Multiple employers are prohibited.
- D. **Nursing Performance Evaluations:** PETITIONER SHALL CAUSE each employer to submit, on forms provided to the PETITIONER by the Board, periodic reports as to PETITIONER'S capability to practice nursing. These reports shall be completed by the individual who supervises the PETITIONER and these reports shall be submitted by the supervising individual to the office of the Board at the end of each three (3) month quarterly period for four (4) quarters [one (1) year] of employment as a nurse.

V. **DRUG AND ALCOHOL RELATED REQUIREMENTS**

- A. While under the terms of this Order, PETITIONER SHALL abstain from the use of alcohol, nalbuphine, propofol and all controlled substances, except as prescribed by a licensed practitioner for a legitimate purpose. If prescribed, PETITIONER SHALL CAUSE the licensed practitioner to submit a written report identifying the medication, dosage and the date the medication was prescribed. The report shall be submitted directly to the office of the Board by the prescribing practitioner, within ten (10) days of the date of the prescription. In the event that the prescriptions for controlled substances are required for periods of two (2) weeks or longer, the Board may require and PETITIONER SHALL submit to a pain management and/or chemical dependency evaluation by a Board approved evaluator. The performing evaluator must submit a written report meeting the Board's requirements to the Board's office within thirty (30) days from the Board's request.
- B. While working as a nurse under the terms of this Order, PETITIONER SHALL submit to random periodic screens for alcohol, nalbuphine, propofol and all controlled substances. The Board will provide instructions on how to enroll in the Board's drug and alcohol testing program following the entry of this Order and screening will begin when PETITIONER obtains employment and submits the Notification of Employment form to the Board.

- For the first three (3) month [1st quarter] period PETITIONER works as a nurse under the terms of this Order, random screens shall be performed at least once per week.
- For the next three (3) month [2nd quarter] period, random screens shall be performed at least twice per month.
- For the next six (6) month period [3rd & 4th quarters], random screens shall be performed at least once per month.
- For the remainder of the probation period, if any, random screens shall be performed at least once every three (3) month quarterly period.

All random screens SHALL BE conducted through urinalysis. Any test result for a period of time in which the PETITIONER is not working as a nurse under the terms of this Order will not count towards satisfaction of this requirement. All screens shall be properly monitored and produced in accordance with the Board's policy on Random Drug Testing. A complete chain of custody shall be maintained for each specimen obtained and analyzed. PETITIONER SHALL be responsible for the costs of all random drug screening during the stipulation/probation period.

Specimens shall be screened for any or all of the following substances and/or their metabolites:

Amphetamine	Methamphetamine	MDMA

Upon enrollment in the Board's drug and alcohol testing program, **PETITIONER SHALL, on a daily basis, call or login online to the Board's designated drug and alcohol testing vendor to determine whether or not PETITIONER has been selected to produce a specimen for screening that day** and SHALL, if selected, produce a specimen for screening that same day at an approved testing location and/or comply with any additional instructions from the vendor or Board staff. Further, **a Board representative may appear** at the PETITIONER'S place of employment at any time during the probation period and require PETITIONER to produce a specimen for screening.

Consequences of Positive or Missed Screens. Any positive result for which PETITIONER does not have a valid prescription or refusal to submit to a drug or alcohol screen may subject PETITIONER to further disciplinary action, including TEMPORARY SUSPENSION pursuant to Section 301.4551, Texas Occupations Code, or REVOCATION of Petitioner's license(s) and nurse licensure compact privileges, if any, to practice nursing in the State of Texas. Further, failure to report for a drug screen, excessive dilute specimens, or failure to call in for a drug screen may be considered the same as a positive result or refusal to submit to a drug or alcohol screen.

VI. SUBSEQUENT CRIMINAL PROCEEDINGS

IT IS FURTHER AGREED, should the PETITIONER'S conduct, as outlined in the findings of fact of this Eligibility Agreed Order, result in subsequent judicial action, including a deferred disposition, PETITIONER may be subject to further disciplinary action, up to, and including, revocation of PETITIONER'S license(s) to practice nursing in the State of Texas.

VII. RESTORATION OF UNENCUMBERED LICENSE(S)

Upon full compliance with the terms of this Eligibility Agreed Order, all encumbrances will be removed from PETITIONER'S license(s) to practice nursing in the State of Texas and, subject to meeting all existing eligibility requirements in Texas Occupations Code Chapter 304, Article III, PETITIONER may be eligible for nurse licensure compact privileges if any.

I have fully and truthfully disclosed all of my past conduct which could constitute grounds for licensure ineligibility, and I have caused a complete and accurate criminal history to be submitted to the Texas Board of Nursing from each jurisdiction in which I have been adjudged guilty by way of conviction or deferred order. I certify that my past behavior, except as disclosed in my application/petition, has been in conformity with the Board's character rule. I have provided the Board with complete and accurate documentation of my past conduct in violation of the penal law of any jurisdiction which was disposed of through any procedure short of conviction, such as: conditional discharge, deferred adjudication or dismissal. I have no criminal prosecution pending in any jurisdiction.

In connection with my application, I acknowledge that I have read and I understand Sections 301.157(d), 301.252, 301.253, 301.257, 301.258, 301.260, 301.452, and 301.453, Texas Occupations Code, and Chapter 53, Section 53.001 *et seq.*, Texas Occupations Code, and 22 TEX. I acknowledge that this Order is stipulated and I understand that I am not eligible to receive a Temporary Permit to practice nursing. I agree to inform the Board of any other fact or event that could constitute a ground for denial of licensure prior to accepting any license from the Texas Board of Nursing.

I understand that if I fail to comply with all terms and conditions of this Order, I will be subject to investigation and disciplinary sanction, including REVOCATION of my license(s) and/or nurse licensure compact privileges, if any, to practice nursing in the State of Texas, as a consequence of my noncompliance.

I understand that I can be represented by an attorney in this matter. I waive representation by counsel, notice, administrative hearing, and judicial review of this Order and request that the Texas Board of Nursing ratify this Order.
