

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of	§	AGREED ORDER
Registered Nurse License Number 868259	§	
issued to ROSEMARY XAVIER UDOH	§	
	§	

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of ROSEMARY XAVIER UDOH, Registered Nurse License Number 868259, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(13), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on November 18, 2019.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received a Diploma in Nursing from Eja Memorial Hospital, Itigidi Abi, Cross River State, Nigeria, on November 1, 1985. Respondent was licensed to practice professional nursing in the State of Texas on November 26, 2014.
5. Respondent's nursing employment history includes:

11/2014 – 6/2017 Registered Nurse St. Joseph's Medical Center
Houston, Texas

6/2017 - Present Registered Nurse CHI St. Luke's Health-Sugarland
Hospital, Sugarland Texas

6. At the time of the initial incident, Respondent was employed as a Registered Nurse with CHI St. Luke's Woodlands Hospital, The Woodlands, Texas, and had been in that position for one (1) year and ten (10) months.
7. On or about April 12, 2019, while employed as a Registered Nurse with CHI St. Luke's Health-Sugarland Hospital, Sugarland, Texas, Respondent failed to assess the blood pressure of Patient Medical Record Number 05550023 prior to the administration of cardiac medications, Lisinopril, Coreg and Diltiazem. Additionally, Respondent failed to assess the aforementioned patient's blood pressure throughout the shift. Subsequently, when abnormal vital signs were obtained by the technician, including low blood pressure and heart rate, no nursing interventions were performed. The patient became unresponsive after shift change and could not be resuscitated. Respondent's conduct exposed the patient to a risk of harm from potentially adverse complications of undetected and untreated changes in cardiac status, including possible demise.
8. On or about April 12, 2019, while employed as a Registered Nurse with CHI St. Luke's Health-Sugarland Hospital, Sugarland, Texas, Respondent failed to accurately and completely report and document events during the shift related to the aforementioned Patient Medical Record Number 05550023; including, patient status, change in condition, rounding, intake and output, and contact with the provider regarding abdominal bloating. Respondent's conduct created an incomplete medical record and was likely to injure the patient in that subsequent care givers would not have accurate and complete information on which to base their care decisions.
9. In response to the incidents in Findings of Fact Number Eight (8) and Number Nine (9), Respondent states she was never notified by the technician of the abnormal vital signs. Respondent also states the technician had a habit of documenting vital signs in the medical record hours later. Respondent states the patient was found unresponsive after being escorted to the bathroom and left there by the oncoming shift.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.

3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11 (1)(A)(1)(B),(1)(D),(1)(M),(1)(P)&(1)(U).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(13), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 868259, heretofore issued to ROSEMARY XAVIER UDOH.
5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
