**ORDER OF TEMPORARY SUSPENSION**

TO: Amanda Farrar  
1557 Track Road  
Red Rock, TX 78662

A public meeting of the Texas Board of Nursing was held on April 13, 2021 at 333 Guadalupe, Room 3-460, Austin, Texas, in which the Temporary Suspension of Permanent Registered Nurse License Number 908238, issued to AMANDA JOAN MARIE FARRAR was considered pursuant to Section 301.455, TEXAS OCCUPATIONS CODE. Staff of the Texas Board of Nursing presented evidence and information concerning the conduct of AMANDA JOAN MARIE FARRAR and whether her continued practice as a nurse would constitute a continuing and imminent threat to the public welfare.

After review and due consideration of the evidence and information presented, the Board finds that the following charges are substantiated:

**CHARGE I.**

On or about January 16, 2021, while employed as a Registered Nurse with Austin Oaks Hospital, Austin, Texas, Respondent misappropriated Prozac, Focalin XR and birth control belonging to a patient. Respondent's conduct was likely to defraud the patient of the cost of the medications.

The above action constitutes grounds for disciplinary action in accordance with Section 301.452(b)(10)&(13), Texas Occupations Code, and is a violation of 22 TEX. ADMIN. CODE §217.11(1)(A)&(1)(T) and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B),(4),(6)(G),(8),(10)(E)&(11)(B).

## CHARGE II.

On or about January 16, 2021, Respondent became noncompliant with the Agreed Order issued to her by the Texas Board of Nursing on December 10, 2018. Noncompliance is the result of Respondent exhibiting behavior inconsistent with recovery and Respondent's failure to comply with all requirements of the Texas Peer Assistance Program for Nurses (TPAPN) participation agreement, in that Respondent's employment with Austin Oaks Hospital, Austin, Texas, was terminated for medication diversion. Section I, Stipulation E of the Agreed Order dated March 20, 2018, states:

“(E) RESPONDENT SHALL comply with all requirements of the TPAPN participation agreement during its term...”

The above action constitutes grounds for disciplinary action in accordance with Section 301.452(b)(1)&(10), Texas Occupations Code, and is a violation of 22 TEX. ADMIN. CODE §217.12(1)(A),(8),&(11)(B).

The Texas Board of Nursing further finds that, given the nature of the charges, the continued practice of nursing by AMANDA JOAN MARIE FARRAR constitutes a continuing and imminent threat to public welfare and that the temporary suspension of Permanent Registered Nurse License Number 908238, is justified pursuant to Section 301.455, TEXAS OCCUPATIONS CODE.

NOW, THEREFORE, IT IS ORDERED that Permanent Registered Nurse License Number 908238, issued to AMANDA JOAN MARIE FARRAR, to practice nursing in the State of Texas be, and the same is, hereby SUSPENDED IMMEDIATELY in accordance with Section 301.455, TEXAS OCCUPATIONS CODE.

IT IS FURTHER ORDERED that a probable cause hearing be conducted in accordance with Section 301.455(c) not later than seventeen (17) days following the date of the entry of this order, and a final hearing on the matter be conducted in accordance with 301.455(d) not later than the 61<sup>st</sup> day following the date of the entry of this order.
