BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED ORDER
Vocational Nurse License Number 344684 §
issued to TESSA RENEE DAVIS §
§

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of TESSA RENEE DAVIS, Vocational Nurse License Number 344684, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on September 2, 2020.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Tyler Junior College, Tyler, Texas, on August 1, 2018. Respondent was licensed to practice vocational nursing in the State of Texas on September 4, 2018.
5. Respondent's nursing employment history includes:

9/2018 – 12/2018	Unknown
------------------	---------

Respondent's nursing employment history continued:

1/2019 – 10/2019	LVN	Christus Trinity Clinic Tyler, Texas
11/2019 – 12/2020	Unknown	
1/2020 – 4/2020	LVN	The Center at Grande Tyler, Texas
5/2020 – Present	Unknown	

6. At the time of the incident, Respondent was employed as a License Vocational Nurse with The Center at Grande, Tyler, Texas, and had been in that position for three (3) months.
7. On or about March 31, 2020, while employed as a Licensed Vocational Nurse with The Center at Grande, Tyler, Texas, Respondent failed to properly assess and/or document assessment of Patient BM, after the patient fell. Respondent's conduct resulted in an inaccurate medical record and was likely to injure the patient in that subsequent care givers would not have complete information on which to base their care decisions.
8. On or about March 31, 2020, while employed as a Licensed Vocational Nurse with The Center at Grande, Tyler, Texas, Respondent abandoned patients and failed to give report before leaving the facility during her shift. Furthermore, staff noticed Respondent's personal belongings were gone, the keys to her medication cart were left in the narcotic count book, and Respondent did not answer her phone or return messages. Respondent's conduct exposed the patients unnecessarily to risk of harm in that leaving the nursing assignment could have resulted in patients not getting the care needed.
9. In response to Finding of Fact Number Seven (7), Respondent states Patient BM was assigned to another nurse and that she never received report on the patient or agreed to take the patient. In response to Finding of Fact Number Eight (8), Respondent states she had a high patient load of sixteen (16) and was informed that the administrator was closing a hall and that she would need to take half of those patients in addition to the sixteen (16) she already had. Respondent relates she told the administrator she did not feel comfortable with the patient load, but the administrator tried to intimidate and bully her. Respondent states she told the administrator again that she was uncomfortable with the patient ratio and the administrator told her that if she could not handle the patient load, then she needed to leave the facility. Respondent relates she then gave report to the administrator and left the facility. Respondent states she was asked to leave and was accused of being unable to handle an appropriate patient load
10. Formal Charges were filed on July 28, 2020.
