

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of	§	AGREED ORDER
Registered Nurse License Number 965729	§	
issued to REHEMA MAMI SIKITU	§	
	§	

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of REHEMA MAMI SIKITU, Registered Nurse License Number 965729, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on March 10, 2021.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received an Associate Degree in Nursing from Houston Community College, Houston, Texas, on May 1, 2016. Respondent was licensed to practice professional nursing in the State of Texas on April 18, 2019.
5. Respondent's nursing employment history includes:

4/2019 – 5/2020	Registered Nurse	Encompass Health Rehabilitation Hospital Sugarland, Texas
-----------------	------------------	---

Respondent's nursing employment history continued:

6/2020	Unknown	
7/2020 – 1/2021	Registered Nurse	Baptist Hospitals of Southeast Texas Beaumont, Texas
2/2021 - Present	Unknown	

6. On or about May 8, 2018, Respondent was issued an Agreed Order through an Order of the Board. A copy of the May 8, 2018, Order is attached and incorporated herein by reference as part of this Agreed Order.
7. At the time of the incident, Respondent was employed as a Registered Nurse with Baptist Hospitals of Southeast Texas, Beaumont, Texas, and had been in that position for four (4) months.
8. On or about November 28, 2020, while working as a Registered Nurse with Baptist Hospital of Southeast Texas, Beaumont, Texas, and providing care for Patient Medical Record Number 120044180, Respondent failed to provide physician ordered bed rest, when she inappropriately assisted the patient out of bed and to the bedside commode, and Respondent failed to timely notify her supervisors and/or the physician that the patient had gotten out of bed. The patient was less than an hour status post stent placements in the Heart Catheterization Laboratory (Cath Lab). Further, when Respondent later noticed the patient had started bleeding, she again inappropriately assisted the patient to the bedside commode. Subsequently, the patient developed a large retroperitoneal hematoma, experienced hypotension for several hours, and required a blood transfusion of two units of Packed Red Blood Cells. Respondent's conduct likely contributed to the development of a hematoma in a post-operative Cath Lab patient.
9. In response to Finding of Fact Number Eight (8), Respondent reports, she inappropriately put a patient's life in harm's way when she aided with voiding needs when the patient had just come back from the cath lab, and ended up with a retroperitoneal hematoma and needed two units of PRBCs.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.

3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B),(1)(M),(1)(P)&(3)(A) and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 965729, heretofore issued to REHEMA MAMI SIKITU.
5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of	§	AGREED
REHEMA MAMI SIKITU,	§	
PETITIONER for Eligibility for Licensure	§	ELIGIBILITY ORDER

On this day, the Texas Board of Nursing, hereinafter referred to as the Board, considered the Application by Examination, which has been processed as a Petition for Declaratory Order, hereinafter referred to as the Petition, pursuant to 22 TEX. ADMIN. CODE §217.2(b) and §213.30, and supporting documents filed by REHEMA MAMI SIKITU, hereinafter referred to as PETITIONER, requesting a determination of eligibility for licensure in compliance with Sections 301.252, 301.253, 301.257 and 301.258, Texas Occupations Code, together with any documents and information gathered by staff and Petitioner's Certification contained herein.

Information received by the Board produced evidence that PETITIONER may be ineligible for licensure pursuant to Sections 301.452(b)(3) and 301.453, Texas Occupations Code.

PETITIONER waived notice and hearing, and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on February 21, 2018.

FINDINGS OF FACT

1. On or about October 26, 2016, Petitioner submitted the Petition requesting a determination of eligibility for licensure.
2. Petitioner received an Associate Degree in Nursing from Houston Community College, Houston, Texas, on May 1, 2016.
3. Petitioner completed the Petition and answered "Yes" to the question which reads as follows:
"For any criminal offense, including those pending appeal, have you:
 - A. *been convicted of a misdemeanor?*
 - B. *been convicted of a felony?*

- C. *pled nolo contendere, no contest, or guilty?*
- D. *received deferred adjudication?*
- E. *been placed on community supervision or court-ordered probation, whether or not adjudicated guilty?*
- F. *been sentenced to serve jail or prison time? court-ordered confinement?*
- G. *been granted pre-trial diversion?*
- H. *been arrested or have any pending criminal charges?*
- I. *been cited or charged with any violation of the law?*
- J. *been subject of a court-martial; Article 15 violation; or received any form of military judgment/punishment/action?*

(You may only exclude Class C misdemeanor traffic violations.)"

4. Petitioner disclosed the following criminal history, to wit:

On or about September 21, 2010, Petitioner entered a plea of Guilty to ENDANGERING A CHILD, a State Jail felony offense committed on November 17, 2009, in the 228th District Court of Harris County, Texas, under Cause No. 1264871. As a result of the plea, the proceedings against Petitioner were deferred without entering an adjudication of guilt and Petitioner was placed on probation for a period of two (2) years. On or about October 26, 2011, Petitioner was discharged from probation.

