information from Christus Health Shreveport – Bossier, indicating that on 7/14/16 when reporting to the oncoming nurse, the respondent was asked to report on a specific patient. Initially, the respondent stated that she did not have that patient, and then she stated that she did have the patient, but that she was confused. It was also noted that the respondent completed all of her documentation at 7pm; however, throughout the day, it was reflected that medications were pulled during various times and administered at various times. It was also reported that a review of the NS call system indicated that she did not enter the patient's room until the end of shift between 6:30 pm – 7 pm. During the respondent's report she stated that she did not enter the room to see the patient, however, she documented that she did see the patient because she was told to do that.

3. The board received information indicating that while the respondent was employed at Elite Health Care Solution as an LPN, an employer, NLMC, called to state that they did not want her back as an employee. The reasons stated were that she was sleeping on the job, she had a bad attitude, she was not documenting or doing assessments, she was not restarting IVs and when asked why, she stated that the patient got on her nerves.
4. The board received information from Heritage Manor West indicating that on 10/16/15, she gave a verbal resignation to her supervisor. However, she was requested by her DON to return to the facility to complete documentation that was not completed while on duty. The respondent refused to do so and then informed her supervisor that she would not return to work. On 6/28/15, she was given a warning about leaving the facility and failing to clock out. She was warned about her attitude on 6/5/15 and warned about the proper procedure of calling in to work after start of shift.
