In the Matter of Registered Nurse § AGREED
License Number 559575 §
issued to JOHN WELDON WILLIAMS § ORDER

I do hereby certify this to be a complete, accurate, and true copy of the document, which is on file or is of record in the offices of the Texas Board of Nursing.
Katherine A. Thomas
Executive Director of the Board

On this day the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, considered the matter of JOHN WELDON WILLIAMS, Registered Nurse License Number 559575, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived informal conference, notice and hearing, and agreed to the entry of this Order offered on April 6, 2006, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from San Jacinto College, Pasadena, Texas, on December 14, 1989. Respondent was licensed to practice professional nursing in the State of Texas on March 23, 1990.
5. Respondent's professional nursing employment history includes:

03/1990 - 12/1992	Staff Nurse	Park Plaza Hospital Houston, Texas
03/1991 - 02/2002	PRN Flight Nurse	American Jet Air Medical Houston, Texas

Respondent's nursing employment history continued:

04/1993 - 03/1997	Staff Nurse	Memorial Hermann Hospital Houston, Texas
05/1995 - 06/1999	Flight Nurse	Air America Medical Transport Houston, Texas
04/1999 - 12/2001	Staff Nurse	TRS Behavioral Care, Inc. Houston, Texas
12/2001 - 08/2004	Case Manager, Admissions Coordinator, On-Call Nurse and Admissions Nurse	Odyssey Health Care Houston, Texas
09/2004 - 06/2005	Case Manager	Houston Northwest Medical Center Houston, Texas
07/2005 - Present	Unknown	

6. At the time of the initial incident in Finding of Fact Number Seven (7), Respondent was employed as a Staff Nurse with Odyssey Health Care, Houston, Texas, and had been in this position for two (2) years and seven (7) months.
7. On or about June 22, 2004, while employed as an admissions nurse with Odyssey Health Care, Houston, Texas, Respondent falsely documented the diagnosis of Congestive Heart Failure, as a result of a history of Myocardial Infarction, for Patient B. A. Consequently, the death certificate inaccurately listed Congestive Heart Failure as the cause of death. Respondent's conduct deceived subsequent care givers, and may have created inaccurate, medical records, which may influence the health records of the patient's progeny.
8. On or about July 6, 2004, while employed with Odyssey Health Care, Houston, Texas, and on assignment at Mariner Northwest Healthcare Center, Houston, Texas, Respondent administered misappropriated morphine, withdrawn from his backpack, to Patient E. J., without an order. Respondent's conduct was likely to injure the patient from adverse reactions due to medications administered without the benefit of a physician's care and obtained from an uncontrolled source.
9. On or about August 14, 2004, while employed as an admissions nurse with Odyssey Health Care, Houston, Texas, Respondent initiated continuous care for Patient Number 3846 without a valid physician's order and falsely documented that he did receive a physician's order. Respondent's conduct was likely to injure other patients by depriving them of continuous care and may have resulted in inaccurate medical records.

10. On or about June 29, 2005, while employed as a case manager with Houston Northwest Medical Center, Houston, Texas, Respondent exceeded his scope of practice and falsely documented a telephonic physician's order for a hospice consult with Odyssey Health Care for Patient Number 068123132, when a physician's order had been written for a consult with another hospice provider. Respondent's conduct was deceptive, and resulted in an inaccurate medical record.
11. In response to the incidents in Findings of Fact Numbers Seven (7) through Ten (10), Respondent states that he would have no basis for manipulating the diagnosis of Patient B. A. Respondent states that the Morphine he administered to Patient E. J. was collected from an expired patient he had discharged, although according to correspondence from Odyssey Health Care, Respondent was not allowed to perform discharges. Respondent states that he believed he was given approval by the Patient Care Manager to initiate continuous care for Patient Number 3846, although the Patient Care Manager denied giving approval. Respondent states that he believed that the type and nature of the change he made to the medical records of Patient Number 068123132 was a common practice by case management in the Houston, Harris County area.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(10)(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§ 217.11(1) & (3) and 217.12 (1), (3), (19) & (20) and 22 TEX. ADMIN. CODE §§ 217.12 (1)&(20) [effective 9/28/04] .
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 559575, heretofore issued to JOHN WELDON WILLIAMS, including revocation of Respondent's license to practice professional nursing in the State of Texas.
