Executive Director of the Board

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED ORDER
Registered Nurse License Number 842439 §
issued to PATRICK ECHE OKOYE §
§

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of PATRICK ECHE OKOYE, Registered Nurse License Number 842439, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on July 31, 2020.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received an Associate Degree in Nursing from Metropolitan Community College – Penn Valley, Kansas City, Missouri, on May 9, 1992. Respondent was licensed to practice professional nursing in the State of Texas on August 7, 2013.
5. Respondent's nursing employment history includes:

08/2013 - Present	Staff Float Nurse	Ascension Seton Family of Hospitals Austin, Texas
-------------------	-------------------	--

Respondent's nursing employment history continued:

09/2016 – Present	Alternate Administrator	Lovely Saints Home Care Round Rock, Texas
02/2018 – 06-2018	RN House Supervisor/Float RN	Cedar Park Regional Medical Center, Cedar Park, Texas
06-2018 – 12/2019	Staff RN	Westways Staffing, Inc. Austin, Texas
08-2018 – Present	RN	Georgetown Behavior Health Institute, Georgetown, Texas

6. At the time of the incident, Respondent was employed as a staff float nurse with Ascension Seton Hospitals, and had been in that position for four (4) years.
7. On or about June 3, 2018, while employed as a staff float nurse with Cedar Park Regional Medical Center, Cedar Park, Texas, Respondent failed to timely report a patient's potential change in neurological status to the charge nurse and/or the physician. Respondent's conduct could have contributed to pain and suffering from delayed treatment for the symptoms of stroke.
8. In response to Finding of Fact Number Seven (7), Respondent states that he consulted the physician immediately after reviewing the patient's prior assessment findings. Respondent had been unable to view the prior assessments due to a power outage. In shift change report, Respondent had been told by the off-going nurse that the patient had been admitted for cardiovascular accident and had right-sided weakness that was improving, but that the patient did not speak as he only spoke Spanish. Instead, the patient would simply nod or shake his head in response to questions. During Respondent's assessment, the patient continued to respond nonverbally but exhibited right-sided weakness that did not seem "improved" as per the previous shift's report. Respondent found the patient's vital signs stable and called the telemetry technician to inquire about the patient's EKG, who confirmed there had been no changes in the patient's vital signs. During this time, Respondent was also responsible for admitting an additional patient, as well as tending to a high acuity fall risk patient who continuously set off his bed alarm by getting out of bed. The combination of the above events led to a delay in Respondent being able to access prior assessments to determine whether any potential change in patient status had occurred.
9. Formal Charges were filed on December 13, 2018.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B),(1)(D),(1)(M),(1)(P)&(3)(A) and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)(13), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 842439, heretofore issued to PATRICK ECHE OKOYE.
5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
