FORMAL CHARGES

This is a disciplinary proceeding under Section 301.452(b), Texas Occupations Code. Respondent, ROLAND LOUIS NJENGE, is a Registered Nurse holding license number 806222 which is in current status at the time of this pleading.

Written notice of the facts and conduct alleged to warrant adverse licensure action was sent to Respondent at Respondent's address of record and Respondent was given opportunity to show compliance with all requirements of the law for retention of the license prior to commencement of this proceeding.

CHARGE I.

On or about May 19, 2020, while employed as a Registered Nurse and working at Houston Methodist, Houston, Texas, Respondent failed to document the laboratory results Respondent received via phone call from the hospital lab for Patient CB, including verbal read back, result value, and name of staff reporting the value. Additionally, Respondent relied on the verbal laboratory results to incorrectly enter an order for platelet transfusion of one (1) unit to the patient, and incorrectly initiated a platelet transfusion for Patient CB using the verbal results he received from the laboratory. Additionally, Respondent failed to correctly document the initiation and discontinuation of the platelet infusion, including initial baseline vital signs. Specifically, no vital signs were documented in the blood transfusion flowsheets, as required. Respondent did not complete or discontinue the platelet infusion in the patient's medical record. Subsequently, the patient's platelet count was finalized by the laboratory and recorded in the patient's medical record to be sixteen (16), and not nine (9) as the Respondent stated he was told by the laboratory via phone. Respondent's conduct exposed the patient to a risk of harm from unnecessary administration of platelets without confirmation of correct laboratory results.

The above action constitutes grounds for disciplinary action in accordance with Section 301.452(b)(10)&(13), Texas Occupations Code, and is a violation of 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B),(1)(C),(1)(D),(1)(M)&(3)(A), and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B)&(4).

NOTICE IS GIVEN that staff will present evidence in support of the recommended disposition of up to, and including, revocation of Respondent's license(s) and/or privilege(s) to practice nursing in the State of Texas pursuant to the Nursing Practice Act, Chapter 301, Texas Occupations Code and the Board's rules, 22 TEX. ADMIN. CODE §§ 213.27 - 213.33.

NOTICE IS GIVEN that all statutes and rules cited in these Charges are incorporated as part of this pleading and can be found at the Board's website, www.bon.texas.gov.

NOTICE IS GIVEN that, based on the Formal Charges, the Board will rely on the Disciplinary Matrix, located at 22 TEX. ADMIN. CODE §213.33(b), which can be found under the "Discipline & Complaints; Board Policies & Guidelines" section of the Board's website, www.bon.texas.gov.
