PETITIONER'S CERTIFICATION

I am the Petitioner in this matter. I have fully and truthfully disclosed all of my past conduct which could constitute grounds for licensure ineligibility, and I have caused a complete and accurate criminal history to be submitted to the Texas Board of Nursing from each jurisdiction in which I have been adjudged guilty by way of conviction or deferred order. I certify that my past behavior, except as disclosed in my application, has been in conformity with the Board's character rule. I have provided the Board with complete and accurate documentation of my past conduct in violation of the penal law of any jurisdiction which was disposed of through any procedure short of conviction, such as: conditional discharge, deferred adjudication or dismissal. I have no criminal prosecution pending in any jurisdiction.

In connection with my application, I acknowledge that I have read and I understand Sections 301.157(d), 301.252, 301.253, 301.257, 301.258, 301.260, 301.452, and 301.453, Texas Occupations Code, and Chapter 53, Section 53.001 *et seq.*, Texas Occupations Code, and 22 TEX. ADMIN. CODE §§213.27, 213.28, 213.29, and 213.30. I agree with all terms of this Order, including the Findings of Fact and Conclusions of Law and any stipulations as set out in this Order. I acknowledge that this Order is stipulated and I understand that I am not eligible to receive a Temporary Permit to practice nursing. I agree to inform the Board of any other fact or event that could constitute a ground for denial of licensure prior to accepting any license from the Texas Board of Nursing.

I understand that if I fail to comply with all terms and conditions of this Order, I will be subject to investigation and disciplinary sanction, including revocation of my license(s) to practice nursing in the State of Texas, as a consequence of my noncompliance.

I understand that I can be represented by an attorney in this matter. I waive representation, notice, administrative hearing, and judicial review of this Order and request that the Texas Board of Nursing ratify this Order.

AGREED SETTLEMENT PROPOSAL

WHEREAS, RESPONDENT, LEAH WINTERS, has been vested with the right and privilege to practice nursing in the State of Mississippi by virtue of License No. P-320285 issued by the Mississippi State Board of Nursing;

WHEREAS, RESPONDENT, LEAH WINTERS, has consented to enter into an AGREED SETTLEMENT PROPOSAL without the necessity of a disciplinary hearing before the Mississippi Board of Nursing;

FINDINGS OF FACT AND CONCLUSIONS OF LAW

1. That **RESPONDENT** agrees to, offers no defense to, and that sufficient evidence exists to constitute a violation of Miss. Code Ann. Section 73-15-29 (1) (e) in that **RESPONDENT** has negligently or willfully practiced nursing in a manner that fails to meet generally accepted standards of such nursing practice.
2. That **RESPONDENT** agrees to, offers no defense to, and that sufficient evidence exists to constitute a violation of Miss. Code Ann. Section 73-15-29 (1) (2) in that **RESPONDENT** has engaged in any unprofessional conduct as identified by the Board in its rules; namely, that **RESPONDENT** violated 30 Miss. Admin. Code Pt. 2820, R. 1.2 (C) in that **RESPONDENT** has engaged in misrepresentation, deception or failed to disclose information as requested on any licensure or board of nursing document when attempting to secure or obtain a nursing license.
3. That while practicing at River Chase Village in Gautier, MS, on her Multistate privilege to practice, afforded to her by Texas Nursing License (PN 307898), **RESPONDENT** failed to properly administer medication to patients. On or about August 30th, 2017, facility personnel discovered between eight (8) and twenty (20) pills in an unlabeled clear plastic cup atop a medication cart. Upon investigation, the facility discovered

RESPONDENT was improperly administering medications. **RESPONDENT** admitted in her statement to the Board dated October 05th, 2017, to placing medications at patients bedside, exiting without witnessing administration, proceeding to deliver medication to other patients, and returning later to determine whether patients administered medications. Further, **RESPONDENT** admitted that on August 30th, 2017, she forgot to remind and/or ensure two (2) patients administered medications.

4. That **RESPONDENT'S** Mississippi Multistate license expired December 31st, 2009. **RESPONDENT** applied for reinstatement of her Mississippi Multistate license approximately February 07th, 2018.
5. On her February 07th, 2018 application for reinstatement, **RESPONDENT** checked, "Yes," to the question, "Since your last application submission to the Board, have you been denied licensure/certification, had disciplinary action or is action pending against you by a Board of Nursing or any other regulatory agency or certification organization in any state or jurisdiction?" When asked on her application to submit a certified copy of disciplinary actions taken by other Boards of Nursing, **RESPONDENT** failed to disclose that approximately June 19th, 2012, she entered into an Agreed Eligibility Order with the Texas Board of Nursing, wherein **RESPONDENT** was disciplined for failing to disclose her June 10th, 2008 Mississippi Board of Nursing Board Order on her Texas license endorsement application.
