DEFAULT ORDER IN THE MATTER OF

The Louisiana State Board of Practical Nurse Examiners (Board)

v.

Teresa Jewett (respondent), LPN, license #210129
2018 Venus Drive, Bossier City, LA 71112

On March 12, 2018, a formal complaint/notice of hearing (Attachment A) was mailed to the last known address of the respondent. The respondent did not reply to the complaint/notice of hearing, as required by the LAC 46:XLVII. 306.I and therefore the respondent waived the right to a formal hearing. In accordance with the LAC 46:XLVII.306.J, this order is issued by default.

LEGAL AUTHORITY AND JURISDICTION

The board's legal authority and jurisdiction, in adjudication proceedings, are provided for in:

1. The Louisiana Revised Statutes of 1950, Title 37, Chapter 11, Part II, Section 961 et seq., as amended; and
2. The Louisiana Administrative Code, Title 46, Part XLVII, Subpart 1, Section 101 et seq., as amended; and
3. The Louisiana Administrative Procedure Act, Title 49, Chapter 13, Section 950 et seq., as amended.

FINDINGS OF FACT

1. The respondent was issued a license to practice practical nursing in the state of Louisiana on March 8, 2001.
2. The respondent was employed as a licensed practical nurse with Highland Place Rehab and Nursing Center on May 20, 2016. On February 1, 2017, the respondent was notified by staff that a patient assigned to her care had sustained a fall and was on the floor. The respondent failed to follow policy and procedures. The respondent failed to immediately assess the patient and assist the patient from the floor. The respondent allowed the patient to remain on the floor for approximately 1 ½ hours. The respondent was terminated from the facility.

3. The respondent was employed as a licensed practical nurse with Priority Medical Staffing. On or about November 29, 2016, the respondent was labeled a "Do Not Return" to Northern Louisiana Medical Center. During the respondent's shift, she was observed to be very weak in her clinical skills. The respondent was witnessed implementing dangerous clinical nursing interventions. She set an IV infusion with potassium chloride to a much faster rate on the IV pump than what was prescribed. This was caught by another nurse who slowed down the rate. Also, the respondent failed to document assessments in the medical record and became argumentative during discussion on the matter. The respondent also documented hypertensive vital signs but her narrative indicated they were all normal and stable. The facility felt she was incompetent to deliver safe nursing care and most likely a significant liability to the hospital.

CONCLUSIONS OF LAW

Based on the findings of fact, enumerated above, the respondent is in violation of:

1. The Louisiana Revised Statutes of 1950, Title 37, Chapter 11, Part II, Section 969 A. (4)

- (c) is unfit, or incompetent by reason of negligence habit, or other causes;
- (f) is guilty of unprofessional conduct;
- (g) has violated any provisions of this Part;

And 978 A. (8) Violate any provisions of this Part and Part B. And

2. The Louisiana Administrative Code, Title 46, Part XLVII, Subpart 1, Sections 306 T.

- 3. being unfit, or incompetent by reason of negligence, habit or other causes;
- 8. being guilty of unprofessional conduct;
 - a. failure to practice practical nursing in accordance with the standards normally expected;
 - b. failure to utilize appropriate judgment in administering nursing practice;
 - c. failure to exercise technical competence in carrying out nursing care;
 - j. intentionally committing any act that adversely affects the physical or psychosocial welfare of the patient;
 - o. being guilty of moral turpitude;
 - p. inappropriate, incomplete or improper documentation;
 - t. violating any provisions of R.S. 37:961 et seq. (the practical nursing practice act), as amended or aiding or abetting therein.

A hearing will be conducted at the offices of the board on the date and at the time specified here:

Date: April 6, 2018

Time: 1:00 p.m.

Place: 131 Airline Dr., Suite 301, Metairie, LA 70001

The nature of the hearing is prosecution of the matter:

The Louisiana State Board of Practical Nurse Examiners

v.

