BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of § AGREED ORDER  
Vocational Nurse License Number 317406 §  
issued to SOPHIE OGODO §  
§

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considers the matter of SOPHIE OGODO, Vocational Nurse License Number 317406, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on April 15, 2021.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Dallas Nursing Institute, Dallas, Texas, on February 14, 2012. Respondent was licensed to practice vocational nursing in the State of Texas on November 12, 2013.
5. Respondent's nursing employment history includes:

11/2013 – 9/2019	Licensed Vocational Nurse	Angels of Care Dallas, Texas
------------------	---------------------------	---------------------------------

Respondent's nursing employment history continued:

6/2014 – 5/2019	Licensed Vocational Nurse	Epic Health Services Dallas, Texas
8/2015 – 4/2018	Licensed Vocational Nurse	Highland Springs Dallas, Texas
9/2019 - Present	Licensed Vocational Nurse	Ariel Amana Home Healthcare Dallas, Texas

6. At the time of the incident, Respondent was employed as a Licensed Vocational Nurse with Ariel Amana Home Healthcare, Inc., Dallas, Texas, and had been in that position for twelve (12) days.
7. On or about September 25, 2019, while employed as a Licensed Vocational Nurse with Ariel Amana Home Healthcare, Inc., Dallas, Texas, Respondent failed to appropriately intervene, and failed to timely and correctly initiate resuscitative measures, when Patient A.R., who was ventilator dependent, experienced respiratory distress, dropping oxygen saturation, and became unresponsive. Respondent failed to check and/or clear the patient's airway, failed to use the Ambu bag or attach supplemental oxygen, and also failed to move the patient to the floor before starting chest compressions. Additionally, Respondent failed to deliver effective chest compressions once the patient was moved to the floor. Respondent's conduct resulted in a delay of emergency resuscitation efforts and may have contributed to the patient's subsequent demise.
8. On or about September 25, 2019, while employed as a Licensed Vocational Nurse with Ariel Amana Home Healthcare, Inc., Dallas, Texas, Respondent falsely documented in the medical record events and timing related to nursing care provided to aforementioned Patient A.R., including: interventions after the patient experienced respiratory distress and became unresponsive, monitoring of vital signs, physical assessments, patient positioning, passive range of motion (PROM) exercises, patient education, and administration of medications and treatments. Respondent's conduct was deceptive, created an inaccurate medical record, and exposed the patient to risk of harm in that failure to administer medications and treatments as ordered by the physician could have resulted in non-efficacious treatment of the patient's condition, including respiratory distress.
9. In response to the incident in Finding of Fact Number Seven (7), Respondent states she did not inappropriately disconnect the patient from the ventilator, and also states she initiated CPR as quickly as anyone could. Respondent further states she thoroughly documented all interventions and nursing care provided to the patient.
