In the Matter of  
Registered Nurse License Number 806406  
issued to BEATRICE AKOTH OTIENO

§  
§  
§  
§

### AGREED ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of BEATRICE AKOTH OTIENO, Registered Nurse License Number 806406, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on September 23, 2020.

### FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received an Associate Degree in Nursing from College of the Mainland, Texas City, Texas, on June 29, 2011. Respondent was licensed to practice professional nursing in the State of Texas on July 28, 2011.
5. Respondent's nursing employment history includes:

7/2011 – 6/2013      Registered Nurse

Kindred Hospital Clear Lake  
Webster, Texas

Respondent's nursing employment history continued:

8/2011 – 2/2015	Registered Nurse	We Care Kids Care The Woodlands, Texas
9/2011 – 10/2016	Registered Nurse	Bridge Solutions Houston, Texas
2/2015 – 12/2017	Registered Nurse	Pediatric Home Health Houston, Texas
12/2016 – Present	Registered Nurse	Colby D Healthcare Inc Houston, Texas
12/2017 – Present	Registered Nurse	Children Home Health Texas
1/2020 – 2/2020	Registered Nurse	Vivicare Health Partners Houston, Texas

6. At the time of the incident, Respondent was employed as a Registered Nurse with Vivicare Health Partners, Houston, Texas, and had been in that position for two (2) weeks.
7. On or about February 5, 2020, while employed as a Registered Nurse with Vivicare Health Partners, Houston, Texas, Respondent failed to follow physician orders in her care of Patient D.B., a patient with a tracheostomy who was ventilator-dependent, in that Respondent failed to have the patient on continuous pulse oximetry and failed to change the patient's tracheostomy and/or suction the tracheostomy when the patient experienced respiratory distress. Subsequently, Patient D.B. experienced respiratory arrest, required cardiopulmonary resuscitation (CPR), and was emergently transferred to the hospital, where the patient ultimately expired. Respondent's conduct may have contributed to the patient's demise.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states that, according to the patient's mother, the patient did not have an order for continuous oxygen monitoring since the patient was not on continuous oxygen. Respondent states that the oxygen monitor would be taken off to allow the patient to play. Respondent states that she transferred the patient from the floor to the bed and did not put the oxygen monitor on the patient, but she was beside the patient and monitored her. Respondent states that the patient woke up from the nap and showed signs of respiratory distress. Respondent states she checked the tracheostomy and noticed it was inside, but bent, so she straightened it and connected oxygen to the ventilator. When the patient continued to have difficulty in breathing, Respondent states she connected the ambu bag for rescue breathing and yelled

for the physical therapist to call 911. Respondent states she started CPR and the tracheostomy had good flow, so there was no need to change it.