Teresa Jewett

The board's legal authority and jurisdiction, in this process of adjudication, are provided for in:

1. The Louisiana Revised Statutes of 1950, Title 37, Chapter 11, Part II, Section 961 et seq., as amended; and
2. The Louisiana Administrative Code, Title 46, Part XLVII, Subpart 1, Section 101 et seq., as amended; and
3. The Louisiana Administrative Procedure Act, Title 49, Chapter 13, Section 950 et seq., as amended.

The hearing concerns alleged violations of the following sections of the statutes/rules:

1. The Louisiana Revised Statutes of 1950, Title 37, Chapter 11, Part II, Section 969 A. (4);
 - (c) is unfit, or incompetent by reason of negligence habit, or other causes;
 - (f) is guilty of unprofessional conduct;
 - (g) has violated any provisions of this Part;

And 978 A (8) Violate any provisions of this Part and B.

2. The Louisiana Administrative Code, Title 46, Part XLVII, Subpart 1, Sections § 306 T.
3. being unfit, or incompetent by reason of negligence, habit or other causes;
8. being guilty of unprofessional conduct;
 - a. failure to practice practical nursing in accordance with the standards normally expected;
 - b. failure to utilize appropriate judgment in administering nursing practice;
 - c. failure to exercise technical competence in carrying out nursing care;
 - j. intentionally committing any act that adversely affects the physical or psychosocial welfare of the patient;
 - o. being guilty of moral turpitude;
 - p. inappropriate, incomplete or improper documentation;
 - t. violating any provisions of R.S. 37:961 et seq. (the practical nursing practice act), as amended or aiding or abetting therein.

The major issues involved include, but are not limited to the following:

1. The respondent was issued a license to practice practical nursing in the state of Louisiana on March 8, 2001.
2. The respondent was employed as a licensed practical nurse with Highland Place Rehab and Nursing Center on May 20, 2016. On February 1, 2017, the respondent was notified by staff that a patient assigned to her care had sustained a fall and was on the floor. The respondent failed to follow policy and procedures. The respondent failed to immediately assess the patient and assist the patient from the floor. The respondent allowed the patient to remain on the floor for approximately 1 ½ hours. The respondent was terminated from the facility.

3. The respondent was employed as a licensed practical nurse with Priority Medical Staffing. On or about November 29, 2016, the respondent was labeled a "Do Not Return" to Northern Louisiana Medical Center. During the respondent's shift, she was observed to be very weak in her clinical skills. The respondent was witnessed implementing dangerous clinical nursing interventions. She set an IV infusion with potassium chloride to a much faster rate on the IV pump than what was prescribed. This was caught by another nurse who slowed down the rate. Also, the respondent failed to document assessments in the medical record and became argumentative during discussion on the matter. The respondent also documented hypertensive vital signs but her narrative indicated they were all normal and stable. The facility felt she was incompetent to deliver safe nursing care and most likely a significant liability to the hospital.

You have ten (10) days prior to the date fixed for the hearing to respond (response form enclosed) to this complaint. If you fail to respond, in writing, within this time, you will be deemed to have waived the right to a hearing and action may be taken on this complaint by default, or the hearing may proceed in your absence.

A decision issued by the board, after the hearing in this matter, may be appealed. The petition for appeal must be filed within thirty days of the date of the mailing of the notice of the board's final decision; copies of the petition must be served on the board and all parties of record (LRS 49:964). A request may also be made to the board for rehearing, re-opening or reconsideration of the board's order. This request must be filed within ten days from the date of the board order and set forth legally sufficient reasons for granting the requests. (LRS 49:959 and LAC 46:XLVII.306.S).

A. All adjudication proceedings (as defined in R.S. 49:951) conducted by the board shall be in accordance with the Administrative Procedure Act, R.S. 49:955 et seq.

