BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED ORDER
Vocational Nurse License Number 349932 §
issued to SHATORIA BREANN PARKS §
§

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of SHATORIA BREANN PARKS, Vocational Nurse License Number 349932, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on October 7, 2021.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from South Plains College at Reese Center, Lubbock, Texas, on August 8, 2019. Respondent was licensed to practice vocational nursing in the State of Texas on August 29, 2019.
5. Respondent's nursing employment history includes:

08/2019 – 04/2020	LVN	Windmill Nursing Home Lubbock, Texas
-------------------	-----	---

Respondent's nursing employment history continued:

05/2020 – 10/2020	Unknown	
11/2020 – 04/2021	LVN	Bender Terrace Lubbock, Texas
04/2021 – Current	LVN	24Karat Health Solutions Lubbock, Texas

6. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse with 24Karat Health Solutions, Lubbock, Texas, and had been in that position for four (4) months.
7. On or about August 1, 2021 and August 2, 2021, while employed as a Licensed Vocational Nurse, with 24Karat Health Solutions, Lubbock, TX, Texas, Respondent failed to document a patient fall in the medical record of Patient Medical Record Number ***. It was later discovered by a Certified Nurse's Assistant, the patient had sustained injuries and needed medical care. Furthermore, Respondent failed to report the fall to the oncoming nurse. Respondent's conduct resulted in an inaccurate medical record and was likely to injure the patient in that subsequent care givers would not have complete information on which to base their care decisions.

She states she was short staffed and it was only her and a CNA for twenty-five (25) or more residents and several of them needed constant redirection and attention. Respondent states while she was attending to another residents' needs and doing the nightly medication pass, the CNA informed her another resident had fallen. Respondent states she asked the CNA if the resident had any complaints. The CNA informed her the resident had no complaints and that she slipped. Respondent states when she completed the current resident's medication pass, she went to assess the resident who had fallen. She states the resident was lying in bed with no complaints. She states the resident's vital signs were within normal range and stayed in her room the remainder of the night with no complaints. Respondent states she called the resident's daughter and informed her of the fall. She states she got busy and forgot to finish the fall documentation. Respondent states she remembered the next day and that is when she completed the documentation and followed up with the daughter.
