AGREED ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of TRACIE DENISE JACKSON, Vocational Nurse License Number 170618, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on November 18, 2020.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Victoria College, Hallettsville, Texas, on August 13, 1998. Respondent was licensed to practice vocational nursing in the State of Texas on January 21, 1999.
5. Respondent's nursing employment history includes:

5/1999 – 8/2005

LVN

Silver Hawk Nursing Agency
Houston, Texas

Respondent's nursing employment history continued:

8/2005 – 5/2016	LVN	Harris County Hospital District Houston, Texas
6/2016 – 2/2017	Unknown	
3/2017 – 5/2020	LVN	Aveanna Healthcare Houston, Texas
6/2020 – Present	Unknown	

6. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse with Aveanna Healthcare, Houston, Texas, and had been in that position for approximately three (3) years.
7. On or about April 1, 2020 through April 16, 2020, while employed with Aveanna Healthcare, Houston, Texas, and assigned to provide nursing care for Patient S.S., Respondent falsified nursing documentation in that she was charting from her own home and was not physically with the patient. Additionally, Respondent signed the patient's mother's name on the nursing notes and had not been in the patient's home since March 31, 2020. Respondent's conduct created an inaccurate medical record and was likely to deceive other caregivers who needed complete information on which to base their care.
8. In response to Finding of Fact Number Seven (7) Respondent states this entire situation started at the beginning of the stay at home orders for the COVID 19 pandemic. Respondent states the coordinators informed her to continue working as normal. According to Respondent, her hours were 6:30am to 5:30pm Monday – Friday. Respondent states one of the family members started working from home, so she called the office about the hours. Per Respondent, she was reassured she would get paid all her hours if she was there for half a day and that it was very important not to go over the family's given hours. Respondent states she went in, performed her assessment and did her duties. She also states the family was in the home the entire time she was there. Respondent claims she never falsified nursing documentation, but did document as late entry. Respondent states on April 16, 2020, she received a phone call telling her she needed to come in the office for coaching on charting. Respondent states she wishes she had handled it differently.
