AGREED ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of ANGELA KAY FARRELL, Vocational Nurse License Number 210107, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on April 28, 2021.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Frank Phillips College, Borger, Texas, on May 16, 2007. Respondent was licensed to practice vocational nursing in the State of Texas on June 7, 2007.
5. At the time of the initial incident, Respondent was employed as a Correctional LVN with Texas Tech Health at Texas Department of Criminal Justice's Neal Unit, and had been in that position for eight (8) months.

6. On or about November 28, 2017 through December 28, 2017, while employed as a Licensed Vocational Nurse by Texas Tech Health at Texas Department of Criminal Justice's Neal Unit, Amarillo, Texas, Respondent failed to completely assess and/or document the assessment of the circulation to and wounds on Inmate 2157808's foot. Respondent's conduct was likely to injure Inmate 2157808 from clinical care decisions based on incomplete assessment information and subsequent caregivers would rely on her documentation in order to provide further care.
7. On or about December 3, 2017, while employed as a Licensed Vocational Nurse by Texas Tech Health at Texas Department of Criminal Justice's Neal Unit, Amarillo, Texas, Respondent failed to perform wound care as ordered by the provider and/or failed to document new wound care orders received verbally from the provider. Respondent's conduct was likely to injure the patient from complications of diabetic wounds and created an inaccurate medical record.
8. In response to Finding of Fact No. 6, the Respondent states she did consistently assess circulation to the inmate's wound but admits to not always remembering to document this. The Respondent has changed her documentation practice to make sure this is always documented as part of a wound assessment. In response to Finding of Fact No. 7, the Respondent states she received a new verbal wound care order from the nurse practitioner and followed that order when she provided wound care. The Respondent admits that she forgot to document the verbal order in the record.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11 (1)(A),(1)(B),(1)(C),(1)(D),(1)(M),&(1)(P) and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B),(1)(C)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b) (10) & (13), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 210107, heretofore issued to ANGELA KAY FARRELL.
5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
