

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of	§	AGREED ORDER
Registered Nurse License Number 920189	§	
issued to LISA LEPERE	§	
	§	

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of LISA LEPERE, Registered Nurse License Number 920189, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on June 10, 2021.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received an Associate Degree in Nursing from Kapiolani Community College, Honolulu, Hawaii, on May 1, 2016. Respondent was licensed to practice professional nursing in the State of Texas on April 13, 2017.
5. Respondent's nursing employment history includes:

4/2017-5/2017	Unknown
---------------	---------

Respondent's nursing employment history continued:

6/2017 – 5/2019	Registered Nurse	Baylor Scott and White – Memorial Temple, Texas
6/2019-Present	Unknown	

6. At the time of the incident, Respondent was employed as a Registered Nurse with Baylor Scott and White Memorial, Temple, Texas, and had been in that position for one (1) year and eleven (11) months.
7. On or about May 16, 2019, while as a Registered Nurse with Baylor Scott and White Memorial, Temple, Texas, Respondent incorrectly documented that Patient Number 5738798 had a central venous catheter (CVC) line secured with sutures, though it was a sutureless securement device. Additionally, Respondent failed to assess the patient's back side and falsely documented that she had given the patient a bath and that her coccyx/sacral area and buttocks were intact with the skin showing blanchable redness. Subsequently, the oncoming nurse noted purple discoloration on the patient's coccyx/sacral and buttocks areas. Respondent's conduct resulted in an inaccurate medical record, and was likely to injure the patient in that subsequent care givers would not have accurate and complete information on which to base their care decisions.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states the central venous catheter was assessed and observed. Respondent states the observation was documented and appropriate care was provided based on her nursing observation. Respondent states inadequate staffing did not allow her to perform hygiene care and a skin assessment was not conducted. Respondent states that she gave the patient a chlorhexidine bath, and then requested assistance from a coworker to turn the patient secondary to the patient's size. Respondent noted that the client's skin was intact, consistent with the most recent assessment of the patient. Respondent states that she intended to clarify the assessment once she received assistance from the coworker. Respondent was then called to help another nurse, and did not follow up in turning her patient to complete the skin assessment.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.

3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11 (1)(A),(1)(B)&(1)(D) and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B),(1)(C)&(6)(A).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 920189, heretofore issued to LISA LEPERE.
5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
