AGREED ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of LAUREN ELIZABETH BIGONY, Registered Nurse License Number 852374, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on October 15, 2020.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received a Baccalaureate Degree in Nursing from Midwestern State University, Wichita Falls, Texas, on December 14, 2013. Respondent was licensed to practice professional nursing in the State of Texas on February 25, 2014.
5. Respondent's nursing employment history includes:

4/2014 – 10/2017	Registered Nurse	Angels of Care Pediatric Home Health Dallas, Texas
------------------	------------------	---

Respondent's nursing employment history continued:

10/2014- 10/2017	Registered Nurse	Medical City Dallas Dallas, Texas
10/2017- Unknown	Registered Nurse	Children's Health Dallas, Texas
5/2019- 8/2019	Registered Nurse	Live Oak Surgery Center Plano, Texas
9/2019- Present	Registered Nurse	Plano Independent School District Plano, Texas

6. At the time of the initial incident, Respondent was employed as a Live Oak Surgery Center, Plano, Texas, and had been in that position for two (2) months.
7. On or about July 26, 2019, while employed as a Registered Nurse in the Post Anesthesia Care Unit with Live Oak Surgery Center, Plano, Texas, Respondent failed to notify the physician when Patient 550/1 experienced elevated vital signs after surgery, and instead administered 20 mcg of Fentanyl in a single dose to the patient, instead of 10 mcg of Fentanyl every five minutes, as ordered. In addition, Respondent falsely documented in the patient's medical record that she administered two separate doses of 10 mcg of Fentanyl five minutes apart. Respondent's conduct exceeded her scope of practice, and resulted in an inaccurate medical record.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states that she administered the medication in a single 20 mcg dose to the patient, because the child was in great discomfort at the time she woke up from her surgery, and her blood pressure and heart rate were elevated. Respondent states that she intended to contact the physician and provide explanation and obtain approval, but the physician had left the bedside; the phone was not nearby; there was no other nurse present; and their hand held radios only worked sporadically. Respondent states that she thought she was making an educated decision to protect her patient, and also that if the anesthesiologist were nearby he would have given a verbal order for that amount. Respondent states that the documentation was done in error, and she did not intend to mislead anyone.
9. Respondent has produced character opinions and a recent performance evaluation that reflect that Respondent is a well-regarded nurse.
10. Respondent does not have prior disciplinary history with the Board.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11 (1)(A),(1)(B),(1)(C),(1)(D),(1)(M)&(1)(P) and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B)&(6)(A).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 852374, heretofore issued to LAUREN ELIZABETH BIGONY.
5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
