Executive Director of the Board

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED ORDER
Registered Nurse License Number 938006 §
issued to AUSTIN THOMAS PERKINS §
§

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of AUSTIN THOMAS PERKINS, Registered Nurse License Number 938006, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(1)&(10), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on June 26, 2020.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received a Baccalaureate Degree in Nursing from Texas Womans University, Denton, Texas, on December 1, 2017. Respondent was licensed to practice professional nursing in the State of Texas on February 1, 2018.
5. Respondent's nursing employment history includes:

2/2018 – 11/2018	RN	Baylor University Medical Center Dallas, Texas
------------------	----	--

Respondent's nursing employment history continued:

11/2018 – 01/2019	Unknown	
01/2019 – Present	RN	Medical City Heart and Spine Dallas, Texas

6. On or about August 13, 2019, Respondent was issued the sanction of Warning with Stipulations through an Order of the Board. A copy of the August 13, 2019, Order is attached and incorporated herein by reference as part of this Agreed Order.
7. At the time of the initial incident, Respondent was employed as a nurse with Medical City Heart and Spine, Dallas, Texas, and had been in that position for thirteen (13) months.
8. On or about March 30, 2020, Respondent failed to comply with the Order of the Board issued to him on August 13, 2019, by the Texas Board of Nursing. On or about March 30, 2020, Respondent produced a specimen for a random drug screen, which resulted positive for amphetamines. Noncompliance is the result of Your failure to comply with Stipulation Six (VI), Subsection (A), of the Agreed Order, which reads:
 - A. While under the terms of this Order, RESPONDENT SHALL abstain from the use of alcohol, tramadol and all controlled substances, except as prescribed by a licensed practitioner for a legitimate purpose.
9. In response to Findings of Fact Number Eight (8), Respondent states, “As for the positive drug screen, Austin took one pill of Adderall. Not too long prior to the shutdown in March, Austin saw his doctor and they discussed the possibility of the doctor prescribing Adderall. They left it for a future time when Austin would have a full assessment. Then when things shut down, Austin didn’t have the opportunity to see his doctor again and in late March a friend (not a nurse) gave him one pill, which he took. He did not take more than one, and the level of amphetamine in that positive screen should be consistent with the single dose of Adderall. I have not seen the test results. He knows he should not have taken it even once, and all screens since March (and all before) have been negative.”
10. Respondent's compliance with the terms of a Board approved peer assistance program should be sufficient to protect patients and the public.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.

2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.12(11)(B).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(1)&(10), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 938006, heretofore issued to AUSTIN THOMAS PERKINS.
5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
6. The Board may, in its discretion, order a nurse to participate in a peer assistance program approved by the Board if the nurse would otherwise have been eligible for referral to peer assistance pursuant to Section 301.410, Texas Occupations Code.

AGREED ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of AUSTIN THOMAS PERKINS, Registered Nurse License Number 938006, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(9),(10)&(13), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on May 31, 2019.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received a Baccalaureate Degree in Nursing from Texas Woman's University, Denton, Texas, on December 1, 2017. Respondent was licensed to practice professional nursing in the State of Texas on February 1, 2018.
5. Respondent's nursing employment history includes:

2/2018 – 11/2018	Registered Nurse	Baylor University Medical Center Dallas, Texas
11/2018 – 1/2019	Unknown	

Respondent's nursing employment history continued:

1/2019 - Present	Registered Nurse	Medical City Dallas Dallas, Texas
------------------	------------------	--------------------------------------

6. At the time of the initial incident, Respondent was employed as a Registered Nurse with Baylor University Medical Center, Dallas, Texas, and had been in that position for seven (7) months.
7. On or about September 2, 2018 through November 8, 2018, while employed as a Registered Nurse with Baylor University Medical Center, Dallas, Texas, Respondent withdrew four (4) injections of Fentanyl 100mcg, two (2) tabs of Acetaminophen/Codeine 300/30mg, one (1) injection of Morphine 2mg, one (1) tab of Tramadol 50mg, and one (1) carpject vial of Morphine 4mg from the medication dispensing system for patients, but failed to document and/or completely and accurately document the administration of the medications in the patients' Medication Administration Record (MAR) and/or nurses' notes. Respondent's conduct was likely to injure the patients, in that subsequent care givers would rely on her documentation to further medicate the patients, which could result in an overdose. Additionally, Respondent's conduct placed the hospital in violation of Chapter 481 (Controlled Substances Act) of the Texas Health and Safety Code.
8. On or about September 2, 2018 through November 8, 2018, while employed as a Registered Nurse with Baylor University Medical Center, Dallas, Texas, Respondent withdrew four (4) injections of Fentanyl 100mcg, two (2) tabs of Acetaminophen/Codeine 300/30mg, one (1) injection of Morphine 2mg, one (1) tab of Tramadol 50mg, and one (1) carpject vial of Morphine 4mg from the medication dispensing system for patients, but failed to follow the facility's policy and procedures for wastage of unused portions of the medications. Respondent's conduct left medications unaccounted for, was likely to deceive the hospital pharmacy, and placed the pharmacy in violation of Chapter 481 (Controlled Substances Act) of the Texas Health and Safety Code.
9. On or about September 2, 2018 through November 8, 2018, while employed as a Registered Nurse with Baylor University Medical Center, Dallas, Texas, Respondent may have misappropriated four (4) injections of Fentanyl 100mcg, two (2) tabs of Acetaminophen/Codeine 300/30mg, one (1) injection of Morphine 2mg, one (1) tab of Tramadol 50mg, and one (1) carpject vial of Morphine 4mg belonging to the facility or patients thereof, or failed to take precautions to prevent such misappropriations. Respondent's conduct was likely to defraud the facility and patients thereof of the cost of the medications.
10. On or about November 19, 2018, while employed as a Registered Nurse with Baylor University Medical Center, Dallas, Texas, Respondent engaged in the intemperate and unlawful use of marijuana in that Respondent produced a specimen for reasonable suspicion drug screen that resulted positive for marijuana. The use of marijuana by a Nurse,

while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms, or changes in a patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing a patient in potential danger.

11. In response to Findings of Fact Numbers Seven (7) through Ten (10), Respondent admits to failing to document administrations at times; Respondent states verbal orders were given throughout the shift and may not have been entered into the MAR at the time of administration and Respondent would forget to go back and scan the medication. Respondent denies failing to waste medications and adamantly denies misappropriation. Respondent admits to using marijuana, however, Respondent states he never worked while impaired, was not working at the time of the drug screen, and states he has not used marijuana since and will not.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.

4. The evidence received is sufficient cause pursuant to Section 301.452(b)(9),(10)&(13), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 938006, heretofore issued to AUSTIN THOMAS PERKINS.
5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
