BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of § AGREED ORDER  
Registered Nurse License Number 791576 §  
issued to GREGORY LEE BELZ §  
§

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of GREGORY LEE BELZ, Registered Nurse License Number 791576, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on June 7, 2019.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received an Associate Degree in Nursing from Vernon College, Vernon, Texas, on May 15, 2010. Respondent was licensed to practice professional nursing in the State of Texas on September 16, 2010.
5. Respondent's nursing employment history includes:

9/2010 - 2014	Registered Nurse	United Regional Health Care Wichita Falls, Texas
---------------	------------------	---

Respondent's nursing employment history continued:

2013 – 2015	Registered Nurse	Kell West Regional Hospital Wichita Falls, Texas
2013 - 2016	Registered Nurse	Wise Regional Health System Unknown
8/2016 – 6/2018	Supervising Registered Nurse	Southwest Corrections Medical Group San Diego, California Assigned to Wichita County Jail Wichita Falls, Texas
6/2018 - Present	Registered Nurse	Graham Regional Medical Center Graham, Texas

6. At the time of the initial incident, Respondent was employed as a Supervising Registered Nurse with Southwest Correctional Medical Group, San Diego, California, and assigned to Wichita County Jail, Wichita Falls, Texas, and had been in that position for ten (10) months.
7. On or about June 29, 2017, through March 28, 2018, while employed as a Supervising Registered Nurse with Southwest Correctional Medical Group, San Diego, California, and assigned to Wichita County Jail, Wichita Falls, Texas, Respondent failed to investigate allegations of a staff nurse having falsified medical records, including H&P records, vital signs and weights, and/or repeatedly failing to assess and document History and Physical Assessments on patients as required. Additionally, Respondent failed to escalate his concerns and report the ongoing incidents to his supervisors and management. Respondent's conduct likely contributed to the delay in receiving nursing interventions and medical care for existing medical conditions.
8. On or about August 18, 2017, while employed as a Supervising Registered Nurse with Southwest Correctional Medical Group, San Diego, CA, and assigned to Wichita County Jail, Wichita Falls, Texas, Respondent failed to ensure a medication error was documented, when a staff nurse administered three times the ordered dose of Valium to Patient Number AI7528. Respondent's conduct resulted in incomplete medical record, and was likely to injure the patient in that subsequent care givers would rely on her documentation in order to provide further patient care.
9. In response to Finding of Fact Number Seven (7), Respondent reports beginning in December he met with the staff nurse on several occasions to address the concerns, and he

started working on his investigation by the end of February, to include reviewing several months of surveillance video. In response to Finding of Fact Number Nine (9), Respondent reports a different patient received Valium three times the prescribed dose.
