

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of	§	AGREED ORDER
Registered Nurse License Number 972690	§	
issued to ADRIANA DELATORRE	§	
	§	

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of ADRIANA DELATORRE, Registered Nurse License Number 972690, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on October 15, 2020.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received a Bachelor of Science in Nursing from the University of Texas, El Paso, Texas, on May 18, 2019. Respondent was licensed to practice professional nursing in the State of Texas on July 8, 2019.
5. Respondent's nursing employment history includes:

7/2019 - Present	Registered Nurse	Hospitals of Providence El Paso, Texas
------------------	------------------	---

6. At the time of the incident, Respondent was employed as a Registered Nurse with the Hospitals of Providence, El Paso, Texas, and had been in that position for six (6) months.
7. On or about January 21, 2020, while employed as a Registered Nurse with the Hospitals of Providence, El Paso, Texas, Respondent failed to appropriately intervene, including failure to reassess and escalate care concerns after Post-Surgical Patient A.E. exhibited hypotension for approximately three (3) hours. Additionally, Respondent failed to completely and accurately document conversations with the provider and also failed to document administration of a provider ordered saline infusion. Subsequently, a rapid response was initiated and the patient was transferred to the ICU with hemorrhagic shock; the patient expired the next morning. Respondent's conduct resulted in an incomplete medical record, and was likely to injure the patient from potentially adverse complications of undetected and untreated fluctuations in blood pressure, including possible demise.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states a message was left for the provider at 1944 hours. Respondent states she again attempted to contact the provider at 2210 hours and received a call-back approximately twenty (20) minutes later with orders to administer bolus fluids and obtain labs. Respondent further states the provider arrived shortly afterward to the patient's bedside.

4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10&(13), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 972690, heretofore issued to ADRIANA DELATORRE.
5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
