

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of	§	AGREED ORDER
Registered Nurse License Number 888597	§	
issued to MAIMOUNA SOW	§	
	§	

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of MAIMOUNA SOW, Registered Nurse License Number 888597, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on February 27, 2020.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received a Baccalaureate Degree in Nursing from Midwestern State University, Wichita Falls, Texas, on May 1, 2015. Respondent was licensed to practice professional nursing in the State of Texas on October 20, 2015.
5. Respondent's complete nursing employment history is unknown.
6. On or about August 28, 2019, through November 1, 2019, while enrolled as a Nurse Practitioner Student with Walden University, Minneapolis, Minnesota, Respondent submitted clinical hour logs to the university of hours completed at Hawkins Psychiatry, Arlington, Texas, under the name of a nurse practitioner who was not her preceptor and did not supervise her. Respondent's conduct resulted in inaccurate clinical logs.

7. In response to the incident in Finding of Fact Number Six (6), Respondent states that the inaccurate clinical log was a result of Hawkins Psychiatry's lack of transparency and mismanagement. Respondent states that she was assigned to a preceptor by the site coordinator at the clinic. Upon starting clinicals in August 2019, Respondent states that she was reassigned to another nurse practitioner, because the first preceptor was on a leave of absence. Respondent adds that she was told much later that the assigned preceptor actually no longer worked at the clinic. Respondent states that she completed her 160 clinical hours with a nurse practitioner, and continued to log her hours under the assigned preceptor's name. Respondent states that she is currently working with Walden to correct her precepted logged hours to reflect the nurse practitioner that was actually her preceptor.
