BEFORE THE TEXAS BOARD OF NURSING

In the Matter of	§	AGREED ORDER
Registered Nurse License Number 940209	§	
issued to HALEY CHRISTINE MEHNE	§	
	§	

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of HALEY CHRISTINE MEHNE, Registered Nurse License Number 940209, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on September 3, 2021.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received an Associate Degree in Nursing from Collin College, McKinney, Texas, on December 15, 2017. Respondent was licensed to practice professional nursing in the State of Texas on February 22, 2018.
5. Respondent's nursing employment history includes:

2/2018 – 6/2019

RN

Private Duty Nurse
Argyle, Texas

Respondent's nursing employment history continued:

7/2019 – 9/2020	RN	Texas Health Dallas Dallas, Texas
10/2019 – Present	RN	Comfort Hospice Houston, TX

6. At the time of the incident, Respondent was employed as a Registered Nurse with Texas Health Dallas, Dallas, Texas, and had been in that position for one (1) year and two (2) months.
7. On or about September 1, 2020, while employed as a Registered Nurse with Texas Health Dallas, Dallas, Texas, Respondent failed to clarify a physician's order for restraints for Patient Medical Record Number 1676124 and left the patient in restraints overnight, in a dark room with the door closed. Furthermore, the patient's restraints were inappropriately tied to the bed and the patient's hands were pale with slight swelling. Respondent's conduct was likely to injure the patient in that failure to clarify a physician's order could have resulted in non-efficacious treatment.
8. On or about September 1, 2020, while employed as a Registered Nurse with Texas Health Dallas, Dallas, Texas, Respondent incorrectly documented in the medical record of Patient Medical Record Number 1676124, that she gave report on the patient before she actually did. Respondent's conduct created an inaccurate medical record.
9. In response to Findings of Fact Numbers Seven (7) and Eight (8), Respondent states that this was a difficult patient care situation, given the strains of Covid on the Emergency Room and the resulting understaffing. She acknowledges that her documentation was not as exhaustive and frequent as it should have been and that she should have, in hindsight, sought more guidance and clarification regarding the restraint order. However, she has learned a great deal from this experience, is passionate about providing excellent patient care, and is committed to using the experience to become a better nurse.
10. Formal Charges were filed on June 9, 2021.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.

3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B),(1)(C)&(1)(D) and 22 TEX. ADMIN. CODE §217.12(1)(B),(1)(C)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 940209, heretofore issued to HALEY CHRISTINE MEHNE.
5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