5. There is no evidence of any subsequent criminal conduct.
6. On September 12, 2017, Petitioner appeared before the Eligibility and Disciplinary Committee and the recommendation was made that Petitioner submit to a forensic psychological evaluation with a polygraph examination. On or about October 26, 2017, Petitioner was seen by Joyce M. Gayles, PhD to submit to the forensic psychological evaluation. Based on the results of the evaluation, Dr. Gayles, believes that Petitioner does not have a criminal character or a propensity toward criminal behavior. It seems that her criminal act resulted from seriously poor judgment based in naivete and being in a state of significant stress. It does not seem premeditated or intentional. Petitioner seems to have learned from her mistake and has developed to a greater level of maturity, characterized by better judgment, achievable life goals, and good motivation. It seems unlikely that Petitioner will commit other criminal acts. She does not pose a threat to the community and is likely to become an asset to the community by pursuing a career in nursing. Petitioner seems capable of fulfilling the rules and guidelines of the Texas Board of Nursing and of conducting herself in a professional manner as a nurse. No stipulations or restrictions to licensure seem necessary in this case.

7. Petitioner provided letters of support/recommendation to the Board from the following:
 - A letter of reference dated August 11, 2017, was submitted to the Board on behalf of Petitioner by Mariama Balde, stating that she is a staff RN of 2 years at HealthSouth Sugar Land Rehabilitation Hospital, with supervision privileges to new CNAs. Though Petitioner has just started with them, she has have the privilege of working closely with her as her supervisor and she must say that Petitioner is ambitious, goal-oriented and is also a fast learner. She goes above and beyond to ensure that patients are safe and is also courteous. She strongly believes that Petitioner will make a great RN some day, once granted the privilege to practice nursing because her work ethics seem promising and eventually a great asset in the healthcare industry.
 - A letter of reference dated August 11, 2017, was submitted to the Board on behalf of Petitioner by Wendy Olawale, stating that it was a pleasure working with Petitioner at Westchase, when she worked as a nurses' assistant with the company. She was compassionate and caring towards her patients. She was always readily to assist any patient whether they were in her assignment or not. She was also a team player and available to assist her coworkers as needed. Ms. Olawale, believes Petitioner will be a great valuable asset to the healthcare system.
 - A letter of recommendation dated August 14, 2017, was submitted to the Board on behalf of Petitioner by Toya Cooper, Administrator, Patient Caregivers, LLC, stating that Petitioner has been employed with Patient Caregivers since 2016. Since she has come aboard, she has been helpful in times of need and has taken on additional shifts when asked to help out. Petitioner has assisted clients with ADL's and has never received any negative remarks.
8. Petitioner has sworn that, with the exception of matters disclosed in connection with the Petition, her past behavior conforms to the Board's professional character requirements at 22 TEX. ADMIN. CODE §213.27.
9. The Executive Director considered evidence of Petitioner's past behavior in light of the character factors set out in 22 TEX. ADMIN. CODE §213.27 and determined that Petitioner currently demonstrates the criteria required for good professional character.
10. The Executive Director considered evidence of Petitioner's past criminal conduct in light of the considerations and criteria provided in 22 TEX. ADMIN. CODE §§213.28 & 213.33, and, if applicable, Chapter 53, Section 53.001 *et seq.*, Texas Occupations Code.
11. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of Petitioner's disclosures.

12. Petitioner has been advised by the Board that any information found to be incomplete, incorrect or misleading to the Board or a subsequent discovery of a basis of ineligibility will be considered by the Board and may result in an ultimate determination of ineligibility or the later revocation of a license obtained through fraud or deceit.
13. Petitioner shall immediately notify the Board of any fact or event that could constitute a ground of ineligibility for licensure under Section 301.452(b), Texas Occupations Code.

CONCLUSIONS OF LAW

1. The Board has jurisdiction over this matter pursuant to Sections 301.452 and 301.453, Texas Occupations Code.
2. On or about October 26, 2016, Petitioner submitted the Petition requesting a determination of eligibility for licensure in compliance with Sections 301.252, 301.253, 301.257 and 301.258, Texas Occupations Code, and the Board's Rules at 22 TEX. ADMIN. CODE §217.2(b) and §213.30.
3. Petitioner's history reflects conduct which may constitute grounds for denial of a license under Section 301.452(b)(3), Texas Occupations Code.
4. The Board may probate the denial of a license under conditions for a specified term pursuant to Section 301.453, Texas Occupations Code.
5. The Board may license an individual who has been previously convicted, adjudged guilty by a court, pled guilty or pled nolo contendere to any crime whether or not a sentence was imposed upon consideration of the factors set out in 22 TEX. ADMIN. CODE §213.28 and evaluating the direct relationship to nursing according to 22 TEX. ADMIN. CODE §213.28 and, if applicable, Chapter 53, Section 53.001 *et seq.*, Texas Occupations Code.
6. The Board may license an individual with prior behaviors inconsistent with the Board's character requirements if, upon evaluation of the factors in 22 TEX. ADMIN. CODE §213.27, and pursuant to 22 TEX. ADMIN. CODE §213.33, the Board is satisfied that the individual is able to consistently conform her conduct to the requirements of the Nursing Practice Act, the Board's Rules and Regulations, and generally accepted standards of nursing practice.
7. This Order is conditioned upon the accuracy and completeness of Petitioner's disclosures. Any subsequently discovered discrepancies will result in investigation and possible disciplinary action, up to revocation of Petitioner's license(s).

I certify that my past behavior, except as disclosed in my application/petition, has been in conformity with the Board's character rule.
