## BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of	§	AGREED ORDER
Vocational Nurse License Number 228100	§	
issued to DANA LYNNETTE GONDER	§	
	§	

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of DANA LYNNETTE GONDER, Vocational Nurse License Number 228100, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on December 9, 2020.

### FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Platt College, Dallas, Texas, on February 4, 2010. Respondent was licensed to practice vocational nursing in the State of Texas on May 18, 2010.
5. Respondent's nursing employment history includes:

5/2010 - Present	Licensed Vocational Nurse	Dallas Medical Center Farmers Branch, Texas
------------------	---------------------------	--

Respondent's nursing employment history continued:

10/2018 – 4/2020	Licensed Vocational Nurse	Vivicare Health Partners Dallas, Texas
------------------	---------------------------	---

6. At the time of the incident, Respondent was employed as a Licensed Vocational Nurse with Vivicare Health Partners, Dallas, Texas, and had been in that position for one (1) year and five (5) months.
7. On or about March 28, 2020, while employed as a Licensed Vocational Nurse with Vivicare Health Partners, Dallas, Texas, and caring for Patient Medical Record Number 718937984, Respondent did not notify the physician regarding the patient's vital signs, as ordered, which included sustained tachycardia of 130's to 140's, increased respiratory rates, and unreliable oxygen saturation levels related to a malfunctioning pulse oximeter. Subsequently, the patient was transported by emergency medical personnel to the hospital. Respondent's conduct could have possibly injured the patient in that it deprived medical providers of critical information that may have led to earlier emergent interventions to preserve the patient's life.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states that she contacted emergency services when the patient was in respiratory distress and due to the inability to obtain consistent oxygen saturation level readings, Respondent made the clinical decision to send the patient to the emergency room for further evaluation and treatment. Respondent then called 911, and gave report to the paramedics.
