

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of	§	AGREED ORDER
Vocational Nurse License Number 313779	§	
issued to SHANI SCHEXNAYDER	§	
	§	

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of SHANI SCHEXNAYDER, Vocational Nurse License Number 313779, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on June 30, 2020.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Fortis College, Grand Prairie, Texas, on March 21, 2013. Respondent was licensed to practice vocational nursing in the State of Texas on May 2, 2013.
5. Respondent's nursing employment history includes:

6/2013 – 12/2016	Licensed Vocational Nurse/Wound Care Nurse	North Pointe Nursing and Rehabilitation Watauga, Texas
------------------	---	--

Respondent's nursing employment history continued:

1/2016 – 11/2017	Unknown	
12/2017-7/2018	Licensed Vocational Nurse	Downtown Health Nursing and Rehabilitation Unknown
8/2018- Unknown	Licensed Vocational Nurse/Wound Care Nurse	Keller Oaks Nursing and Rehabilitation Keller, Texas

6. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse/Wound Care Nurse with Keller Oaks Healthcare Center, Keller, Texas, and had been in that position for one (1) year and four (4) months.
7. On or about December 3, 2019, through December 6, 2019, while employed as a Licensed Vocational Nurse/Wound Care Nurse with Keller Oaks Healthcare Center, Keller, Texas, Respondent failed to recognize and/or accurately report the change in condition of the foot of Patient KC, when the patient experienced skin breakdown, with a swollen purple toe. Additionally, Respondent failed to completely and accurately document assessments, contact with other members of the healthcare team, and treatment orders received regarding the toe. Subsequently on December 8, 2019, the patient was sent to the ER and diagnosed with a gangrenous infection noted to all toes in left foot, with swelling and redness spread from the left foot to mid-calf, requiring an above the knee leg amputation. Respondent's conduct resulted in an incomplete medical record, and was likely to injure the patient from a delay in appropriate treatment to the foot injury that was needed to prevent further complications.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states that the patient's daughter showed her the patient's left great toe on December 3rd, which was swollen, purple, and had a skin tear between the toes. Respondent states that she communicated with the nurse practitioner that day, who ordered the X-ray of the patient's foot when Respondent explained that the toe was swollen. Respondent states that on December 4th, she shared the results of the X-ray with her supervisors in the daily morning rounds. Respondent states that there were several nurses and aides who saw the patient over the next few days, and no one reported a change in condition of the patient's foot. Respondent states that on December 6th, she noticed that the patient's toe was still purple but there were no other changes. Regarding documentation, Respondent states that on December 12th, she realized that her charting was incomplete on this patient, so she entered late entries at that time.