B. All proceedings calling for disciplinary action, as set forth in R.S. 37:969(4) or as set forth in this Section 306(R), regarding a license, shall begin with the receipt by the board of allegation(s) pertaining to the violation(s) of any provisions of R.S. 37:961 et seq., as stated in that statute, or any provision of these rules and regulations of the Louisiana State Board of Practical Nurse Examiners.

C. Communications received by the board expressing such allegation(s) shall be privileged, confidential, and shall not be revealed to any person except when such document(s) are offered for evidence in a formal hearing.

D. The allegation(s) shall be investigated by the executive director, his/her designee, and/or staff. Any information and/or documents generated pursuant to such investigation of the allegation(s) shall be considered the work product of the board and shall be privileged, confidential, and shall not be revealed to any person except when such investigative information and/or documents are offered for evidence in a formal hearing.

E. Unless precluded by law, informal disposition may be made of any case of adjudication by stipulation, agreed settlement, consent order, or default. A consent order or agreed settlement shall be presented to the board for approval before it becomes binding on the board.

F. If formal proceedings are deemed necessary by the executive director, a formal hearing shall be conducted before a hearing officer designated by the board. A decision to initiate formal proceedings may be made if one or more of the following conditions exist.

1. The allegation(s) are sufficiently serious.
2. The respondent fails to reply to the board's correspondence concerning the allegation(s).
3. The response to the board's correspondence is deemed insufficient or unsatisfactory.

a. In furtherance of the objective(s) set forth in R.S. 37:961 et seq., and these rules and regulations of the Louisiana State Board of Practical Nurse Examiners, a respondent shall, upon written request, provide the board with any and all information, document(s) and/or thing(s) requested, within 10 days, including weekends and holidays, from the date of the board's request.

b. Failure to respond to a request by the board, or failure to provide a response that the board deems satisfactory or sufficient, may result in the immediate suspension of the respondent's license or may result in the board taking any other action the board deems necessary commensurate with its philosophy of commitment to the health, safety and welfare of the public.

4. An informal proceeding has failed to resolve all of the issues or allegation(s).

G. Proceedings that require an opportunity for hearing shall commence with the filing of a formal complaint by the board. The complaint shall serve as the notice required by the Administrative Procedure Act 49:955(B) and shall include the following:

1. a statement of the time, place and nature of the hearing;
2. a statement of the legal authority and jurisdiction under which the hearing is to be held;

3. a reference to the particular sections of R.S. 37:961 et seq., and a reference to the particular section of the rules and regulations of the Louisiana State Board of Practical Nurse Examiners;

Thereafter, upon request, a more definite and detailed statement shall be furnished.

H. The formal complaint shall be sent by mail, at least 20 days, including weekends and holidays, prior to the hearing date, to the last known address of the respondent. It is the licensee's obligation and duty to keep the board informed of his/her whereabouts.

I. The respondent shall return his/her reply to the complaint to the board at least 10 days, including weekends and holidays, prior to the date fixed for the hearing or shall be deemed to have waived his/her right to a hearing. In reply, the respondent shall either deny or admit the allegations of the complaint and may either:

1. appear for the scheduled hearing;
2. submit a written response to the hearing officer to be presented at the hearing in lieu of the respondent's live testimony; or
3. waive his/her right to a hearing.

J. If the respondent waives his/her right to a hearing, the board may take any appropriate disciplinary action by default. If the respondent does not reply in writing within the time allotted, the hearing may proceed as scheduled in the respondent's absence or the board may take any appropriate disciplinary action by default.

K. Opportunity shall be afforded to all parties to respond and present evidence on all issues of fact involved and argument on all issues of law and policy involved and to conduct such cross-examination as may be required for a full and true disclosure of the facts.

L. Except for conditions of extreme emergency, motions requesting the continuance of a formal hearing must be received by the board at least seven days, including weekends and holidays, prior to the date fixed for a formal hearing. Such motion must express the specific reason(s) and show good cause why a continuance is warranted and necessary in promoting due process.
