BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of	§	AGREED ORDER
Vocational Nurse License Number 304760	§	
issued to DESIREE TARA MCCOWN	§	
	§	

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of DESIREE TARA MCCOWN, Vocational Nurse License Number 304760, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on May 12, 2021.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Coastal Bend College, Beeville, Texas, on August 12, 2011. Respondent was licensed to practice vocational nursing in the State of Texas on December 20, 2011.
5. Respondent's nursing employment history includes:

12/2011 – 3/2019

LVN

Trisun River Ridge  
Corpus Christi, Texas

Respondent's nursing employment history continued:

4/2019 – 11/2020	LVN	River Ridge Nursing and Rehabilitation Corpus Christi, Texas
12/2020 – Present	Unknown	

6. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse with River Ridge Nursing and Rehabilitation, Corpus Christi, Texas, and had been in that position for one (1) year and seven (7) months.
7. On or about November 16, 2020 through November 17, 2020, while employed as a Licensed Vocational Nurse by River Ridge Nursing and Rehabilitation, Corpus Christi, Texas, Respondent failed to accurately assess, document, and/or notify the provider when Patient EG was yelling out and unable to verbally express what was wrong between 0200 and 0300. Instead, Respondent and a staff member repositioned the patient in bed. Shortly after, Respondent failed to accurately assess, document, and/or notify the provider when Patient EG was yelling out again during incontinent care. Instead, Respondent went to room and repositioned the patient again. During shift change at 0620, another nurse assessed the crying and grimacing patient, medicated for pain, and reported an abnormality of the patient's knee to the provider. Subsequently, an x-ray indicated that Patient EG had an acute tibia/fibula fracture. Respondent's conduct was likely to injure the patient from clinical care decisions based on incomplete assessment information and delayed the onset of needed medical care.
8. In response to Finding of Fact Number Seven (7), Respondent states she heard yelling at the end of 100 Hall between 0200 and 0300 so Respondent and CNA entered the patient's room and asked why she was yelling. The patient was able to nod and shake head in response to questions. Once repositioned by the Respondent and CNA, the patient nodded when asked if she was okay, respirations were even and unlabored and the patient had no signs of pain or discomfort. Shortly after, while passing medications, Respondent heard the patient yell out again so she went to the patient's room where the CNA had just finished incontinent care. They repositioned the patient who calmed and had no grimacing. Respondent states no incident/accident, change of condition, fall or injury was noted by her nor reported to her.
9. Formal Charges were filed on April 5, 2021.
