

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of	§	AGREED ORDER
Vocational Nurse License Number 346580	§	
issued to KAYLEE NICHOLE ANDERSON	§	
	§	

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of KAYLEE NICHOLE ANDERSON, Vocational Nurse License Number 346580, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on January 12, 2021.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from St. Philip's College, San Antonio, Texas, on August 10, 2018. Respondent was licensed to practice vocational nursing in the State of Texas on December 21, 2018.
5. Respondent's nursing employment history includes:

12/2018 – 05/2019	Unknown
-------------------	---------

Respondent's nursing employment history continued:

06/2019 – 07/2020	Licensed Vocational Nurse	Live Oak Family Health, PA Seguin, Texas
08/2020 – Present	Unknown	

6. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse with Live Oak Family Health, PA, Seguin, Texas, and had been in that position for one (1) year.
7. On or about June 24, 2020, through June 25, 2020, while employed as Licensed Vocational Nurse with Live Oak Family Health, PA, Seguin, Texas, Respondent wrote a lab order for Patient RD to have cancer markers tested, and stamped the physician's name on it without authorization. Subsequently, Respondent sent the order over to Clinical Pathology Laboratory, Seguin, Texas, where the patient had already provided a specimen for the test. Respondent's conduct exceeded her scope of practice and was likely to deceive the laboratory.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states that she received a call from the lab in regards to Patient RD, reporting they needed a lab order signed as the patient had requested the specific test, paid for the test, and the lab draw had already been completed thus needing a signed order to send results. Respondent explains that due to the pandemic, increase in patient volume, reduction in staff, and a single provider managing patient appointments, it was an often occurrence to have incomplete provider notes or things were forgotten to be ordered. Respondent also states that it was common for staff to create and send orders the provider had forgotten, that the patient reported was discussed during the visit, without notes from the visit. Respondent states that she did not know that ordering that specific lab that was already completed was wrong as she believed it was discussed during the visit. Respondent states that she now understands that she should have informed the provider prior to stamping and sending the order.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11 (1)(A)&(1)(B) and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B),(4),(6)(A),(6)(H), &(11)(B).

4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 346580, heretofore issued to KAYLEE NICHOLE ANDERSON.
5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
